

and then published the proposed waiver in the **Federal Register**. A total of 16 comments were received in response to the proposed waiver and implementation plan. HUD thoroughly reviewed and considered each of the comments in determining to move forward with the issuance of this waiver and implementation plan as published in this Final Notice. Several commenters were supportive of the orderly implementation of the BAP but requested further time and guidance prior to proceeding with such implementation. A few commenters again expressed support for a waiver of broader scope that could potentially exclude all affordable single and multifamily housing programs from the requirements of BABA. Additional commenters requested further delays in the implementation schedule, citing resource constraints and cost uncertainties in support of further delays in implementation. Other commenters expressed concern that the agency is not moving forward with the full implementation of the BAP across all programs immediately.

HUD appreciates the comments from both perspectives, but given the totality of the comments, believes its implementation schedule and corresponding waiver of the application of the BAP as set forth in this Final Notice is appropriate and in the public interest.²

HUD has expressed its desire to move forward with the full implementation of the BAP across its FFA programs, but believes that the public interest is served best by a measured approach to implementation of the Act, allowing for the appropriate balancing of the intent of the Act with the public interest in the continued efficiency and success of infrastructure projects funded through HUD's affordable housing and community development programs. HUD therefore declines to alter the proposed phased implementation plan and corresponding waiver at this time, but is taking this opportunity to clarify that the application of the BAP for iron and steel will apply to new awards of FFA in connection with Choice Neighborhood grants and will not retroactively convert ongoing projects to required compliance with the BAP merely because additional supplemental funding awards have been made to

² HUD has and will continue to provide training sessions with grantees to increase grantees' knowledge about Build America, Buy America and the Buy America Preference requirements as they relate to HUD programs and HUD FFA used by Non-Federal entities to purchase iron and steel, construction materials, and manufactured products to be used infrastructure projects.

facilitate orderly completion of those ongoing projects. HUD will continue to monitor the implementation of the BAP across its programs to ensure the most robust application possible in light of the important public interests discussed above.

Several proponents of the waiver requested that HUD provide further guidance regarding the implementation of the BAP and HUD commits to developing robust guidance regarding the implementation of the BAP across its programs. HUD further recognizes that proposed guidance³ has been issued by the Office of Management and Budget (OMB) concerning the implementation of BABA across FFA programs and will continue to monitor the outcome of the proposed effort to update OMB's guidance in connection with the development of its own guidance for grantees and funding recipients. HUD remains committed to reviewing its plans to provide for the effective and efficient implementation of the Act across its programs and providing timely and appropriate guidance but believes that further extension of its waiver of application of the BAP beyond the implementation points provided in this Final Notice is not necessary at this time.

VI. Impact of This Waiver on Other FFA

HUD will not require compliance with the BAP in connection with the use of any HUD FFA obligated by HUD before November 14, 2022, or during the pendency of any other applicable BABA waiver issued by HUD, including this waiver, as applicable, after it is finalized. However, where the BAP or other "Buy American" requirements are made applicable to a project of a grantee or funding recipient by another Federal agency, those requirements are not waived by this waiver, nor is the grantee or funding recipient exempt from the application of those requirements in accordance with the requirements of the Federal agency providing such FFA.

VII. Assessment of Cost Advantage of a Foreign-Sourced Product

Under OMB Memorandum M-22-11, "Memorandum for Heads of Executive Departments and Agencies," published on April 18, 2022, agencies are expected to assess "whether a significant portion of any cost advantage of a foreign-sourced product is the result of the use of dumped steel, iron, or manufactured products or the use of injuriously subsidized steel, iron, or manufactured products" as appropriate before granting

a public interest waiver. HUD's analysis has concluded that this assessment is not applicable to this waiver, as this waiver is not based in the cost of foreign-sourced products. HUD will perform additional market research during the waiver period to better understand the market and to limit the use of waivers caused by dumping of foreign-sourced products.

Secretary.

SUPPLEMENTARY INFORMATION: HUD PIH maintains the IMS/PIC System. IMS/PIC serves as a national repository of information related to Public Housing Authorities (PHAs), HUD-assisted families, and HUD-assisted properties, to provide rental assistance, information sharing, monitoring, and evaluating the effectiveness of PIH programs and subsidies. HUD is publishing this revised notice to add two new routine uses to the Routine Uses section to the SORN published in the **Federal Register** on March 25, 2019, at 84 FR 11117. The two new additions to the Routine Uses section allow for sharing of data with Universal Service Administrative Company (USAC)/Federal Communications Commission (FCC) to establish eligibility for benefits administered by USAC for families which also participate in a HUD rental assistance program, and to any Federal, State, or local agency to verify the accuracy and completeness of the eligibility data for HUD rental assistance program. The changes also include an update to the name of the system manager from Donald J. Lavoy to Ashley Sheriff.

BILLING CODE P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[BLM_NV_FRN_MO500167446]

Notice of Segregation of Public Land for the Mosey Solar Project, Clark and Nye Counties, Nevada

AGENCY: Bureau of Land Management, Department of Interior.

ACTION: Notice.

SUMMARY: Through this notice the Bureau of Land Management (BLM) is segregating public lands included in the right-of-way application for the Mosey Solar Project from appropriation under the public land laws, including the Mining Law, but not the Mineral Leasing or Material Sales Acts, for a period of 2 years from the date of publication of this notice, subject to valid existing rights. This segregation is to allow for the orderly administration of the public lands to facilitate consideration of development of renewable energy resources. The public lands segregated by this notice total 5,281.41 acres.

DATES: This segregation for the lands identified in this notice is effective on March 21, 2023.

FOR FURTHER INFORMATION CONTACT: For further information and/or to have your name added to the mailing list, send requests to: Jessica Headen, Southern Nevada District Energy & Infrastructure Team, at telephone 702–515–5206; address 4701 North Torrey Pines Drive, Las Vegas, NV 89130–2301; or email BLM_NV_SND_EnergyProjects@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: Regulations found at 43 CFR 2091.3–1(e) and 2804.25(f) allow the BLM to temporarily segregate public lands within a right-of-way application area for solar energy development from the operation of the public land laws, including the Mining Law, by publication of a **Federal Register** notice. The BLM uses this temporary segregation authority to preserve its ability to approve, approve with modifications, or deny proposed rights-of-way, and to facilitate the orderly administration of the public lands. This temporary segregation is subject to valid
