Program for the Repayment of Educational Loans, Urgent Care, and Specialty Education Loan Repayment Program; Correction

AGENCY: Department of Veterans Affairs.

ACTION: Correcting amendment; correction.

SUMMARY: This document corrects the final rule published on March 2, 2023, revising the Department of Veterans Affairs (VA) regulation that governs the Program for the Repayment of Educational Loans (PREL) by correcting the section number provided in the DATES section.

DATES: This correction is effective March 24, 2023.

FOR FURTHER INFORMATION CONTACT: Ethan Kalett, Office of Regulations, Appeals, and Policy, Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, (202) 461–7633. (This is not a toll free number.)

SUPPLEMENTARY INFORMATION:

Revisions to § 17.643 of Title 38, Code of Federal Regulations (CFR)

In a final rule published in the **Federal Register** (FR) on March 2, 2023, at 88 FR 13033, VA added the OMB collection number to § 17.643 for the PREL, which is a program in which VA repays educational loans to individuals who pursued a program of study leading

to a degree in psychiatric medicine and who are seeking employment in VA. The Paperwork Reduction Act of 1995 (44 U.S.C. 3507) requires that VA consider the impact of paperwork and other information collection burdens imposed on the public. Under 44 U.S.C. 3507(a), an agency may not collect or sponsor the collection of information, nor may it impose an information collection requirement unless it displays a currently valid Office of Management and Budget (OMB) control number. See also 5 CFR 1320.8(b)(3)(vi). We had indicated in the **DATES** section of the final rule that the effective date for the OMB collection number was for § 17.644. However, the correct section for the OMB collection is § 17.643, not § 17.644. This document corrects the **DATES** section of that rule to reference the correct document and reflect the full history of the regulation.

Correction

In the **Federal Register** of March 2, 2023 in FR Doc. 2023–04144, on page 13033 in the third column, correct the DATES caption to read:

DATES: Section 17.643 of title 38, published at 81 FR 66815 on September 29, 2016, and corrected at 82 FR 4795 on January 17, 2017, is effective March 2, 2023. This final rule is effective March 2, 2023.

Fire Safety of Small Passenger Vessels; OMB Approval of Information Collection Request

AGENCY: Coast Guard, DHS.

ACTION: Interim rule; information collection approval.

SUMMARY: The Coast Guard announces that it has received approval from the Office of Management and Budget (OMB) for an information collection request associated with the interim rule requirements for fire safety on certain covered small passenger vessels. This

rule announces the effective dates for the requirements for vessel operators to log the occurrence of passenger emergency egress drills and to post passenger safety bills in overnight accommodation spaces. In the interim rule, we stated we would publish a document in the **Federal Register** announcing the effective date of the collection-of-information related sections upon OMB approval. This rule establishes April 24, 2023 as the effective date for those sections.

DATES: This rule is effective April 24, 2023. The amendments to 46 CFR 122.507, 122.515, 185.507, and 185.515, published on December 27, 2021 (86 FR 73160) are effective on April 24, 2023.

ADDRESSES: To view documents mentioned as being available in the docket, including the interim rule published on December 27, 2021 (86 FR 73160), search the docket number USCG–2021–0306 using the Federal eRulemaking Portal at <https://www.regulations.gov>.

SUPPLEMENTARY INFORMATION: On December 27, 2021, the Coast Guard published an interim rule titled “Fire Safety on Small Passenger Vessels” that added several requirements for certain covered small passenger vessels. The requirements in the interim rule are based on 46 U.S.C. 3306(n), which was codified by section 8441 of the Elijah E. Cummings Coast Guard Authorization Act of 2020 (Pub. L. 116–283, Jan. 1, 2021). The statute directs the Secretary of the Department of Homeland Security (DHS) to prescribe fire safety regulations for small passenger vessels with overnight accommodations for passengers or operating on Oceans or Coastwise routes, excluding fishing vessels and ferries.

The interim rule contained four provisions that were delayed indefinitely, pending information collection approval from OMB under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501–3520. On February 24, 2023, OMB, Office of Information and Regulatory Affairs, approved the additional information collection requirements in 46 CFR 122.507(b), 122.515(b), 185.507(b), and 185.515(a) within the existing OMB Control Number 1625–0057. Accordingly, we announce that §§ 122.507(b), 122.515(b), 185.507(b), and 185.515(a) are effective April 24, 2023.

Sections 122.507(b) and 185.507(b) relate to logging the occurrence of the mandatory passenger egress drills. Under these paragraphs, passenger egress drills must be logged or otherwise documented, including the date and time of the drill and the number of drill participants. The log will be used by the Coast Guard to confirm that the vessel operators are conducting the passenger egress drills.

Sections 122.515(b) and 185.515(a) contain the requirements for the vessel operator or owner to post the passenger safety bill in each passenger cabin and stateroom, and in passenger accommodation spaces.

These requirements for recording passenger egress drills and posting a passenger safety bill are based on the authority in 46 U.S.C. 3306(n)(3)(A)(vii) and (viii).

As we stated in the interim rule, the passenger emergency egress drills log requirement and the posting of the passenger safety bill apply to vessels regulated under 46 CFR subchapter T and K that have overnight accommodations for passengers.
