Privacy Act of 1974; System of Records

AGENCY: National Indian Gaming Commission (NIGC or Commission), Interior.

ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, the NIGC is issuing public notice of its intent to modify an existing system of records entitled, Indian Gaming Individuals Record System. This system of records includes information submitted to the NIGC so that it may review and verify eligibility determinations of key employees and primary management officials for tribal licenses in Indian gaming enterprises.

DATES: This modified system is effective upon publication in the **Federal Register**, except for its routine uses, which are effective April 10, 2023. Please submit any public comment pertaining to this notice on or before April 10, 2023.

ADDRESSES: Comments may be submitted to Tim Osumi, Senior Agency Official for Privacy using any of the following methods:

SUPPLEMENTARY INFORMATION: Congress established the NIGC under the Indian Gaming Regulatory Act of 1988 (25 U.S.C. 2701 et seq.) (IGRA) to regulate gaming on Indian lands. The scope of this notice covers information necessary to ensure proper oversight of tribal licensing of key employees and primary management officials in gaming enterprises on Indian lands. The IGRA

requires a tribe to notify the Commission of the results of background checks for primary management officials and key employees of Indian gaming enterprises and the issuance of tribal licenses to them (25 U.S.C. 2710(b)(2)(F)(I) and (III)). Further, under the IGRA, the Commission has 30 days to object to issuance of a license by a tribe (25 U.S.C. 2710(c)(1)). Commission rules implement these legislative provisions by (1) requiring tribes to obtain certain information from applicants for key employee and primary management official positions in gaming operations; (2) requiring tribes to forward to the Commission the required information for each key employee and primary management official; (3) reviewing and verifying the submitted information; and (4) conducting supplementary background investigations to the extent the Commission deems necessary.
