

administered every other year since January 2009. The previous survey questionnaires and survey results can be accessed through the following link: <http://fdic.gov/analysis/household-survey>.

In accordance with the statutory mandate to conduct the surveys on an ongoing basis, the FDIC already has in place arrangements for conducting the eighth Household Survey as a supplement to the June 2023 CPS. Prior to finalizing the 2023 survey questionnaire, the FDIC seeks to solicit public comment on whether changes to the existing instrument are desirable and, if so, to what extent. It should be noted that, as a supplement of the CPS survey, the Household Survey needs to adhere to specific parameters that include limits in the length and sensitivity of the questions that can be asked of CPS respondents. Interested members of the public may obtain a copy of the proposed survey questionnaire on the following web page: <https://www.fdic.gov/resources/regulations/federal-register-publications/2023/2023-fdic-household-survey-instrument.pdf>.
