Changes Since the Preliminary Results

Based on comments received from interested parties and issues originating from verification, we revised the calculation of the net countervailable subsidy rates for Sumitomo Rubber (Hunan) Co., Ltd. (SRH). For a discussion of the issues, see the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a full description of the methodology underlying all of Commerce's conclusions, including our reliance, in part, on facts otherwise available, including adverse facts available, pursuant to sections 776(a) and (b) of the Act, see the Issues and Decision Memorandum.

Non-Selected Companies' Rate

Commerce made no changes to the methodology from the *Preliminary Results* for determining a rate for companies not selected for individual examination. However, due to changes in the calculation for SRH, we revised the non-selected rate accordingly. Consequently, for each of the eight non-
