

Permit(s)'' containing additional design considerations, which the leaseholder will be required to incorporate into final project design, construction, and decommissioning plans.

(13) Once a POD is submitted, the BLM will determine whether a long-term monitoring strategy to establish quantitative monitoring objectives and indicators would need to be developed. The leaseholder or developer will be required to collect baseline data for this effort, in coordination with the BLM and other applicable agencies. For an example, see https://blmsolar.anl.gov/documents/docs/Final_Riverside_East_LTMS_from_website.pdf.

(14) If a POD is approved, the leaseholder or developer would be required to obtain all necessary State or Federal permits before engaging in any stream alteration or other activities affecting waterways.

(15) Prior to any ground-disturbing activity associated with an authorized POD, the leaseholder or developer will identify and protect evidence of the Public Land Survey System, as directed in 43 CFR 3809.420—Surface Management—(b)(9) Protection of survey monuments.

Additionally, the leaseholder will be subject to any measures the BLM identifies to address site-specific impacts to resources as part of the environmental review of leaseholder's proposed plan of development for the SEZ.

BILLING CODE 4331-16-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On March 20, 2023, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of Arkansas in the lawsuit entitled *United States, Louisiana Department of Environmental Quality, State of Maryland, and State of Nevada v. ABF Freight System, Inc.*, Civil Action No. 2:23-cv-02039-PKH.

This case relates to compliance with Clean Water Act requirements applicable to discharges of stormwater associated with industrial activity from transportation facilities operated by ABF Freight Systems, Inc. (ABF). ABF operates a national network of more

than 200 freight terminals spread across the country. The Complaint alleges claims at nine of ABF's freight terminals based on inspections by EPA and state agencies. The proposed Consent Decree would resolve claims at all ABF freight terminals listed in Appendix A of the Consent Decree through the date of lodging. The Consent Decree would also require ABF to pay a civil penalty of \$535,000 and implement compliance measures at all freight terminals currently operated nationwide (except in those located in the state of Washington). The states of Louisiana, Maryland, and Nevada are Co-Plaintiffs.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States, Louisiana Department of Environmental Quality, State of Maryland, and State of Nevada v. ABF Freight System, Inc.*, D.J. Ref. No. 90-5-1-1-11432. All comments must be submitted no later than thirty (30) days after the publication date of this notice.
