

rules-and-regulations/public-comments/1210-ZA07.

The Department understands that at least one interested party may have additional information to provide the Department that was not submitted by the comment deadline of January 6, 2023. Therefore, the Department is reopening the comment period to provide an opportunity for all interested parties to submit additional information. The Department encourages interested parties to submit comments on the proposed amendment before the additional reopened comment period closes on April 6, 2023. All written comments should be identified by Z-RIN 1210 ZA07 and sent to the Office of Exemption Determinations through the Federal eRulemaking Portal: <https://www.regulations.gov> at Docket ID number: EBSA-2022-0008. Please follow the instructions for submitting comments.

All comments on the proposed amendment and requests to testify at the hearing are available to the public without charge online at <https://www.regulations.gov> at Docket ID number: EBSA-2022-0008 and <https://www.dol.gov/agencies/ebsa/laws-and-regulations/rules-and-regulations/public-comments/1210-ZA07>. They also are available for public inspection in EBSA's Public Disclosure Room, U.S. Department of Labor, Room N-1513, 200 Constitution Avenue NW, Washington, DC 20210.

Signed at Washington, DC, this 13th day of March, 2023.

Lisa M. Gomez,

Assistant Secretary, Employee Benefits Security Administration, U.S. Department of Labor.

BILLING CODE 4510-29-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket Number USCG-2023-0168]

RIN 1625-AA08

Special Local Regulation; Bush River and Otter Point Creek; Between Perryman, MD and Edgewood, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing to establish a temporary special local regulation for certain waters of the Bush River and Otter Point Creek, in

Maryland. This action is necessary to provide for the safety of life on these navigable waters located at Edgewood, MD, during a high-speed power boat race on May 13, 2023 and May 14, 2023. This proposed rulemaking would prohibit persons and vessels (other than those already at berth at the time the regulation takes effect) from being in the regulated area unless authorized by the Captain of the Port, Sector Maryland-National Capital Region (COTP), or a designated representative. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before April 24, 2023.

ADDRESSES: You may submit comments identified by docket number USCG-2023-0168 using the Federal Decision Making Portal at <https://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email MST2 Courtney Perry, Sector Maryland-NCR, Waterways Management Division, U.S. Coast Guard: telephone 410-576-2596, email MDNCRWaterways@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background, Purpose, and Legal Basis

On November 11, 2022, the Kent Narrows Racing Association (KNRA) notified the Coast Guard that it will be conducting the Harford County Spring Nationals Inboard Hydroplane Race on May 13, 2023 and May 14, 2023 from 9 a.m. to 7 p.m. both days. The high-speed power boat racing event consists of approximately 60 participating racing boats—including composite and wood hull inboard hydroplanes—12 to 28 feet in length. The vessels will compete along a marked, approximately 1-mile long course located on the Bush River and Otter Point Creek, at Flying Point Park, between Perryman, MD and Edgewood, MD. Hazards from the power boat racing event include the risks of injury or death resulting from near or actual contact among participant vessels

and waterway users if normal vessel traffic were to interfere with the event. The COTP, (Commander of the Coast Guard Sector Maryland-National Capital Region) has determined that potential hazards associated with the power boat races would be a safety concern for anyone intending to participate in this event and for vessels that operate within the specified waters of the Bush River and Otter Point Creek.

The purpose of this rulemaking is to protect event participants, non-participants, and transiting vessels before, during, and after the scheduled event. The Coast Guard is proposing this rulemaking under authority in 46 U.S.C. 70041.

III. Discussion of Proposed Rule

The COTP is proposing to establish a special local regulations from 9 a.m. on May 13, 2023, through 7 p.m. on May 14, 2023. The regulations would be enforced from 9 a.m. to 7 p.m. on May 13, 2023 and from 9 a.m. to 7 p.m. on May 14, 2023. The regulated area would cover all navigable waters of the Bush River and Otter Point Creek, shoreline to shoreline, bounded to the north by a line drawn from the western shoreline of the Bush River at latitude 39°21'15" N, longitude 076°14'39" W and thence eastward to the eastern shoreline of the Bush River at latitude 39°27'03" N, longitude 076°13'57" W, and bounded to the south by the Amtrak Railroad Bridge, across the Bush River at mile 6.8, between Perryman, MD and Edgewood, MD. These boundaries are based on a detailed course map for the event which the Coast Guard received from the sponsor on March 7, 2023.

This proposed rule provides additional information about zones within the regulated area, their definitions, and the restrictions that would apply to mariners. These zones include "Race Area," "Buffer Zone," and "Spectator Area."

The proposed duration of the special local regulation and size of the regulated area are intended to ensure the safety of life on these navigable waters before, during, and after the high-speed power boat racing event, which is scheduled to take place from 10 a.m. to 6 p.m. on May 13, 2023, and from 10 a.m. to 6 p.m. on May 14, 2023. The COTP, and the Coast Guard Event Patrol Commander (or "Event PATCOM," a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been so designated by the COTP) would have authority to forbid and control the movement of all vessels and persons, including event participants, in the regulated area. When hailed or signaled by an official patrol, a vessel or person

in the regulated area would be required to immediately comply with the directions given by the COTP or Event PATCOM. If a person or vessel fails to follow such directions, the Coast Guard may expel them from the area, issue them a citation for failure to comply, or both.

Except for Harford County Spring Nationals participants and vessels already at berth, a vessel or person would be required to get permission from the COTP or Event PATCOM before entering the regulated area. Vessel operators would be able to request permission to enter and transit through the regulated area by contacting the Event PATCOM on VHF-FM channel 16. Vessel traffic would be able to safely transit the regulated area once the Event PATCOM deems it safe to do so. A vessel within the regulated area must operate at a safe speed that minimizes wake. A person or vessel not registered with the event sponsor as a participant or assigned as official patrols would be considered a spectator. Official Patrols are any vessel assigned or approved by the COTP with a commissioned, warrant, or petty officer onboard and displaying a Coast Guard ensign. Official Patrols enforcing this regulated area can be contacted on VHF-FM channel 16 and channel 22A.

If permission is granted by the COTP or Event PATCOM, a person or vessel would be allowed to enter the regulated area or pass directly through the regulated area as instructed. Vessels would be required to operate at a safe speed, one that minimizes wake while within the regulated area in a manner and that would not endanger event participants or any other craft. A spectator vessel must not loiter within the navigable channel while present within the regulated area. Only participant vessels and official patrol vessels would be allowed to enter the race area. The Coast Guard would publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event dates and times. The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size and duration of the regulated area, which would impact a small designated area of the Bush River for a total of 20 enforcement hours. Although this regulated area extends across a large portion of the waterway, the rule would allow vessels and persons to seek permission to enter the regulated area, and vessel traffic able to do so safely would be able to transit the regulated area as instructed by the Event PATCOM. Such vessels must operate at a safe speed that minimized wake and not loiter within the navigable channel while within the regulated area. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the status of the regulated area.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the regulated area may be small entities, for the reasons stated in IV. A above, this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement

Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the proposed rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132 (Federalism), if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175 (Consultation and Coordination with Indian Tribal Governments) because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the potential effects of this proposed rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves implementation of regulations within 33 CFR part 100 applicable to organized marine events on the navigable waters of the United States that could negatively impact the safety of waterway users and shore side activities in the event area for 20 total enforcement hours. Normally such actions are categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

Submitting comments. We encourage you to submit comments through the Federal Decision Making Portal at <https://www.regulations.gov>. To do so, go to <https://www.regulations.gov>, type USCG-2023–0168 in the search box and click “Search.” Next, look for this document in the Search Results column, and click on it. Then click on the Comment option. If you cannot submit your material by using <https://>

www.regulations.gov, call or email the person in the **FOR FURTHER INFORMATION CONTACT** section of this proposed rule for alternate instructions.

Viewing material in docket. To view documents mentioned in this proposed rule as being available in the docket, find the docket as described in the previous paragraph, and then select “Supporting & Related Material” in the Document Type column. Public comments will also be placed in our online docket and can be viewed by following instructions on the <https://www.regulations.gov> Frequently Asked Questions web page. We review all comments received, but we will only post comments that address the topic of the proposed rule. We may choose not to post off-topic, inappropriate, or duplicate comments that we receive.

Personal information. We accept anonymous comments. Comments we post to <https://www.regulations.gov> will include any personal information you have provided. For more about privacy and submissions to the docket in response to this document, see DHS’s eRulemaking System of Records notice (85 FR 14226, March 11, 2020).

List of Subjects in 33 CFR Part 100

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard is proposing to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

- 1. The authority citation for part 100 continues to read as follows:

Authority: 46 U.S.C. 70041; 33 CFR 1.05–1.

- 2. Add § 100.T05–0168 to read as follows:

§ 100.T05–0168 **Special Local Regulation; Bush River and Otter Point Creek; Between Perryman, MD and Edgewood, MD.**

(a) *Location.* All coordinates are based on datum NAD 1983.

(1) *Regulated area.* All navigable waters of Bush River and Otter Point Creek, from shoreline to shoreline, bounded to the north by a line drawn from the western shoreline of the Bush River at latitude 39°27′15″ N, longitude 076°14′39″ W and thence eastward to the eastern shoreline of the Bush River at latitude 39°27′03″ N, longitude 076°13′57″ W; and bounded to the south by the Amtrak Railroad Bridge, across the Bush River at mile 6.8, between Perryman, MD and Edgewood, MD. The following locations are within the

regulated area: The regulations in this section apply to the following area:

(2) *Race Area.* The area is bounded by a line commencing at position latitude 39°26′39.48″ N, longitude 076°15′23.44″ W, to latitude 39°26′36.52″ N, longitude 076°15′13.33″ W, to latitude 39°26′36.94″ N, longitude 076°15′10.01″ W, to latitude 39°26′38.59″ N, longitude 076°15′07.41″ W, to latitude 39°26′41.03″ N, longitude 076°15′06.22″ W, to latitude 39°26′43.61″ N, longitude 076°15′06.76″ W, to latitude 39°26′45.63″ N, longitude 076°15′08.89″ W, to latitude 39°26′47.93″ N, longitude 076°15′16.76″ W, to latitude 39°26′50.24″ N, longitude 076°15′24.63″ W, to latitude 39°26′49.81″ N, longitude 076°15′27.95″ W, to latitude 39°26′48.16″ N, longitude 076°15′30.56″ W, to latitude 39°26′45.72″ N, longitude 076°15′31.75″ W, to latitude 39°26′43.15″ N, longitude 076°15′31.20″ W, to latitude 39°26′41.13″ N, longitude 076°15′29.07″ W thence back to the beginning point.

(3) *Buffer Zone.* The buffer zone surrounds the entire race area and is bounded by a line commencing at position latitude 39°26′39.60″ N, longitude 076°15′30.00″ W, to latitude 39°26′37.80″ N, longitude 076°15′24.00″ W, to latitude 39°26′34″ N, longitude 076°15′14.40″ W, to latitude 39°26′34.80″ N, longitude 076°15′09.00″ W, to latitude 39°26′37.20″ N, longitude 076°15′05.40″ W, to latitude 39°26′40.80″ N, longitude 076°15′03.60″ W, to latitude 39°26′44.40″ N, longitude 076°15′04.20″ W, to latitude 39°26′46.80″ N, longitude 076°15′07.20″ W, to latitude 39°26′49.80″ N, longitude 076°15′15.60″ W, to latitude 39°26′52.20″ N, longitude 076°15′25.20″ W, to latitude 39°26′51.60″ N, longitude 076°15′28.80″ W, to latitude 39°26′49.20″ N, longitude 076°15′32.40″ W, to latitude 39°26′45.60″ N, longitude 076°15′34.20″ W, to latitude 39°26′42.60″ N, longitude 076°15′33.60″ W thence back to the beginning point.

(4) *Spectator Area.* The spectator area is designated as the all waters immediately surrounding the buffer zone up to a distance of 500 feet immediately surrounding the buffer zone.

(b) *Definitions.* As used in this section—

Buffer Zone is a neutral area that surrounds the perimeter of the race area within the regulated area described by this section. The purpose of a buffer area is to minimize potential collision conflicts with marine event participants or high-speed power boats and nearby transiting vessels. This area provides separation between a race area and other

vessels that are operating in the vicinity of the regulated area established by the special local regulations in this section.

Designated representative means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Maryland-National Capital Region (COTP) in the enforcement of the regulations in this section.

Event Patrol Commander or Event PATCOM means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been so designated by the Commander, Coast Guard Sector Maryland-National Capital Region.

Official patrol means any vessel assigned or approved by Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

Participant means all persons and vessels registered with the event sponsor as a participant in the race.

Race area is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a race area within the regulated area defined by this section.

Spectator means a person or vessel not registered with the event sponsor as a participant or assigned as official patrols.

(c) *Regulations.* (1) The COTP Maryland-National Capital Region or Event PATCOM may forbid and control the movement of all vessels and persons, including event participants, in the regulated area described in paragraph (a)(1) of this section. When hailed or signaled by an official patrol, a vessel or person in the regulated area shall immediately comply with the directions given by the patrol. Failure to do so may result in the Coast Guard expelling the person or vessel from the area, issuing a citation for failure to comply, or both. The COTP Maryland-National Capital Region or Event PATCOM may terminate the event, or a participant's operations at any time the COTP Maryland-National Capital Region or Event PATCOM believes it necessary to do so for the protection of life or property.

(2) Except for participants and vessels already at berth, a person or vessel within the regulated area at the start of enforcement of this section must immediately depart the regulated area.

(3) A spectator must contact the Event PATCOM to request permission to either enter or pass through the regulated area. The Event PATCOM, and official patrol vessels enforcing this

regulated area, can be contacted on marine band radio VHF-FM channel 16 (156.8 MHz) and channel 22A (157.1 MHz). If permission is granted, the spectator must pass directly through the regulated area as instructed by Event PATCOM. A vessel within the regulated area must operate at safe speed that minimizes wake. A spectator vessel must not loiter within the navigable channel while within the regulated area.

(4) Only participant vessels and official patrol vessels are allowed to enter and remain within the race area.

(5) Only participant vessels and official patrol vessels are allowed to enter and transit directly through the buffer area in order to arrive at or depart from the race area.

(6) A person or vessel that desires to transit, moor, or anchor within the regulated area must obtain authorization from the COTP Maryland-National Capital Region or Event PATCOM. A person or vessel seeking such permission can contact the COTP Maryland-National Capital Region at telephone number 410-576-2693 or on Marine Band Radio, VHF-FM channel 16 (156.8 MHz) or the Event PATCOM on Marine Band Radio, VHF-FM channel 16 (156.8 MHz).

(7) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event dates and times.

(d) *Enforcement officials.* The Coast Guard may be assisted with marine event patrol and enforcement of the regulated area by other federal, state, and local agencies.

(e) *Enforcement period.* This section will be enforced from 9 a.m. to 7 p.m. on May 13, 2023 and from 9 a.m. to 7 p.m. on May 14, 2023.

Dated: March 17, 2023.

David E. O'Connell,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

[Docket Number USCG-2023-0001]

RIN 1625-AA08 and 1625-AA00

Special Local Regulations and Safety Zones; Recurring Marine Events, Fireworks Displays, and Swim Events Held in the Coast Guard Sector Long Island Sound Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing to amend the special local regulations and annual recurring marine events requiring safety zones for fireworks displays and swim events along the Coast Guard Sector Long Island Sound Captain of the Port Zone. When enforced, these special local regulations and safety zones restrict vessels from transiting regulated areas during certain annually recurring events. The proposed amendments to the special local regulations and safety zones are intended to expedite public notification and ensure the protection of the maritime public and event participants from the hazards associated with certain marine events. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before April 24, 2023.

ADDRESSES: You may submit comments identified by docket number USCG-2023-0001 using the Federal Decision Making Portal at <https://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Marine Science Technician 2nd Class Mark Paget, Waterways Management Division, Sector Long Island Sound; telephone (203) 468-4583; email mark.a.paget@uscg.mil.
