

FID's findings but requests vacatur of such findings in view of the impending expiration of that patent on January 27, 2023.

On October 11, 2022, Respondent filed a response to Complainant's petition. The parties did not file a statement on the public interest pursuant to Commission Rule 210.50 (19 CFR 210.50). Nor has the Commission received any submission in response to its post-RD **Federal Register** notice. See 87 FR 65249–50 (Oct. 28, 2022).

Having examined the record of this investigation, including the FID and the parties' submissions, the Commission has determined to review the FID in part, and upon review, to affirm the FID's determination of no violation of section 337. Specifically, as explained in the Commission Opinion issued concurrently herewith, the Commission has determined to review and, on review, to vacate the FID's findings as to the '219 patent in view of the expiration of that patent during the pendency of the investigation. As to the '788 patent, the Commission has determined to review and, on review, to: (1) modify and supplement the FID's claim construction findings with respect to the term "common reference frequency"; (2) affirm with modification the FID's non-infringement findings; (3) affirm with modification the FID's findings on the technical prong of the domestic industry requirement; (4) take no position as to the economic prong of the domestic industry requirement; and (5) reverse the FID's invalidity findings over Carrender I. The Commission adopts all findings in the FID that are not inconsistent with the Commission's determination.

The investigation is terminated.

The Commission's vote for this determination took place on February 13, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: February 13, 2023.

Secretary to the Commission.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping duty orders on brass sheet and strip from France, Germany, Italy and Japan would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: December 6, 2022.

FOR FURTHER INFORMATION CONTACT: (Caitlyn Hendricks-Costello-(202) 205–2058), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On December 6, 2022, the Commission determined that the domestic interested party group response to its notice of institution (87 FR 53785, September 1, 2022) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and

Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on February 22, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before March 2, 2023 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by March 2, 2023. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is

² The Commission has found the responses submitted on behalf of Aurubis Buffalo, Inc., Heyco Metals, Inc., PMX Industries, Inc., and Wieland Holdings, Inc. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

¹ A record of the Commissioners' votes and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

published pursuant to § 207.62 of the Commission's rules.
