Notice of Award of a Single-Source Cooperative Agreement To Fund the Tanzanian Ministry of Health

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS), announces the award of approximately \$5,000,000, for Year 1 funding to the Tanzania Ministry of Health (MOH). The award will strengthen capacity and maximize the efficiency in achieving HIV epidemic control and sustaining the MOH response to the HIV epidemic in the United Republic of Tanzania. Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2023, through September 29, 2028.

FOR FURTHER INFORMATION CONTACT: Gbolahan Cole, Center for Global Health, Centers for Disease Control and Prevention, 2448 Albert Luthuli Rd., NIMR Complex | P.O. Box 9123, Dar es Salaam, Tanzania, Telephone: 012–424–9000, Email: yka7@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source award will support the Tanzanian MOH to ensure a comprehensive, coordinated, and strategic approach to the HIV response by organizing policies and interventions: along the continuum of HIV prevention, identification, treatment, and support; focusing on specific vulnerable populations; supported by reliable epidemiologic and program data.

The MOH is in a unique position to conduct this work, as it is currently the

only appropriate and qualified entity to conduct a specific set of activities supportive of the CDC and PEPFAR goals for enhancing HIV prevention, care, and treatment services.

Summary of the Award

Recipient: Tanzanian Ministry of Health (MOH).

Purpose of the Award: The purpose of this award is to strengthen capacity and maximize the efficiency in achieving HIV epidemic control and sustaining the MOH response to the HIV epidemic in the United Republic of Tanzania.

Solicitation of Nominations for Appointment to the Board of Scientific Counselors, Deputy Director for Infectious Diseases

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), within the Department of Health and Human Services (HHS), is seeking nominations for membership on the Board of Scientific Counselors, Deputy Director for Infectious Diseases (BSC, DDID). The BSC, DDID consists of 17 experts from authorities knowledgeable in the fields relevant to the issues addressed by CDC's infectious disease national centers (*e.g.*, respiratory diseases, healthcare-associated infections, antimicrobial resistance, foodborne diseases, zoonotic and vector-borne diseases, sexually transmitted diseases, preparedness) and related specialties,

including clinical and public health practice (including state and local health departments), laboratory practice, research, diagnostics, microbiology, immunology, molecular biology, bioinformatics, infectious disease modeling and outbreak analytics, health policy/communications, and industry.

DATES: Nominations for membership on the BSC, DDID must be received no later than April 14, 2023. Packages received after this time will not be considered for the current membership cycle.

ADDRESSES: All nominations should be mailed to the Centers for Disease Control and Prevention, BSC, DDID, 1600 Clifton Road NE, Mailstop H16–5, Atlanta, Georgia 30329–4027 or emailed to SWiley@cdc.gov.

FOR FURTHER INFORMATION CONTACT: Sarah Wiley, M.P.H., Senior Advisor, National Center for Emerging and Zoonotic Infectious Diseases, CDC, 1600 Clifton Road NE, Mailstop H16–5, Atlanta, Georgia 30329–4027. Telephone: (404) 639–4840; Email: SWiley@cdc.gov.

SUPPLEMENTARY INFORMATION:

Nominations are sought for individuals who have the expertise and qualifications necessary to contribute to the accomplishment of the objectives of the BSC, DDID. Nominees will be selected based on expertise in the fields of infectious diseases and related specialties, including those listed above. Federal employees will not be considered for membership. Members may be invited to serve for up to four-year terms. Selection of members is based on candidates' qualifications to contribute to the accomplishment of BSC, DDID objectives (<https://www.cdc.gov/ddid/bsc.html>).

HHS policy stipulates that committee membership be balanced in terms of points of view represented and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic status. Nominees must be U.S. citizens and cannot be full-time employees of the U.S. Government. Current participation on Federal workgroups or prior experience serving on a Federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid excessive individual service on advisory committees and multiple committee memberships. Committee members are Special Government Employees, requiring the filing of financial disclosure reports at the beginning of and annually during their terms. CDC reviews potential candidates
