SUPPLEMENTARY INFORMATION:

I. Abstract

The project includes standard use of Electronic Medical Records (EMR) under NASA 10 HIMS regulations at Johnson Space Center (JSC) Occupational Health Branch (OHB) by authorized healthcare providers assigned to, employed by, contracted to, or under partnership agreement with the JSC, OHB. This EMR will be used in support of the TREAT Astronaut Act to generate medical records of medical care, diagnosis, treatment, surveillance examinations (e.g., flight certification, special purpose and health maintenance), and exposure records (e.g., hazardous materials and ionizing radiation). Management and utilization of the EMR at JSC, OHB clinics will be carried out in support of the TREAT Astronaut Act; Public Law 115-10. The TREAT Astronaut Act is subsection 441 within the National Aeronautics and Space Administration Transition Authorization Act of 2017 (115th Congress, <https://www.congress.gov/115/plaws/publ10/PLAW-115publ10.pdf>). The goal is to maintain digital medical records of routine health care, emergency treatment, and scheduled examinations for active or retired astronauts in order to develop a knowledge base and address gaps in services in support of medical monitoring, diagnosis and treatment of conditions associated with human space flight as stated in Public Law 115-10.

Title: Suspicious Activity Report (SAR) by Depository Institutions.

Type of Review: Extension of a currently approved collection.

Abstract: The Financial Crimes Enforcement Network (FinCEN), Department of the Treasury, was granted broad authority to require suspicious transaction reporting under the Bank Secrecy Act (BSA) (31 U.S.C. 5318(g)). FinCEN joined with the bank regulators in adopting and requiring reports of suspicious transactions on a consolidated suspicious activity report (SARs) form. This simplified the process through which banks inform their regulators and law enforcement about suspected criminal activity. In 2011, FinCEN transitioned from industry specific paper forms to one electronically filed dynamic and interactive BSA-SAR for use by all filing institutions. Information about suspicious transactions conducted or attempted by, at, through, or otherwise involving credit unions are collected through FinCEN's BSA E-filing system by credit unions. A SAR is to be filed no later than 30 calendar days from the date of the initial detection of facts that may constitute a basis for filing a SAR. If no suspect can be identified, the period for filing a SAR is extended to 60 days. FinCEN and law enforcement agencies use the information on BSA-SARs and the supporting documentation retained by the banks for criminal investigation and prosecution purposes.

Affected Public: Federally Insured Credit Unions.

Respondents: Any NCUA-supervised institution wishing to obtain an exemption from the Suspicious Activity Report requirements.

Estimated No. of Respondents: 4,760.

Estimated No. of Responses per Respondent: 36.64.

Estimated Total Annual Responses: 174,406.

Estimated Burden Hours per Response: 1.

Estimated Total Annual Burden Hours: 174,406.

Reason for Change: The burden went down because the number of respondents decreased.

Request for Comments: Comments submitted in response to this notice will

be summarized and included in the request for Office of Management and Budget's (OMB) approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.

Title: Mergers of Federally-Insured Credit Unions; Voluntary Termination or Conversion of Insured Status, 12 CFR part 708b.

Type of Review: Extension of a currently approved collection.

Abstract: Part 708b of NCUA's rules sets forth the procedural and disclosure requirements for mergers of federally-insured credit unions, conversions from federal share insurance to nonfederal insurance, and federal share insurance terminations. Part 708b is designed to ensure NCUA has sufficient information whether to approve a proposed merger, share insurance conversion, or share insurance termination. It further ensures that members of credit unions have sufficient and accurate information to exercise their vote properly concerning a proposed merger, insurance conversion, or insurance termination. The rule also protects the property interests of members who may lose their federal share insurance due to a merger, share insurance conversion, or share insurance termination.

Affected Public: Private Sector: Businesses or other for-profits.

Estimated Total Annual Burden Hours: 5,352.

OMB Number: 3133-0163.

Title: Privacy of Consumer Financial Information Recordkeeping and Disclosure Requirements. Under the Gramm-Leach-Bliley Act and Regulation P, 12 CFR 1016.

Abstract: Regulation P (12 CFR 1016) requires credit unions to disclose its privacy policies to customers as well as offer customers a reasonable opportunity to opt out—in whole or in part—of those policies to further restrict the release of their personal financial information to nonaffiliated third parties. Credit unions are required to provide an initial privacy notice to customers that is clear and conspicuous, an annual notice of the privacy policies and practices of the institution, a revised notice to customers if triggered by specific changes to the existing policy, and a notice of the right of the customer to opt out of the institution's information sharing practices. Consumers who choose to exercise their opt-out right document this choice by returning an opt-out form or other permissible method.

Abstract: The Secure and Fair Enforcement for Mortgage Licensing Act (S.A.F.E. Act), 12 U.S.C. 5101 *et seq.*, as codified by 12 CFR part 1007, requires an employee of a bank, savings association, or credit union or a subsidiary regulated by a Federal banking agency or an employee of an institution regulated by the Farm Credit Administration (FCA), (collectively, Agency-regulated Institutions) who engages in the business of a residential mortgage loan originator (MLO) to register with the Nationwide Mortgage Licensing System and Registry (Registry) and obtain a unique identifier. Agency-regulated institutions must also adopt and follow written policies and procedures to assure compliance with the S.A.F.E. Act. The Registry is intended to aggregate and improve the flow of information to and between regulators; provide increased accountability and tracking of mortgage loan originators; enhance consumer protections; reduce fraud in the residential mortgage loan origination process; and provide consumers with easily accessible information at no charge regarding the employment history of, and the publicly adjudicated disciplinary and enforcement actions against MLOs.
