

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

### Administrative Protective Order

This notice also serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

### Notification to Interested Parties

We are issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(5).

### SUPPLEMENTARY INFORMATION:

#### Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this countervailing duty (CVD) investigation on November 8, 2022.<sup>1</sup> On December 28, 2022, Commerce postponed the preliminary determination of this investigation until March 13, 2023.<sup>2</sup> For a complete description of events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.<sup>3</sup> A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Scope of the Investigation

The product covered by this investigation is paper file folders from India. For a complete description of the scope of the investigation, see Appendix I.

*Notice* set aside a period of time for parties to raise issues regarding product coverage, (*i.e.*, scope).<sup>5</sup> We received comments concerning the scope of the antidumping duty (AD) and CVD investigations of paper file folders as it appeared in the *Initiation Notice*. We are currently evaluating the scope comments filed by the interested parties. We intend to issue our preliminary decision regarding the scope of the AD and CVD investigations in the preliminary determinations of the companion AD investigations, the deadline for which is May 10, 2023.<sup>6</sup> We will incorporate the scope decisions from the AD investigations into the scope of the final CVD determination for this investigation after considering any relevant comments submitted in scope case and rebuttal briefs.<sup>7</sup>

#### Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found to be countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>8</sup>

Commerce notes that, in making these findings, it relied, in part, on facts available and, because it finds that one respondent, and also (in certain instances) the Government of India, did not act to the best of their ability to respond to Commerce's requests for information. Consequently, Commerce has drawn an adverse inference where appropriate in selecting from among the facts otherwise available.<sup>9</sup> For further information, see the "Use of Facts Otherwise Available and Adverse Inferences" section in the Preliminary Decision Memorandum.

#### Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), Commerce is aligning the final CVD determination in this investigation with the final

#### All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that in the preliminary determination, Commerce shall determine an estimated all-others rate for companies not individually examined. Pursuant to section 705(c)(5)(A)(i) of the Act, this rate shall normally be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and *de minimis* rates and any rates based entirely under section 776 of the Act.

In this investigation, the only individually calculated rate that is not zero, *de minimis* or based entirely on facts otherwise available is the rate calculated for Navneet Education Limited (Navneet).<sup>11</sup> Consequently, the rate calculated for Navneet is also assigned as the rate for all other producers and exporters not individually examined in this investigation.

#### Preliminary Determination

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:

Company	Subsidy rate (percent <i>ad valorem</i> )
Navneet Education Limited ..	3.65
Lotus Global Pvt. Ltd .....	<sup>12</sup> 59.26
All Others .....	3.65

#### Suspension of Liquidation

<sup>10</sup> The petitioner is Coalition of Domestic Folder Manufacturers. See Petitioner's Letter, "Request to Align Countervailing Duty Investigation Final Determination with Antidumping Duty Investigation Final Determination," dated February 24, 2023.

<sup>11</sup> Commerce has assigned a rate to the non-responsive company (*i.e.*, Lotus Global Pvt. Ltd.) based entirely on facts available, using adverse inferences, under section 776 of the Act.

Further, pursuant to 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the rates indicated above.

#### Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of its public announcement, in accordance with 19 CFR 351.244(b).

#### Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

#### Public Comment

A timeline for the submission of case briefs and written comments will be notified to interested parties at a later date. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline for case briefs.<sup>13</sup> Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>14</sup> Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and

location of the hearing two days before the scheduled date.

#### International Trade Commission Notification

In accordance with section 703(f) of the Act, Commerce will notify the U.S. International Trade Commission (ITC) of its determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether imports of paper file folders from India are materially injuring, or threaten material injury to, the U.S. industry.

#### Notification to Interested Parties

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act, and 19 CFR 351.205(c).

**SUPPLEMENTARY INFORMATION:** In 2021, the White House identified a priority goal to reduce military and veteran suicide by advancing evidence-based approaches to improve Lethal Means Safety (LMS). This priority goal focuses on increasing time and space between a person in crisis and their access to lethal means, including firearms, medications, ligature points, and other lethal objects. No systematic evidence currently exists on how to best integrate effective education about lethal means safety into early military career training settings to ensure maximum receptiveness and subsequent adoption of safe storage practices. This project directly addresses DoDI 6400.09, DoD

Policy on Integrated Primary Prevention of Self-Directed Harm and Prohibited Abuse or Harm (2020), which outlines a plan for a holistic prevention system that includes data-driven strategies. The purpose of the study is to conduct a needs assessment to determine the optimal approach for encouraging greater adoption of LMS within the military culture. The goal is to encourage Service members to store firearms securely, in a way that avoids misuse, accidents, self-inflicted injuries, and suicide. Focus groups will be conducted to help collect information that allows the DoD to understand when, where, and how Service members are introduced to principles of lethal means safety, particularly around safe handling of firearms, and to identify potential opportunities to capitalize on existing training and safety practices to enhance adoption of safe storage practices. This study is being conducted by Peraton, a DoD contractor, and is being sponsored by the Defense Suicide Prevention Office, in partnership with the Defense Personnel Assessment Center. Peraton will conduct up to 34 focus groups or key informant interviews, with up to 340 Service members and civilian support personnel, across all Services. The study findings will help inform DoD and the Service level plans to encourage greater adoption of lethal means safety practices among Service members by seamlessly inculcating education about the importance of lethal means safety within early military career training. Introducing these concepts early in Service members’ careers aims to enhance receptiveness and adoption of lethal means safety practices that can contribute to reduced injuries and deaths including suicides, accidents, unauthorized use, and domestic violence.
