In addition, Commerce is rescinding this review with respect to 38 companies. Interested parties are invited to comment on these preliminary results of review.

### SUPPLEMENTARY INFORMATION:

#### Background

On February 16, 2021, Commerce published a countervailing duty (CVD) order on millwork products from

China.<sup>1</sup> The Coalition of American Millwork Producers (the petitioner) and other interested parties requested that Commerce conduct an administrative review of the *Order*. On February 4, 2022, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the *Order*.<sup>2</sup> We initiated an administrative review of 70 producers/exporters of millwork products from China for the POR. On June 21, 2022, Commerce selected Fujian Jinquan Trade Co., Ltd. (Jinquan) and Fujian Yinfeng Imp & Exp Trading Co., Ltd. (Yinfeng) as the mandatory respondents in this administrative review.<sup>3</sup>

On October 5, 2022, Commerce extended the deadline for the preliminary results of this review to no later than February 28, 2023.<sup>4</sup>

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>5</sup> A list of topics discussed in the Preliminary Decision Memorandum is included at Appendix I. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Scope of the Order

The product covered by the *Order* is millwork products from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

#### Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in

part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. On June 30, 2022, Gaomi Hongtai Home Furniture Co., Ltd. timely withdrew its request for review.<sup>6</sup> On July 11, 2022, Sanming Lingtong Trading Co., Ltd. and Sanming Lintong Trading Co., Ltd. timely withdrew their requests for review.<sup>7</sup> On July 11, 2022, the petitioner timely withdrew its requests for review of 57 companies.<sup>8</sup> For the 34 companies for which all requests for review were timely withdrawn, we are rescinding this review, in part with respect to these companies pursuant to 19 CFR 351.213(d)(1).<sup>9</sup>

On June 29, 2022, Commerce notified interested parties that we intended to rescind this administrative review with respect to certain companies, in the absence of suspended entries during the POR.<sup>10</sup> Five companies listed in our Intent to Rescind Memorandum, Aventura Inc., China Cornici Co., Ltd., Omni One Co., Limited, Raoping HongRong Handicrafts Co., Ltd. (d.b.a. Chen Chui Global Corp), and Shenzhen Xinjintai Industrial Co., Ltd., submitted comments claiming that they had entries of subject merchandise during the POR.<sup>11</sup> As we require more time to fully examine the companies' claims and request additional information if necessary, we are not rescinding the review of these five companies at this time, and will make a determination in the final results. With respect to the remaining four companies noted in our Intent to Rescind Memorandum and for which all review requests were not

timely withdrawn,<sup>12</sup> we find that there were no reviewable entries of subject merchandise during the POR. As a result, we are rescinding this review, pursuant to 19 CFR 351.213(d)(3), with respect to these companies.

For further information regarding this determination, see “Final Rescission of Administrative Review, In Part” section in the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.<sup>13</sup> For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts

available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

**Preliminary Rate for Non-Selected Companies Under Review**

As discussed above, Commerce initiated this administrative review with respect to 70 producers/exporters. We are rescinding the review for 34 companies for which the requests for administrative review were timely withdrawn and for four companies that had no suspended entries during the POR. Commerce selected two mandatory respondents, Jinquan and Yinfeng, for individual examination. For the remaining 28 non-selected companies subject to this review, because the rates calculated for mandatory respondents Jinquan and Yinfeng were above *de minimis* and not based entirely on facts available, we applied a preliminary subsidy rate based on a weighted average of the rates calculated for the two mandatory

respondents using the publicly ranged sales data they submitted on the record. This methodology is consistent with our practice for establishing an all-others subsidy rate pursuant to section 705(c)(5)(A) of the Act. For further information on the calculation of the non-selected respondent rate, refer to the section in the Preliminary Decision Memorandum entitled “Non-Selected Companies Under Review.” For a list of the non-selected companies, see Appendix IV to this notice.

**Preliminary Results of the Review**

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for each of the mandatory respondents, Jinquan and Yinfeng, and their cross-owned affiliates, where applicable.

We preliminarily find the countervailable subsidy rates for the mandatory and non-selected respondents under review to be as follows:

Producer/exporter	Subsidy rate (percent) 2020	Subsidy rate (percent) 2021
Fujian Jinquan Trade Co., Ltd <sup>14</sup> .....	13.21	8.63
Fujian Yinfeng Imp & Exp Trading Co., Ltd <sup>15</sup> .....	5.01	04.38
Non-Selected Companies Under Review <sup>16</sup> .....	07.10	05.47

**Disclosure**

We intend to disclose to interested parties the calculations performed for these preliminary results in accordance with 19 CFR 351.224(b).

**Verification**

Commerce received a timely request from the petitioner to verify the information submitted in this administrative review.<sup>17</sup> As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon for its final results of this review.

**Public Comment**

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Interested parties will be

notified of the timeline for the submission of case briefs at a later date.<sup>18</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.<sup>19</sup> Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit arguments are requested to submit with the argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>20</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance’s ACCESS system within 30

days of publication of this notice.<sup>21</sup> Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants; (3) whether any participant is a foreign national; and (4) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date.

Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS<sup>22</sup> and must be served on interested parties.<sup>23</sup> Electronically filed documents must be received successfully in their entirety by

### Final Results

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by the parties in any written briefs, no later than 120 days after the date of publication of these preliminary results.

### Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review, for the above-listed companies at the applicable *ad valorem* assessment rates listed for the corresponding time period (*i.e.*, June 12, 2020, to December 31, 2020, and January 1, 2021, to December 31, 2021). For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period June 12, 2020, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP for these companies no earlier than 35 days after the publication of the preliminary results of this review in the **Federal Register**. For the remaining companies under review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

<sup>24</sup> See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020).

### Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above and in Appendix IV for 2021, the second year covered by the period of the review, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: February 28, 2023.

#### Stainless Steel Flanges From India: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2020–2021

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that exporters/producers of stainless steel flanges from India made sales of subject merchandise at prices below normal value during the period of review (POR) October 1, 2020, through September 30, 2021. We continue to find that Emerson Process Management (Emerson) and Echjay Forgings Private Limited (Echjay) had no reviewable shipments of subject merchandise during the POR.

**DATES:** Applicable March 7, 2023.

**FOR FURTHER INFORMATION CONTACT:** Benito Ballesteros or Christopher Maciuba, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-7425 or (202) 482-0413, respectively.

#### SUPPLEMENTARY INFORMATION:

#### Background

Commerce selected two companies, Chandan Steel Limited (Chandan) and Goodluck India Limited (Goodluck),<sup>1</sup> for

<sup>1</sup> We initiated a review on both “Good Luck Engineering Co.” and “Goodluck India Ltd.” See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 86 FR 67685, 67686 (November 29, 2021). Subsequently, the company reported that Good Luck Engineering Co. is not a separate entity and is instead a business unit of Goodluck India Ltd. For the final results, the dumping margin calculated for Goodluck applies to entries from its business unit, Good Luck Engineering Co.

individual examination in this review. On November 4, 2022, Commerce published the *Preliminary Results* and invited interested parties to comment.<sup>2</sup> On December 17, 2022, Echjay submitted a case brief.<sup>3</sup> No other interested parties commented on the *Preliminary Results*. For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>4</sup> Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

#### Scope of the Order

The merchandise covered by the order is stainless steel flanges from India. For a complete description of the scope, see the Issues and Decision Memorandum.<sup>5</sup>

#### Analysis of Comments Received

In the Issues and Decision Memorandum, we address the sole issue raised in the case brief submitted by Echjay, as reflected in Appendix I of this notice.<sup>6</sup> The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Changes Since the Preliminary Results

We made no changes to the *Preliminary Results* based on comments from interested parties.<sup>7</sup> However, in the *Preliminary Results*, we stated our intention to update the applicable countervailing duty (CVD) offset rate in Chandan’s and Goodluck’s margin calculation, once the new rates became available.<sup>8</sup> Therefore, for the final results, we are updating the applicable

CVD offset rates with the subsidy rates from the most recently-completed segment of the companion CVD proceeding (*i.e.*, the final results of the 2020 administrative review).<sup>9</sup>

#### Final Determination of No Shipments

We preliminarily found that Emerson and Echjay had no reviewable shipments of subject merchandise during the POR.<sup>10</sup> Based on the comments received from Echjay, we continue to find that Echjay had no reviewable shipments.<sup>11</sup> Moreover, no party commented on the *Preliminary Results* regarding the no-shipment decision for Emerson. Therefore, for these final results, we continue to find that these companies had no reviewable shipments of subject merchandise during the POR, and we will issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on these final results.

#### Rate for Companies Not Selected for Individual Examination

The Act and Commerce’s regulations do not address the rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair-value (LTFV) investigation, for guidance. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

For the final results, Commerce calculated estimated weighted-average dumping margins for Chandan and Goodluck that are not zero, *de minimis*, or based entirely on facts otherwise available. Accordingly, Commerce has continued to calculate the rate for companies not selected for individual examination using a weighted average of the margins calculated for Chandan and Goodluck weighted by each
