BILLING CODE P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Withdrawal of Notice of Intent (NOI) To Prepare a Draft Environmental Impact Statement (DEIS) Pursuant to Section 203 of Water Resources Development Act of 1986 for the Wilmington Harbor Navigation Improvement Project Integrated Feasibility Study and Environmental Report, New Hanover and Brunswick Counties, NC

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent; withdrawal.

SUMMARY: The U.S. Army Corps of Engineers (USACE) is issuing this notice to advise Federal, State, and local governmental agencies and the public that USACE is withdrawing the notice of intent for the preparation of the DEIS pursuant to Section 203 of Water Resources Development Act (WRDA) of 1986 for the Wilmington Harbor Navigation Improvement Project Integrated Feasibility Study and Environmental Report, which was published in the **Federal Register** on September 12, 2019. Since publication of the NOI, the project was conditionally authorized under Section 403 of WRDA of 2020: Authorization of Projects Based on Feasibility Studies Prepared by Non-Federal Interests. USACE will be initiating a separate environmental review process for the Federal action related to the conditional authorization under Section 403 of WRDA of 2020.

DATES: The notice of intent to prepare an EIS published in the **Federal Register** on September 12, 2019 (84 FR 48131), is withdrawn as of March 10, 2023.

ADDRESSES: U.S. Army Corps of Engineers, Wilmington; 69 Darlington Avenue, Wilmington, North Carolina 28403.

FOR FURTHER INFORMATION CONTACT: Questions about the withdrawal of the Notice of Intent can be directed to Andrea Stolba, (910) 882-4936 at andrea.m.stolba@usace.army.mil.

SUPPLEMENTARY INFORMATION: A draft environmental report and integrated feasibility study for potential navigation improvements to the Wilmington Harbor Federal navigation channel leading from the Atlantic Ocean to the Port of Wilmington, North Carolina, was prepared in 2020 by the NCSPA under the authority granted by Section 203 of WRDA of 1986. The study area was the existing Wilmington Harbor federal navigation channel that originates offshore and extends approximately 38 miles through the Atlantic Ocean and up the Cape Fear River to the City of Wilmington, NC where it services the Port of Wilmington. The existing project provides for a channel – 44 feet Mean Lower Low Water (MLLW) through the ocean bar and entrance channel, changing to – 42 feet (MLLW) extending to just downstream of the Cape Fear Memorial Bridge. The Port of Wilmington has experienced increases in cargo volume and in the size of vessels calling at the port since the last major channel improvements were completed by the USACE under the Wilmington Harbor Project authorized under WRDA of 1996.

The Section 403 authorization for the navigation project, Wilmington Harbor, North Carolina, is conditioned upon the resolution of comments from the review assessment of the ASA(CW), titled “Review Assessment of Wilmington Harbor, North Carolina Navigation Improvement Project Integrated Section 203 Study & Environmental Report (February 2020)” and dated May 17, 2020.

Resolution of comments from the May 2020 ASA(CW) review assessment and any future Federal action related to the conditional authorization under Section 403 of WRDA of 2020 will comply with the requirements of NEPA (42 U.S.C. 4321 *et seq.*), Council on Environmental Quality’s NEPA Implementing Regulations (40 CFR part 1500–1508), and USACE Procedures For Implementing NEPA (33 CFR part 230), and other related environmental review requirements. The USACE will initiate a separate environmental review process for the federal action pursuant to the Section 403 authorization.

Daniel H. Hibner,

Brigadier General, U.S. Army, Commanding.

BILLING CODE 3720-58-P

DEPARTMENT OF EDUCATION

Authorization of Subgrants for The Rhonda Weiss National Technical Assistance Center To Improve State Capacity To Collect, Report, Analyze, and Use Accurate IDEA Data in Accessible Formats

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice.

SUMMARY: Pursuant to the Education Department General Administrative Regulations, the Department of Education (Department) authorizes the grantee receiving an award under the Rhonda Weiss National Technical Assistance Center to Improve State Capacity to Collect, Report, Analyze, and Use Accurate IDEA Data in Accessible Formats (Accessible Data Center), (Assistance Listing Number (ALN) 84.373Q), to make subgrants, subject to the limitations described in this notice.

DATES: Applicable Date: March 10, 2023.

FOR FURTHER INFORMATION CONTACT: Rebecca Smith, U.S. Department of Education, 400 Maryland Avenue SW, Room 5076, Potomac Center Plaza, Washington, DC 20202-5076. Telephone: (202) 987-0139. Email: rebecca.smith@ed.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7-1-1.

SUPPLEMENTARY INFORMATION:

Purpose of Program: The purpose of the Accessible Data Center is to improve State capacity to accurately collect, report, analyze, and use the Individuals with Disabilities Education Act (IDEA) Part B and Part C data reported under IDEA sections 616 and 618 in accessible formats for persons with disabilities, particularly those with blindness, visual impairments, motor impairments, and intellectual disabilities.

Subgrant Authorization: The Department’s regulations in 34 CFR 75.708(a) prohibit a grantee from making a subgrant under this program unless authorized by statute or by a notice in the **Federal Register**. While subgranting is not authorized by statute for this program, and the Department’s notice inviting applications (NIA) published in the **Federal Register** on July 12, 2022 (87 FR 41298) did not authorize subgranting for this program, the Department has determined that subgrants may be appropriate and necessary to enable the grantee to meet the purposes of the Accessible Data Center. Specifically, OSEP has

determined that allowing the grantee to form partnerships with eligible entities to implement grant requirements under this competition (including through the awarding of a subgrant) is necessary given the project's nature and need for a close, collaborative and substantive relationship between the grantee and the subgrant and the grantee's responsibility to oversee its subgrantee. Accordingly, through this notice, we authorize the grantee, Applied Engineering Management Corporation (AEM) to make subgrants on the terms outlined in this notice and consistent with AEM's application.

Under 34 CFR 75.708(b) and (c), if the grantee uses this subgranting authority, the grantee has the authority to award subgrants only to eligible entities identified in the grantee's approved application or selected through a competition under procedures established by the grantee, and the subgrants must be used only to directly carry out project activities described in the grantee's approved application and consistent with the purpose described in ALN 84.373Q and the priority and requirements established in the NIA. The Accessible Data Center grantee may make subgrants to the following eligible entities: State educational agencies; State lead agencies under Part C of the IDEA; local educational agencies (LEAs), including public charter schools that are considered LEAs under State law; institutions of higher education; other public agencies; nonprofit organizations; freely associated States and outlying areas; Indian Tribes or Tribal organizations; and for-profit organizations.

Further, under 34 CFR 75.708(d), the grantee must ensure that: (1) subgrants are awarded on the basis of the approved budget that is consistent with the grantee's approved application and all applicable Federal statutory, regulatory, and other requirements; (2) every subgrant includes all conditions required by Federal statutes and Executive Orders and their implementing regulations; and (3) subgrantees are aware of the requirements imposed upon them by Federal statutes and regulations, including the Federal anti-discrimination laws enforced by the Department, which are listed in 34 CFR 75.500. Additionally, as is true with any expenditures incurred under the Department's grant programs, Accessible Data Center expenditures must satisfy the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, including the Federal cost principles in

2 CFR part 200, subpart E. Therefore, any subgrant and subgrantee expenditures must comply with the Federal cost principles, and the grantee, as a pass-through entity, must comply with the procedures for making subawards described in 2 CFR 200.332.

Note: This notice does not solicit applications.

Program Authority: 20 U.S.C. 1411(c), 1416(i), 1418(c), 1442; and the Consolidated Appropriations Act, 2021, Pub. L. 116–260, 134 Stat. 1182, 1601.

Accessible Format: On request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**, individuals with disabilities can obtain this document in an accessible format. The Department will provide the requestor with an accessible format that may include Rich Text Format (RTF) or text format (txt), a thumb drive, an MP3 file, braille, large print, audiotape, or compact disc, or other accessible format.

Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. You may access the official edition of the **Federal Register** and the Code of Federal Regulations at www.govinfo.gov. At this site you can view this document, as well as all other documents published by the Department in the **Federal Register**, in text or Adobe Portable Document Format (PDF). To use PDF you must have Adobe Acrobat Reader, which is available free at the site. You may also access Department documents published in the **Federal Register** by using the article search feature at www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Katherine Neas,

Deputy Assistant Secretary. Delegated the authority to perform the functions and duties of the Assistant Secretary for the Office of Special Education and Rehabilitative Services.

BILLING CODE 4000–01–P

DEPARTMENT OF ENERGY

Request for Information—Foundation for Energy Security and Innovation (FESI); Correction

AGENCY: Office of Technology Transitions, Department of Energy.

ACTION: Request for information (RFI); correction.

SUMMARY: On February 15, 2023, the Department of Energy (DOE) published in the **Federal Register** a RFI seeking input on how DOE stakeholders may engage with the Foundation for Energy Security and Innovation (FESI). This document makes a correction to that notice.

FOR FURTHER INFORMATION CONTACT:

Charlie Kong, Executive Assistant (contractor), U.S. Department of Energy, 1000 Independence Avenue SW, 20585; Phone: (202) 586–2000; email: OTT@hq.doe.gov.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of Wednesday, February 15, 2023, in FR Doc. 2023–03199, on page 9877, please make the following correction:

Under the heading, **FOR FURTHER INFORMATION CONTACT**, first sentence, the contact information has been changed. The original contact was Mary Yamada, (240) 888–4568, Mary.Yamada@hq.doe.gov. The new contact is Mary Yamada, (202) 586–2000, FESI.RFI@hq.doe.gov.

Reason for Correction: Correcting the contact number and email address.

Signed in Washington, DC, on March 7, 2023

Treena V. Garrett,

Federal Register Liaison Officer, U.S. Department of Energy.
