

Evaluation Framework which includes specifications that help ensure continued adherence by certification bodies to third-party accreditation requirements and consistency across credentialing program requirements. The specifications addressing credentialing program requirements will help assure that radon service providers are equipped with knowledge, skills and competencies necessary to maintain credentials issued by certification bodies and state-run programs. This element also includes a specification for credentialing organizations to verify the use of approved devices and maintenance of a Quality Assurance Plan in accordance with the most current American National Standards.

7. How frequently should providers be required to verify use of approved testing devices (when applicable) and maintenance of a Quality Assurance Plan?

Key Questions 8–15. These questions address the Implementation Approach which outlines the EPA's planned activities to facilitate adoption of the Evaluation Framework and outlines elements for three time periods (while the Evaluation Framework is being finalized, once the Evaluation Framework is finalized and during the 3-year phase-in period, after the 3-year phase-in period):

- *Annual Attestation Process:*

Develop and maintain a process by which credentialing organizations (certification bodies and state-run programs) can annually attest they meet the Evaluation Framework specifications.

- *Public List:* Maintain a public list of credentialing organizations and accreditation bodies that meet the Evaluation Framework (see TSCA § 305(a)).

- Conditions for the EPA's SIRG Program.

8. Do you have any general feedback on the Implementation Approach?

9. Will a 3-year phase-in period will be sufficient for certification bodies to prepare for and achieve third-party accreditation and meet the Evaluation Framework and for state-run programs to meet the Evaluation Framework?

10. Do you have feedback on the size and impact of the costs associated with third-party accreditation to ISO/IEC 17024:2012?

11. Do you have feedback regarding the proposed annual attestation process?

12. What reporting mechanisms should the EPA consider for state-run programs to provide annual progress updates and attestations once the Evaluation Framework has been met?

13. Do you have feedback regarding the proposal for the EPA to maintain a public list?

14. Should the EPA identify on its website the credentialing organizations that have declared their intent, but do not yet meet, the Evaluation Framework? In this case credentialing organizations that do not meet all the requirements at the end of the 3-year phase-in period would be removed from the website until such time as they can demonstrate their ability to meet all the requirements of the Evaluation Framework.

15. Do you have feedback regarding the proposal to establish conditions for the SIRG program?

Jonathan D. Edwards,

Director, Office of Radiation and Indoor Air.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-10801-01-OA]

Notification of Public Meetings of the Clean Air Scientific Advisory Committee Lead Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces two public meetings of the Clean Air Scientific Advisory Committee (CASAC) Lead Panel. A public meeting will be held for the CASAC Lead Panel to receive a briefing from EPA on the *Integrated Science Assessment (ISA) for the National Ambient Air Quality Standards for Lead (External Review Draft)*. A second public meeting will be held for the panel to peer review the ISA and to provide a consultation on the *Integrated Review Plan (IRP) for Review of the National Ambient Air Quality Standards for Lead, Volume 3: Planning for Quantitative Exposure/Risk Analyses (External Review Draft)*.

DATES: The briefing from EPA on the Lead ISA will be held on April 11, 2023, from 11:00 a.m. to 3:00 p.m. The public meeting for the panel to peer review the Lead ISA and provide a consultation on the Lead IRP Volume 3 will be held on Tuesday, June 13, 2023, from 8:00 a.m. to 5:00 p.m. and Wednesday, June 14, 2023, from 8:00 a.m. to 5:00 p.m. All times listed are in Eastern Time.

ADDRESSES: The briefing on April 11, 2023, will be conducted virtually. Please refer to the CASAC website at <https://casac.epa.gov> for information on

how to attend the briefing. The public meeting on June 13, 2023, and June 14, 2023, will be conducted in person (at a location to be determined) and virtually. Please refer to the meeting web page on the CASAC website at <https://casac.epa.gov> for the location and details on how to access the meeting.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information regarding this notice may contact Mr. Aaron Yeow, Designated Federal Officer (DFO), SAB Staff Office, by telephone at (202) 564-2050 or via email at yeow.aaron@epa.gov. General information concerning the CASAC, as well as any updates concerning the meetings announced in this notice can be found on the CASAC website: <https://casac.epa.gov>.

SUPPLEMENTARY INFORMATION:

Background: The CASAC was established pursuant to the Clean Air Act (CAA) Amendments of 1977, codified at 42 U.S.C. 7409(d)(2), to review air quality criteria and NAAQS and recommend to the EPA Administrator any new NAAQS and revisions of existing criteria and NAAQS as may be appropriate. The CASAC shall also: advise the EPA Administrator of areas in which additional knowledge is required to appraise the adequacy and basis of existing, new, or revised NAAQS; describe the research efforts necessary to provide the required information; advise the EPA Administrator on the relative contribution to air pollution concentrations of natural as well as anthropogenic activity; and advise the EPA Administrator of any adverse public health, welfare, social, economic, or energy effects which may result from various strategies for attainment and maintenance of such NAAQS. As amended, 5 U.S.C., App. Section 109(d)(1) of the Clean Air Act (CAA) requires that EPA carry out a periodic review and revision, as appropriate, of the air quality criteria and the NAAQS for the six "criteria" air pollutants, including lead.

The CASAC is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2, and conducts business in accordance with FACA and related regulations. The CASAC and the CASAC Lead Panel will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies. Pursuant to FACA and EPA policy, notice is hereby given that the CASAC Lead Panel will hold a public meeting to receive a briefing from EPA on the Lead ISA and a public meeting for the panel to peer review the Lead

ISA and to provide a consultation on the Lead IRP Volume 3.

Technical Contacts: Any technical questions concerning the Lead ISA should be directed to Dr. Evan Coffman (coffman.evan@epa.gov). Any technical questions concerning the Lead IRP Volume 3 should be directed to Dr. Deirdre Murphy (murphy.deirdre@epa.gov).

Availability of Meeting Materials: Prior to the meeting, the review documents, agenda and other materials will be accessible on the CASAC website: <https://casac.epa.gov>.

Procedures for Providing Public Input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Members of the public can submit relevant comments on the topic of this advisory activity, including the charge to the CASAC and the EPA review documents, and/or the group conducting the activity, for the CASAC to consider as it develops advice for EPA. Input from the public to the CASAC will have the most impact if it provides specific scientific or technical information or analysis for CASAC to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comment should follow the instructions below to submit comments.

Oral Statements: Individuals or groups requesting an oral presentation during the public meeting will be limited to five minutes. Each person making an oral statement should consider providing written comments as well as their oral statement so that the points presented orally can be expanded upon in writing. The public comment period will be on June 13, 2023. Interested parties should contact Mr. Aaron Yeow, DFO, in writing (preferably via email) at the contact information noted above by June 6, 2023, to be placed on the list of public speakers.

Written Statements: Written statements will be accepted throughout the advisory process; however, for timely consideration by CASAC members, statements should be supplied to the DFO (preferably via email) at the contact information noted above by June 6, 2023. It is the SAB Staff Office general policy to post

written comments on the web page for the advisory meeting or teleconference. Submitters are requested to provide an unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its websites. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the CASAC website. Copyrighted material will not be posted without explicit permission of the copyright holder.

Accessibility: For information on access or services for individuals with disabilities, please contact Mr. Aaron Yeow at (202) 564-2050 or yeow.aaron@epa.gov. To request accommodation of a disability, please contact the DFO, at the contact information noted above, preferably at least ten days prior to each meeting, to give EPA as much time as possible to process your request.

V. Khanna Johnston,

Deputy Director, Science Advisory Board Staff Office.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[FRL-10616-01-OMS]

Privacy Act of 1974; System of Records

AGENCY: Office of Mission Support (OMS), Environmental Protection Agency (EPA).

ACTION: Notice of a modified system of records.

SUMMARY: The U.S. Environmental Protection Agency's (EPA) Office of Mission Support (OMS) is giving notice that it proposes to modify a system of records pursuant to the provisions of the Privacy Act of 1974. The Office of Administrative Services Information System (OASIS) is being modified to update safeguard infrastructure and security measures, and add Routine Uses.

DATES: Persons wishing to comment on this system of records notice must do so by April 21, 2023. New routine uses for this modified system of records will be effective April 21, 2023.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OEI-2006-0633, by one of the following methods:

Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the online instructions for submitting comments.

Email: docket_oms@epa.gov. Include the Docket ID number in the subject line of the message.

Fax: (202) 566-1752.

Mail: OMS Docket, Environmental Protection Agency, Mail Code: 2822T, 1200 Pennsylvania Ave. NW, Washington, DC 20460.

Hand Delivery: OMS Docket, EPA/DC, WJC West Building, Room 3334, 1301 Constitution Ave. NW, Washington, DC 20460. Such deliveries are only accepted during the Docket's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA-HQ-OEI-2006-0633. The EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <https://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Controlled Unclassified Information (CUI) or other information for which disclosure is restricted by statute. Do not submit information that you consider to be CUI or otherwise protected through <https://www.regulations.gov>. The <https://www.regulations.gov> website is an "anonymous access" system for the EPA, which means the EPA will not know your identity or contact information. If you submit an electronic comment, the EPA recommends that you include your name and other contact information in the body of your comment. If the EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, the EPA may not be able to consider your comment. If you send an email comment directly to the EPA without going through <https://www.regulations.gov>, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about the EPA public docket, visit the EPA Docket Center homepage at <https://www.epa.gov/dockets>.

Docket: All documents in the docket are listed in the <https://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CUI or other information for which disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket
