[Docket ID: FEMA–2022–0043; OMB No. 1660–0002]

Agency Information Collection Activities: Submission for OMB Review, Comment Request; Disaster Assistance Registration

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30 Day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission seeks comments concerning changes to modernize and simplify the disaster assistance registration. The changes will reduce the burden on survivors by only requiring them to answer questions based on the type of assistance they need. This will also reduce the amount of time it takes for survivors to apply either online, or through a call center, therefore allowing call center agents to assist survivors more quickly. The notice also includes FEMA documenting all post-registration contacts, including callouts, casework, and auto-dialers performed for the purpose of determining whether disaster assistance applicants have unmet needs and may be eligible for additional assistance and/or share the results of those contacts directly with external stakeholders, such as state or local government partners, who can potentially assist those same applicants with assistance or services not provided by FEMA through specific programs directly targeted to disaster survivors.

DATES: Comments must be submitted on or before March 24, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address: FEMA-Information-Collections-Management@fema.dhs.gov or Brian Thompson, Supervisory Program Specialist, FEMA, Recovery Directorate at 540–686–3602 or Brian.Thompson6@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93–288, *as amended*) (the Stafford Act) is the legal basis for FEMA to provide financial assistance and services to individuals who apply for disaster assistance benefits in the event of a Presidentially-declared disaster. Regulations in title 44 CFR, subpart D, “Federal Assistance to Individuals and Households,” implement the policy and procedures set forth in section 408 of the Stafford Act. Housing Assistance (HA) is a provision of the Individuals and Households Program (IHP), authorized by section 408(c) of the Stafford Act. There are two forms of assistance: financial and direct. Financial Housing Assistance refers to funds provided to eligible applicants for temporary lodging expenses, rental of temporary housing, or repair or replacement of a damaged primary residence. Direct Temporary Housing Assistance includes providing Temporary Housing Units (THU) through Multi-Family Lease or Repair (MLR) or Direct Lease, or placing transportable temporary housings (TTHU), such as manufactured housing units (MHU) and recreational vehicles or travel trailers, on private, commercial, or group sites. This program provides financial assistance and, if necessary, direct assistance to eligible individuals and households who, as a direct result of a major disaster, have necessary expenses and serious needs that are unable to be met through other means. Individuals and households may apply for assistance through the Registration Intake (RI) process under the IHP in person, via telephone, or the internet. FEMA provides financial assistance under

Other Needs Assistance to individuals or households affected by a major disaster to meet disaster-related medical, dental, funeral, childcare, personal property, transportation, moving and storage expenses, and other necessary expenses or serious needs resulting from a major disaster under section 408(e)(1) of the Stafford Act.

The changes to the following forms support Executive Order 14058, *Transforming Federal Customer Experience and Service Delivery to Rebuild Trust in Government*. - FEMA Forms FF-104-FY-21-123 (formerly 009-0-1T, English) and FF-104-FY-21-123-A (formerly 009-0-1T, Spanish), Tele-Registration Application for Disaster Assistance are being removed due to the addition of the ten Streamline Registration Intake flows. Those ten flows are:

- Home damage
- Personal property damage
- Vehicle damage
- Emergency needs
- Essential utilities outage

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C St. SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Daniel Claire, Insurance Examiner, FEMA Resilience (Pertaining to claims forms) at (202) 552-9891 or Daniel.Claire@fema.dhs.gov, contact: Todd Milliron, Supervisory Program Specialist, FEMA

Office of Response and Recovery (Pertaining to housing inspection instruments) at (540) 686-3844 or Todd.Milliron@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: Pertaining to National Flood Insurance Program (NFIP) Direct claim forms, Congress created the NFIP through the National Flood Insurance Act of 1968 (NFIA) (Title XIII of Pub. L. 90-448, 82 Stat. 476), codified at 42 U.S.C. 4001 *et seq.* The NFIP enables property owners in participating communities to purchase flood insurance. Communities participate in the NFIP based on an agreement between the community and Federal Emergency Management Agency (FEMA). If a community adopts and enforces a floodplain management ordinance to reduce future flood risk to new construction in floodplains, FEMA makes flood insurance available within the community as a financial protection against flood losses. Accordingly, the NFIP is comprised of three key activities: flood insurance, floodplain management, and flood hazard mapping.

A prospective policyholder may purchase an NFIP flood insurance policy, known as a Standard Flood Insurance Policy (SFIP), either: (1) directly from the Federal Government through a direct servicing agent (referred to as "NFIP Direct"), or (2) from a participating private insurance company through the Write Your Own (WYO) Program. *See* 44 CFR 62.23-24. The SFIP is a single-peril (flood) policy that pays for direct physical damage to insured property. There are three SFIP policy forms (*i.e.*, insurance contracts): (1) Dwelling Form, (2) General Property Form, and (3) Residential Condominium Building Association Policy (RCBAP) Form, which are published in FEMA's regulations. *See* 44 CFR 61.13; *see also* 44 CFR part 61, Appendices A(1), A(2), and A(3). The SFIP sets out the terms and conditions of insurance. FEMA establishes terms, rate structures, and premium costs of the SFIP. The terms, coverage limits, and flood insurance premiums are the same whether purchased from the NFIP Direct or the WYO Program. *See* 44 CFR 62.23(c), (h).

All flood loss claims presented under the NFIP are paid directly with U.S. Treasury funds, regardless of whether the policy is issued by the NFIP Direct or by a WYO company. The information in the NFIP Direct collection includes all the data necessary to adjudicate claims for damages and provide SFIP benefits resulting from flood losses.

In addition to the requirements of the NFIA, section 205 of the Bunning-Bereuter-Blumenauer Flood Insurance
