[Release No. 34-96910; File No. SR-CboeEDGX-2023-011]

Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Applicable Exchange Rules, Usage of Data Feeds, To Disclose That the Exchange Will Utilize Direct Data Feeds From MEMX LLC

February 14, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 9, 2023, Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX”) proposes to update Rule 13.4(a), Usage of Data feeds, to disclose that the Exchange will utilize direct data feeds from MEMX LLC (“MEMX”) when performing: (i) order handling; (ii) order routing; (iii) order execution; and (iv) related compliance processes. The Exchange has designated the proposed rule change as noncontroversial and provided the Commission with notice required by Rule 19b-4(f)(6)(iii) under the Act. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (http://markets.cboe.com/us/options/regulation/rule_filings/edgx/), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update Exchange Rule 13.4(a)³ regarding the public disclosure of the sources of data that the Exchange utilizes when performing: (i) order handling; (ii) order routing; (iii) order execution; and (iv) related compliance processes. The Exchange currently utilizes MEMX market data from the Consolidated Quotation system (“CQS”)/UTP Quotation Data Feed (“UQDF”) for these purposes on EDGX. The Exchange intends to begin to utilize MEMX’s direct feeds in place of market data from the CQS/UQDF. Accordingly, the Exchange seeks to amend Exchange Rule 13.4(a) to reflect that the Exchange will utilize MEMX’s direct feeds in place of market data from the CQS/UQDF when performing order handling, order execution, routing, and related compliance processes for equity securities on EDGX. Once the Exchange begins to utilize direct feeds from MEMX, the Exchange will begin to utilize the CQS/UQDF as a secondary source of data from MEMX on EDGX.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect

investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the section 6(b)(5)⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes that its proposal to update Exchange Rule 13.4(a) to include the MEMX direct feeds will ensure that the Rule correctly identifies and publicly states on a market-by-market basis all the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, routing, and execution of orders, and for performing the regulatory compliance checks related to each of those functions. The proposed rule change also removes impediments to and perfects the mechanisms of a free and open market to protect investors and the public interest because it provides additional specificity, clarity and transparency.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the Exchange believes the proposal will enhance competition by because including all of the exchanges enhances transparency and enables investors to better assess the quality of the Exchange’s execution and routing services. The Exchange also believes the proposal will enhance competition because it will potentially enhance the performance of its order handling and execution of orders in equity securities by receiving market data directly from MEMX. Finally, the proposed rule change will not impact competition between market participants because it will affect all market participants equally.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to section 19(b)(3)(A)(iii) of the Act⁷ and Rule
