**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Stakeholder and Community Coastal Storm Hazard Surveys; OMB Control Number 0710-CCFR.

*Needs and Uses:* Information from the surveys described here is needed to address the research questions funded in the Compound Coastal Flooding Congressional Add; a \$5 million joint effort between the U.S. Army Corps of Engineers—Engineer Research and Development Center (ERDC) and the University of Alabama. Research seeks to inform improved modeling of compound coastal storm events, including improved simulation of impacts to communities and of protective action-taking. The collaborative Broad Agency Agreement with the University of Alabama includes proposed tasks to identify effective flood risk communication tools which influence coastal residents' risk mitigation actions and to better understand key community stakeholder communication of hazards. Execution of these funded tasks requires the University of Alabama Principal Investigator and team to gather information through three community and stakeholder surveys. Findings from their analysis will inform coastal storm hazard modeling and risk communication for better outcomes from storm events.

*Affected Public:* Individuals or households.

*Annual Burden Hours:* 1,525.

*Number of Respondents:* 3,050.

*Responses per Respondent:* 1.

*Annual Responses:* 3,050.

*Average Burden per Response:* 30 minutes.

*Frequency:* Once.

The coastal storm hazard surveys will be distributed to stakeholders and members of the general public in Houston, Texas, Mobile, Alabama, and Savannah, Georgia. The stakeholder survey instrument aims to identify the perceptions and attitudes of local stakeholders in these at-risk areas toward coastal storm hazards, mitigation of those hazards, and the information dissemination to the public regarding those hazards. Three community survey instruments aim to identify the perceptions and use of information by the general public regarding coastal hazards, specifically hurricane and flood events, before, during, and after the Atlantic hurricane season. The data will be used for statistical tests to identify significant trends in the distinct topics addressed by each survey.

**DEPARTMENT OF EDUCATION**

[Docket No.: ED-2023-SCC-0013]

**Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Presidential Cybersecurity Education Award**

**AGENCY:** Office of Career, Technical, and Adult Education (OCTAE), Department of Education (ED).

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a new information collection request (ICR).

**DATES:** Interested persons are invited to submit comments on or before April 27, 2023.

**ADDRESSES:** Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain) to access the site. Find this information collection request (ICR) by selecting "Department of Education" under "Currently Under Review," then check the "Only Show ICR for Public Comment" checkbox. *Reginfo.gov* provides two links to view documents related to this information collection request. Information collection forms and instructions may be found by clicking on the "View Information Collection (IC) List" link. Supporting statements and other supporting documentation may be found by clicking on the "View Supporting Statement and Other Documents" link.

**FOR FURTHER INFORMATION CONTACT:** For specific questions related to collection activities, please contact Corinne Sauri, 202-245-6412.

**SUPPLEMENTARY INFORMATION:** The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the

information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Presidential Cybersecurity Education Award.

*OMB Control Number:* 1830-NEW.

*Type of Review:* A new ICR.

*Respondents/Affected Public:* Individuals and Households.

*Total Estimated Number of Annual Responses:* 80.

*Total Estimated Number of Annual Burden Hours:* 80.

*Abstract:* The Executive Order on America's Cybersecurity Workforce (Executive Order 13870), signed on May 2, 2019, included a directive for the Secretary of Education, in consultation with the DAPHSC and the National Science Foundation, to develop and implement an annual Presidential Cybersecurity Education Award to be presented to one elementary and one secondary school educator per year who best instill skills, knowledge, and passion with respect to cybersecurity and cybersecurity-related subjects.

This information collection request supports this executive order.

*Title of Collection:* Visual Representations for Proportional Reasoning: Impacts of a Teacher Professional Development Program for Multilingual Learners and Other Students.

*OMB Control Number:* 1850-NEW.

*Type of Review:* New ICR.

*Respondents/Affected Public:*

Individuals or Households; State, Local, and Tribal Governments; Federal Government.

*Total Estimated Number of Annual Responses:* 36,784.

*Total Estimated Number of Annual Burden Hours:* 11,281.

*Abstract:* This submission is a request for approval of data collection activities that will be used to support the Northeast and Islands Regional Educational Laboratory (REL) Visual

Representations for Proportional Reasoning: Impacts of a Teacher Professional Development Program for Multilingual Learners and Other Students. The study is being funded by the Institute of Education Sciences (IES) U.S. Department of Education and is being implemented by Education Development Center (EDC) and its subcontractor, American Institutes for Research (AIR). This submission requests approval to recruit schools for the study and administer measures to teachers and students.

This study aims to contribute to the evidence base on professional development associated with improved student outcomes for multilingual learners (MLLs) in mathematics. The Visual Access to Mathematics Professional Development (VAM PD) leverages recent and rigorous evidence on the importance of visual representations (VRs) and integrates language and content to support MLLs in proportional reasoning. Proportional reasoning content is a major emphasis in grade 7 math content standards in most U.S. states and is fundamental to success in subsequent mathematics coursework. Prior research has demonstrated positive impacts of the Visual Access to Mathematics Professional Development (VAM PD) on teacher outcomes (DePiper, et al., 2021b, Louie et al., 2022, DePiper et al., 2019 & DePiper, et al., 2021a). This study will fill the gap in information about how VAM PD impacts student outcomes. In the current study, we will collect pre- and post-data from both teachers and students to examine what impact the VAM PD has on student learning. Teachers in participating schools will be assigned randomly to either a treatment or control group. Both groups will complete (1) a measure of mathematical content knowledge, (2) a measure of teacher ability to analyze student work, and (3) a brief survey/questionnaire about instructional practices in fall 2023 and again in spring 2024. Students taught by teachers in both conditions will complete (1) a measure of mathematical content knowledge, (2) three items related to VRs, and (3) a survey regarding attitudes toward mathematics. Data collected will be summarized and analyzed using multilevel modeling to understand the efficacy of the VAM PD on both teacher and student level outcomes.

## DEPARTMENT OF EDUCATION

### Applications for New Awards; International Research and Studies Program—Research, Studies and Surveys; and Specialized Instructional Materials

**AGENCY:** Office of Postsecondary Education, Department of Education.

**ACTION:** Notice.

**SUMMARY:** The Department of Education is issuing a notice inviting applications for fiscal year (FY) 2023 for the International Research and Studies (IRS) program, Assistance Listing Number 84.017A. This notice relates to the approved information collection under OMB control number 1840-0795.

**DATES:**

*Applications Available:* March 28, 2023.

*Pre-Application Webinar:* The Department will hold a pre-application meeting via webinar for prospective applicants. Detailed information regarding the webinar, including date and time, will be provided on the website for the IRS program at <https://www2.ed.gov/programs/iegpsirs/applicant.html>.

*Deadline for Transmittal of Applications:* May 12, 2023.

**ADDRESSES:** For the addresses for obtaining and submitting an application, please refer to our Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the **Federal Register** on December 7, 2022 (87 FR 75045) and available at [www.federalregister.gov/documents/2022/12/07/2022-26554/common-instructions-for-applicants-to-department-of-education-discretionary-grant-programs](http://www.federalregister.gov/documents/2022/12/07/2022-26554/common-instructions-for-applicants-to-department-of-education-discretionary-grant-programs).
