SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 ("Section 337") provides that if the Commission finds a violation it shall exclude the articles concerned from the United States unless the public interest factors listed in 19 U.S.C. 1337(d)(1) prevent such action.

The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation, specifically, a limited exclusion order (“LEO”) covering all of the infringing articles imported, sold for importation, or sold after importation by respondents Kaz USA, Inc. and Helen of Troy Limited (“the PUR Respondents”); Zero Technologies, LLC; Culligan International Co.; and Vestergaard Frandsen Inc. In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended remedial orders are used in the United States;

(ii) Identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) Identify like or directly competitive articles that complainants, their licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(v) Explain how the recommended orders would impact consumers in the United States.

Written submissions from the public must be filed no later than by close of business on March 31, 2023.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. The Commission’s paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 FR 15798 (March 19, 2020). Submissions should refer to the investigation number (“Inv.
