EQUAL EMPLOYMENT OPPORTUNITY COMMISSION

29 CFR Part 1635

RIN 3046-AB02

Regulations Under the Genetic Information Nondiscrimination Act of 2008; Correction

AGENCY: Equal Employment Opportunity Commission.

ACTION: Correcting amendment.

SUMMARY: The Equal Employment Opportunity Commission (“EEOC” or “Commission”) is hereby making a technical amendment to the regulations implementing Title II of the Genetic Information Nondiscrimination Act of 2008 (“GINA”). Currently, the authority citation includes a typographical error. This final action will make the authority citation accurate. The amendment is administrative in nature and does not make any substantive changes to the regulations governing GINA.

DATES: This correction is effective March 22, 2023.

FOR FURTHER INFORMATION CONTACT: Kerry Leibig, Senior Attorney Advisor, at 202-921-2663 or kerry.leibig@eoc.gov.

SUPPLEMENTARY INFORMATION: Title II of GINA was enacted to protect job applicants, current and former employees, labor union members, and apprentices and trainees from discrimination based on their genetic information. The regulations implementing the law were first published in the **Federal Register** on November 9, 2009 (75 FR 68912). The regulations were amended by a final rule published in the **Federal Register** on May 17, 2016 (81 FR 31143) and then partially rescinded in a final rule published in the **Federal Register** on December 20, 2018 (83 FR 65296). When the May 2016 final rule was published, a typographical error was introduced into the citation to the statutory

authority for the rule. The authority citation currently provided lists 29 U.S.C. 2000ff as the statutory authority for the regulations, instead of 42 U.S.C. 2000ff. This technical amendment corrects that error.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest. The developments and planning for official patrol of the security zone prevented sufficient the Coast Guard from taking action sooner, therefore the Coast Guard lacks sufficient time to provide for a comment period and then consider those comments before issuing the rule, since this rule is needed by April 1, 2023. It would be contrary to the public interest to delay promulgating this rule, as it is necessary to protect the safety and security of participants while on the Arthur Ravenel Jr. Bridge.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of
