

be 5.34 percent, the all-others rate made effective by the *Section 129 Determination*.²⁰ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: February 28, 2023.

Wood Mouldings and Millwork Products From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review, Preliminary Determination of No Shipments, and Rescission in Part; 2020-2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that Fujian Yinfeng Imp & Exp Trading Co., Ltd./Fujian Province Youxi City Mangrove Wood Machining Co., Ltd. (Yinfeng/Mangrove), and 29 non-individually examined exporters of wood mouldings and millwork products (WMMP) from the People's Republic of China (China) sold subject merchandise to the United States at prices below normal value (NV) during the period of review (POR), August 12, 2020, through January 31, 2022. Commerce also preliminarily determines that Fujian Jinquan Trade Co., Ltd./Baiyuan Wood Machining Co., Ltd. (Jinquan/Baiyuan) did not sell subject merchandise to the United States at prices below NV during the POR. We further preliminarily find that Fujian Shunchang Shengsheng

Wood Industry Limited Company (Shunchang Shengsheng), Xiamen Jinxi Building Material Co., Ltd. (Xiamen Jinxi), and Zhangzhou Green Wood Industry and Trade Co., Ltd. (Green Wood) had no shipments of subject merchandise during the POR and that Gaomi Hongtai Home Furniture Co., Ltd. is part of the China-wide entity. Additionally, we are rescinding this administrative review with respect to 33 companies because the requests for review of these companies were timely withdrawn. Finally, we preliminarily intend to rescind this administrative review with respect to three companies.

DATES: Applicable March 7, 2023.

SUPPLEMENTARY INFORMATION:

Background

This administrative review is being conducted in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). The review covers 73 companies, including mandatory respondents Jinquan/Baiyuan and Yinfeng/Mangrove.¹ For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice.

¹ We have determined that it is appropriate to treat affiliates Yinfeng and Mangrove, and affiliates Jinquan and Baiyuan, as a single entity for purposes of this administrative review. For further discussion, see Memorandum, "Wood Mouldings and Millwork Products from the People's Republic of China: Preliminary Results of Antidumping Administrative Review; 2020-2022," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

WMMP may also enter under HTSUS numbers 4409.10.6000, 4409.10.6500, 4409.22.6000, 4409.22.6500, 4409.29.6100, 4409.29.6600, 4412.41.0000, 4412.42.0000, 4412.49.0000, 4412.91.5115, 4412.92.5215, 4412.99.9700, 4418.20.4000, 4418.20.8030, 4418.20.8060, 4418.91.9195, 4418.99.9095, 4418.99.9195, 4421.91.9880, 4421.99.9780, and 4421.99.9880. While the HTSUS subheading and ASTM specification are provided for convenience and for customs purposes, the written description of the subject merchandise is dispositive. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act and 19 CFR 351.213. We calculated export prices in accordance with section 772 of the Act. Because China is a non-market economy (NME) country within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an

administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. On July 11, 2022, Sanming Lingtong Trading Co., Ltd. (Sanming) timely withdrew its request for review of itself and the petitioner timely withdrew its requests for review of 58 companies.³ Because no other parties requested a review of Sanming or 32 of the companies listed in the petitioner's withdrawal of review request, Commerce is rescinding the administrative review with respect to these companies.⁴ See the Preliminary Decision Memorandum for further discussion.

Preliminary Intent To Rescind Administrative Review, in Part

We preliminarily determine that China Cornici Co., Ltd. (China Cornici) had no suspended entries of subject merchandise during the POR. Absent any evidence of a reviewable entry, pursuant to 19 CFR 351.213(d)(3), we intend to rescind the administrative review of this company in the final results of review. We also intend to rescind this review with respect to two companies, Aventura and TL Wood, because the record evidence indicates that they are U.S. resellers not eligible for review pursuant to 19 CFR 351.213(b)(1). For further information, see "Preliminary Intent to Rescind Administrative Review, in Part" in the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

Based on an analysis of information from U.S. Customs and Border Protection (CBP), no-shipment certifications and other record information, we preliminarily determine that Shunchang Shengsheng, Xiamen Jinxi, and Green Wood had no shipments of subject merchandise during the POR.⁵ Consistent with our practice in NME cases, we will not rescind the review with respect to these companies, but, rather, we intend to complete the review and issue appropriate instructions to CBP based on the final results of the review.⁶

³ See Sanming's Letter, "Withdrawal of Request for Administrative Review and Request for Extension of Time to File Request," dated July 11, 2022; see also Petitioner's Letter, "Withdrawal of Request for Administrative Review," dated July 11, 2022.

Separate Rates

Commerce preliminarily finds that, in addition to Yinfeng/Mangrove and Jinquan/Baiyuan, the information placed on the record by 29 companies not individually examined in this review demonstrates that these companies are eligible for a separate rate.⁷ The statute and Commerce’s regulations do not address what dumping margin to apply to respondents not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the dumping margin for respondents that are not selected for individual examination in an administrative review. Section 735(c)(5)(A) of the Act states that the all-

others rate should be calculated by averaging the weighted-average dumping margins calculated for individually-examined respondents, excluding dumping margins that are zero, *de minimis*, or based entirely on facts available. Because we calculated a preliminary dumping margin of zero for Jinquan/Baiyuan, and a preliminary dumping margin that is not zero, *de minimis*, or based entirely on facts available for Yinfeng/Mangrove, we assigned the separate rate recipients a dumping margin equal to Yinfeng/Mangrove’s preliminary dumping margin consistent with Commerce’s practice and section 735(c)(5)(A) of the Act.

The China-Wide Entity

Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative review.⁸ Under this policy, the China-wide entity will not be under review

unless a party specifically requests and Commerce initiates, or Commerce self-initiates, a review of the China-wide entity.⁹ Because no party requested a review of the China-wide entity and no review was initiated for this POR, the China-wide entity is not under review and the China-wide entity’s rate (*i.e.*, 220.87 percent) is not subject to change.¹⁰

Commerce preliminarily finds that Gaomi Hongtai Home Furniture Co., Ltd. did not establish its eligibility for a separate rate because it failed to provide a separate rate application or a separate rate certification. As such, we preliminarily determine that this company is part of the China-wide entity.

Preliminary Results of Review

Commerce preliminarily determines that the following weighted-average dumping margins exist for the POR:

Exporter	Weighted-average dumping margin (percent)
Fujian Jinquan Trade Co., Ltd./Baiyuan Wood Machining Co., Ltd	0.00
Fujian Yinfeng Imp & Exp Trading Co., Ltd./Fujian Province Youxi City Mangrove Wood Machining Co., Ltd	9.03
Non-Selected Companies Under Review Receiving a Separate Rate ¹¹	9.03

Disclosure and Public Comment

Commerce intends to disclose the calculations performed for these preliminary results to the parties under administrative protective order within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

A schedule for the submission of case briefs and written comments will be provided to interested parties at a later date. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline date for case briefs.¹² Parties who submit a case brief or a rebuttal brief in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a

hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice. Requests should contain: (1) the party’s name, address and telephone number; (2) the number of participants; (3) whether any participant is a foreign national; and (4) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.¹³ If a request for a hearing is made, Commerce will announce the date and time of the hearing.

Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of the date of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the

Act and 19 CFR 351.213(h), unless this deadline is extended.

Verification

As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon for its final results.

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review. Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this

Review, Preliminary Determination of No Shipments; 2012–2013, 79 FR 15951, 15952 (March 24, 2014), unchanged in *Certain Frozen Warmwater Shrimp from Thailand: Final Results of Antidumping Duty Administrative Review, Final Determination of No Shipments, and Partial Rescission of Review; 2012–2013*, 79 FR at 51306 (August 28, 2014).

review. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

If a mandatory respondent's *ad valorem* weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates for that respondent, in accordance with 19 CFR 351.212(b)(1).¹⁵ Because both respondents did not report entered value, we will calculate importer-specific per-unit duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total quantity of those sales.¹⁶ To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values.

If, in the final results, a mandatory respondent's weighted-average dumping margin is zero or *de minimis* (*i.e.*, less than 0.5 percent), Commerce will instruct CBP to liquidate the appropriate entries for that respondent without regard to antidumping duties.¹⁷ For entries that were not reported in the U.S. sales databases submitted by each mandatory respondent during this review, and for the companies that do not qualify for a separate rate, Commerce will instruct CBP to liquidate such entries at the China-wide rate (*i.e.*, 220.87 percent).¹⁸ For the respondents that were not selected for individual examination in this administrative review but qualified for a separate rate, the assessment rate will be equal to the weighted-average dumping margin determined in the final results of this review. Additionally, if Commerce continues to find in the final results that Shunchang Shengsheng, Xiamen Jinxi, and Green Wood had no shipments of the subject merchandise, any suspended

entries of subject merchandise associated with those companies will be liquidated at the China-wide rate.

For the companies for which we have rescinded this review, Commerce intends to instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP for the rescinded companies no earlier than 35 days after the date of publication of the preliminary results in the **Federal Register**.

If Commerce rescinds this review with respect to Aventura, TL Wood, and China Cornici in the final results, we intend to instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). We will issue such instructions to CBP no earlier than 35 days after the date of publication of the final results in the **Federal Register**.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for companies listed above that have established their eligibility for a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously examined Chinese and non-Chinese exporters not listed above that received a separate rate in a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 220.87 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when

imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213(d)(4), and 19 CFR 351.221(b)(4).

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient, and the subsidy is specific.⁵ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Companies Not Selected for Individual Review

The Act and Commerce's regulations do not directly address the subsidy rate to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation. Section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A) of the Act states that for companies not investigated, in general, we will determine an all-others rate by
