

intermediate company(ies) involved in the transaction.

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable.

We intend to issue assessment instructions to CBP no earlier than 35 days after date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of this review for all shipments of stainless steel bar from India entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be the 12.45 percent, the all-others rate established in the LTFV investigation.¹⁴ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation

of the relevant entries during this period of review. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(4).

Dated: February 28, 2023.

Barium Chloride From India: Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing a countervailing duty order on barium chloride from India.

DATES: Applicable March 7, 2023.

FOR FURTHER INFORMATION CONTACT: Tyler Weinhold or Harrison Tanchuck, AD/CVD Operations, Office VI, Enforcement and Compliance, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1121 and (202) 482-4798, respectively.

SUPPLEMENTARY INFORMATION:

Background

In accordance with section 705(d) of the Tariff Act of 1930, as amended (the Act), on January 6, 2023, Commerce published its affirmative final determination in the countervailing duty investigation of barium chloride

from India.¹ On February 17, 2023, the ITC notified Commerce of its final determination, pursuant to sections 705(b)(1)(A)(i) and 705(d) of the Act, that an industry in the United States is materially injured by reason of subsidized imports of barium chloride from India.²

Scope of the Order

The scope of the order is barium chloride from India. For a complete description of the scope of this order, see the appendix to this notice.

Countervailing Duty Order

As noted above, on February 17, 2023, in accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC notified Commerce of its final determination in this investigation, in which it found that an industry in the United States is materially injured by reason of imports of barium chloride from India. Therefore, in accordance with sections 705(c)(2) and 706 of the Act, Commerce is issuing this countervailing duty order. Because the ITC determined that imports of barium chloride from India are materially injuring a U.S. industry, unliquidated entries of such merchandise from India, entered or withdrawn from warehouse for consumption, are subject to the assessment of countervailing duties.

In accordance with section 706(a) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, countervailing duties for all relevant entries of barium chloride from India. With the exception of entries occurring after the provisional measures period and before the publication of the ITC's final affirmative injury determination, as further described below, countervailing duties will be assessed on unliquidated entries of barium chloride from India entered, or withdrawn from warehouse, for consumption on or after June 17, 2022, the date of publication of the *Preliminary Determination*.³

Suspension of Liquidation and Cash Deposits

In accordance with section 706 of the Act, Commerce will direct CBP to

² See ITC's Letter, "Investigation No. 701-TA-678 (Final)," dated February 17, 2023 (ITC Notification Letter); see also *Barium Chloride from India*, 88 FR 11476 (February 23, 2023).

reinstitute the suspension of liquidation of barium chloride from India, effective on the date of publication of the ITC's notice of final determination in the **Federal Register**. These instructions will remain in effect until further notice. Commerce also intends, pursuant to section 706(a)(1) of the Act, to instruct CBP to assess countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates below. On or after the publication of the ITC's final injury determination in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated import duties on this merchandise, a cash deposit equal to the rates listed in the table below. The all-others rate applies to all producers or exporters not specifically listed, as appropriate.

Company	Subsidy rate (percent)
Chaitanya Chemicals ⁴	23.57
All-Others	23.57

Provisional Measures

Section 703(d) of the Act states that suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months. In the underlying investigation, Commerce published the *Preliminary Determination*, which was affirmative, on June 17, 2022. Therefore, entries of barium chloride from India made on or after October 15, 2022, and prior to the date of publication of the ITC's final determination in the **Federal Register**, are not subject to the assessment of countervailing duties due to Commerce's discontinuation of the suspension of liquidation.

In accordance with section 703(d) of the Act, we instructed CBP to terminate the suspension of liquidation and to liquidate, without regard to countervailing duties, unliquidated entries of barium chloride from India, entered, or withdrawn from warehouse, for consumption, on or after October 15, 2022, the date on which the provisional measures period expired, until and through the day preceding the date of publication of the ITC's final injury determination in the **Federal Register**. Suspension of liquidation and the collection of cash deposits will resume on the date of publication of the ITC's

final determination in the **Federal Register**.

Establishment of the Annual Inquiry Service Lists

On September 30, 2021, Commerce published the final rule entitled: *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws in the Federal Register*.⁵ On September 27, 2021, Commerce also published the notice entitled: *Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions in the Federal Register*.⁶ The *Final Rule and Procedural Guidance* provide that Commerce will maintain an annual inquiry service list for each order or suspended investigation, and any interested party submitting a scope ruling application or request for circumvention inquiry shall serve a copy of the application or request on the persons on the annual inquiry service list for that order, as well as any companion order covering the same merchandise from the same country of origin.⁷

In accordance with the *Procedural Guidance*, for orders published in the **Federal Register** after November 4, 2021, Commerce will create an annual inquiry service list segment in Commerce's online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS), available at <https://access.trade.gov>, within five business days of publication of the notice of the order. Each annual inquiry service list will be saved in ACCESS, under each case number, and under a specific segment type called "AISL-Annual Inquiry Service List."⁸

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance to the annual inquiry service list segment for the order in ACCESS within 30 days after the date of

⁵ See *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws*, 86 FR 52300 (September 20, 2021) (*Final Rule*).

⁶ See *Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions*, 86 FR 53205 (September 27, 2021) (*Procedural Guidance*).

⁷ *Id.*

⁸ This segment will be combined with the ACCESS Segment Specific Information (SSI) field, which will display the month in which the notice of the order or suspended investigation was published in the **Federal Register**, also known as the anniversary month. For example, for an order under case number A-000-000 that published in the **Federal Register** in January, the relevant segment and SSI combination will appear in ACCESS as "AISL-January Anniversary." Note that there will be only one annual inquiry service list segment per case number, and the anniversary month will be pre-populated in ACCESS.

publication of the order. For ease of administration, Commerce requests that law firms with more than one attorney representing interested parties in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*, the new annual inquiry service list will be in place until the following year, when the opportunity notice for the anniversary month of the order is published in the **Federal Register**.

Commerce may update an annual inquiry service list at any time as needed based on interested parties' amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website at <https://access.trade.gov>.

Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, "after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow."⁹ Accordingly, as stated above, the petitioner and the Government of India (GOI) should submit their initial entry of appearance after publication of this notice in order to appear in the first annual inquiry service list. Pursuant to 19 CFR 351.225(n)(3), the petitioner and the GOI will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioner and the GOI are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.
