

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before May 1, 2023. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-0222.

Title: Section 97.213, Telecommand of an Amateur Station.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for profit entities.

Number of Respondents and Responses: 40,000 respondents and 40,000 responses.

Estimated Time per Response: 5 minutes (.084 hours).

Frequency of Response: Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is approved under 47 U.S.C. 303, 151-155, 301-609.

Total Annual Burden: 3,360 hours.

Annual Cost Burden: No cost.

Needs and Uses: The third party disclosure requirement contained in 47 CFR 97.213 consists of posting a photocopy of the amateur station license, a label with the name, address, and telephone number of the station licensee, and the name of at least one authorized control operator in a conspicuous place at the station location. This requirement is necessary so that quick resolution of any harmful interference problems can be identified and to ensure that the station is operating in accordance with the Communications Act of 1934, as amended.

This information is used by FCC personnel during inspections and investigations to determine who is responsible for the proper operation of the remotely controlled station. In the absence of this third party disclosure requirement, field inspections and investigations related to harmful interference could be severely hampered and needlessly prolonged due to inability to determine the responsible licensee.

Federal Communications Commission.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection

Collection title: Reporting, Recordkeeping, and Disclosure Requirements Associated with Regulation Q.

Collection identifier: FR Q.

OMB control number: 7100-0313.

Effective Date: The revisions are applicable as of March 1, 2023.

General description of collection: The Board's Regulation Q—Capital Adequacy of Bank Holding Companies, Savings and Loan Holding Companies, and State Member Banks (12 CFR part 217) sets forth the capital adequacy requirements for state member banks (SMBs), certain bank holding companies (BHCs), U.S. intermediate holding companies (IHCs), and certain covered savings and loan holding companies (SLHCs).¹

The reporting, recordkeeping, and disclosure requirements included in the FR Q information collection provide the Board and other stakeholders, including market participants, with information regarding the interaction between firms

¹ The Board's capital rule generally does not apply to BHCs or covered SLHCs that meet the requirements of the Small Bank Holding Company and Savings and Loan Holding Company Policy Statement, 12 CFR part 225, Appendix C. For the definition of "Covered savings and loan holding company," see 12 CFR 217.2.

and the regulatory capital framework. Specifically, the reporting and recordkeeping requirements allow the Board to verify that firms are appropriately implementing the capital framework; they also provide the Board with information necessary for monitoring firms participating in the advanced approaches framework. The disclosure requirements are intended to support market discipline by providing information regarding banking organizations' activities, overall risk profiles, and risk management policies. Together, these requirements help to ensure the safety and soundness of the financial system by facilitating the identification of problems at firms and ensuring that firms have implemented any corrective actions imposed by the Board, as well as by allowing stakeholders to make meaningful assessments of firms' financial position.
