SUPPLEMENTARY INFORMATION:

I. Background and Authority

The Middle Class Tax Relief and Job Creation Act of 2012 (Act) created the First Responder Network Authority (FirstNet Authority) as an independent authority within NTIA. The Act charged the FirstNet Authority with ensuring the building, deployment, and operation of a nationwide, interoperable public safety broadband network, based on a single, national network architecture.¹ The FirstNet Authority holds the single nationwide public safety license granted for wireless public safety broadband deployment. The FirstNet Authority Board is responsible for providing overall policy direction and oversight of FirstNet to ensure that the nationwide network continuously meets the needs of public safety.

II. Structure

The FirstNet Authority Board is composed of 15 voting members. The Secretary will select FirstNet Authority Board candidates based on the eligibility requirements in the Act and recommendations submitted by NTIA. NTIA will recommend candidates based on an assessment of qualifications as well as demonstrated ability to work in a collaborative way to achieve the goals and objectives of the FirstNet Authority as set forth in the Act. NTIA may consult with FirstNet Authority Board members or executives in making its recommendation. Board candidates will be vetted through the Department of Commerce and are subject to an appropriate background check for security clearance.
