

CDFI Fund, administers the NMTC Program, which provides an incentive to investors in the form of tax credits over seven years, expected to stimulate the provision of private investment capital that, in turn, will facilitate economic and community development in low-income communities. In order to qualify for an allocation of tax credits through the NMTC Program, an entity must be certified as a qualified CDE and submit an allocation application to the CDFI Fund. Nonprofit entities and for-profit entities may be certified as CDEs by the CDFI Fund. In order to be certified as a CDE, an entity must be a domestic corporation or partnership, that: (1) has a primary mission of serving or providing investment capital for low-income communities or low-income persons; and (2) maintains accountability to residents of low-income communities through their representation on any governing or advisory board of the entity.

Current Actions: Renewal of existing information collection.

Type of Review: Regular review.

Affected Public: CDEs and entities seeking CDE certification, including business or other for-profit institutions, nonprofit entities, and State, local and Tribal entities.

Estimated Number of Respondents: 300.

Estimated Annual Time per Respondent: 4 hours.

Estimated Total Annual Burden Hours: 1,200 hours.

Requests for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record and may be published on the CDFI Fund website at <http://www.cdfifund.gov>. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the CDFI Fund, including whether the information shall have practical utility; (b) the accuracy of the CDFI Fund's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

DEPARTMENT OF VETERANS AFFAIRS

Notice of Request for Information on the Department of Veterans Affairs Therapeutic Medical Physicists Standard of Practice

AGENCY: Department of Veterans Affairs.

ACTION: Request for information.

SUMMARY: The Department of Veterans Affairs (VA) is requesting information to assist in developing a national standard of practice for VA Therapeutic Medical Physicists Standard of Practice. VA seeks comments on various topics to help inform VA's development of this national standard of practice.

DATES: Comments must be received on or before May 15, 2023.

ADDRESSES: Comments must be submitted through www.regulations.gov. Except as provided below, comments

received before the close of the comment period will be available at www.regulations.gov for public viewing, inspection, or copying, including any personally identifiable or confidential business information that is included in a comment. We post the comments received before the close of the comment period on the following website as soon as possible after they have been received: <https://www.regulations.gov>. VA will not post on Regulations.gov public comments that make threats to individuals or institutions or suggest that the commenter will take actions to harm the individual. VA encourages individuals not to submit duplicative comments. We will post acceptable comments from multiple unique commenters even if the content is identical or nearly identical to other comments. Any public comment received after the comment period's closing date is considered late and will not be considered in a potential rulemaking.

SUPPLEMENTARY INFORMATION:

Authority

Chapters 73 and 74 of 38 U.S.C. and 38 U.S.C. 303 authorize the Secretary to regulate the professional activities of VA health care professions to make certain that VA's health care system provides safe and effective health care by qualified health care professionals to ensure the well-being of those Veterans who have borne the battle.

On November 12, 2020, VA published an interim final rule confirming that VA health care professionals may practice their health care profession consistent with the scope and requirements of their VA employment, notwithstanding any State license, registration, certification, or other requirements that unduly interfere with their practice. 38 CFR 17.419; 85 FR 71838. Specifically, this rulemaking confirmed VA's current practice of allowing VA health care professionals to deliver health care services in a State other than the health care professional's State of licensure, registration, certification, or other State requirement, thereby enhancing beneficiaries' access to critical VA health care services. The rulemaking also confirmed VA's authority to establish national standards of practice for its health care professionals which
