SUPPLEMENTARY INFORMATION:

- *FIOTEC, Brazil:* The single-source award will provide opportunities to support the HIV response consistent with PEPFAR requirements and other public health initiatives that technically support enhancement of public health capacity. FIOTEC is in a unique position to conduct this work, as it is a private, endowed, non-profit foundation with administrative and financial autonomy. And no other national level foundation or non-governmental entity is able to receive and manage funds on behalf of the Brazilian Ministry of Health (MoH) while still meeting USG funding eligibility criteria.

- *The Lighthouse Trust, Malawi:* The single-source award will contribute to sustaining epidemic control through high quality client centered service delivery and national HIV program capacity strengthening.

The Lighthouse Trust is in a unique position as the flagship public service provider and technical leader for and within Malawi’s successful national HIV treatment and care program. It is the designated public HIV service provider in the capital city, Lilongwe, and central region’s largest public hospitals, and it is the highest-level referral center for HIV clinical services in the national HIV program, providing clinical oversight and care for complicated patients throughout Malawi.

- *GAC, West Africa Region (Ghana):* The single-source award will support GAC which is the mandated government agency providing leadership and coordination of HIV programs in Ghana through the UNAIDS three ones principle: one agreed HIV/AIDS action framework that provides the basis for coordinating the work of all partners, one national AIDS coordinating authority with a broad-based multi-sector mandate, and one agreed country level monitoring and evaluation system.

GAC holds legal responsibility for formulating policies and designing strategies to respond to Ghana’s HIV and AIDS epidemic, to provide for the management of the fund, to prevent and control the HIV and AIDS epidemic, and to promote and protect the rights of People Living with HIV (PLHIV) and to provide for related purposes.

Summary of the Awards

Recipients: Fundação para o Desenvolvimento Científico e Tecnológico em Saúde (FIOTEC), Brazil; The Lighthouse Trust, Malawi; Ghana AIDS Commission (GAC), West Africa Region (Ghana).

National Biodefense Science Board Public Meeting

AGENCY: Administration for Strategic Preparedness and Response (ASPR), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The National Biodefense Science Board (NBSB or the Board), authorized under the Public Health Service (PHS) Act, as added by the Pandemic and All-Hazards Preparedness Act of 2006 and amended by the Pandemic and All-Hazards Preparedness Reauthorization Act, will hold a virtual, public meeting on May 4, 2023, at 2:00 p.m. ET. The NBSB, managed and operated by the ASPR, provides expert advice and guidance to the Secretary of HHS regarding current and future chemical, biological, radiological, and nuclear threats, and other disaster preparedness and response matters. A detailed agenda and Zoom registration instructions will be available on the ASPR/NBSB public meeting web page at least 10 days in advance of the meeting.

FOR FURTHER INFORMATION CONTACT: CAPT Christopher Perdue, NBSB Designated Federal Official, via email message to NBSB@hhs.gov or (202) 480–7226.

SUPPLEMENTARY INFORMATION:

Procedures for Public Participation: The link to pre-register for the public meeting will be posted on the meeting website. The online meeting will use a webinar format and include American Sign Language interpretation and live captioning.

Members of the public may provide written comments or submit questions to the NBSB at any time via email to NBSB@hhs.gov and are encouraged to provide comments related to the draft recommendations when those are posted. Additionally, the NBSB invites stakeholders to request up to seven minutes to address the Board in-person during the meeting. The Board wishes to hear from experts from relevant biomedical, biodefense, or health industries; faculty or researchers at academic institutions; health professionals, health system experts, or

those who work in health care consumer organizations; or experts in state, Tribal, territorial, or local government agencies. Requests to provide remarks to the NBSB during the public meeting must be sent to NBSB@hhs.gov by April 21, 2023. In that request, please provide the speaker's name, title, position, and organization, with a brief description of the topic they will address. Requests to speak to the Board will be approved in consultation with the Board Chairperson and based on time available during the meeting.

Dawn O'Connell,

Assistant Secretary for Preparedness and Response.
