

adjustment of –\$587,465, which equals \$639,745, divided by 5-year average tonnage of 227,390,200, which equals \$0.003 per ton.

TABLE 6—TONNAGE SUPERVISED

Fiscal year	Metric tons
2018	234,298,085
2019	206,693,881
2020	237,649,430
2021	232,738,700
2022	225,570,903
5-year Rolling Average ...	227,390,200

Therefore, for 2023, FGIS will assess supervision tonnage fee of \$0.003 per ton on domestic shipments officially inspected and/or weighed, including land carrier shipments to Canada and Mexico, performed by delegated States and/or designated agencies on or after April 1, 2023. The Schedule B fee will be published in FGIS Directive 9180.74 and on the agency's public website.

7 CFR 800.71(d) Miscellaneous Fees for Other Services Calculations

Registration certificates and renewals. FGIS calculates the application fee by multiply the Schedule A non-contract hourly rate (Table 1 in § 800.71(a)) by a quantity of five. The resulting fee is expected to cover FGIS personnel costs to review applications, fee publication expenses, and administrative expenses. The Schedule A non-contract hourly rate is \$69.50. Thus, the application fee for 2023 will be \$69.50 times 5, or \$347.50. The fee will be published on the agency's public website after **Federal Register** publication.

Designation amendments. FGIS calculates the rate using the **Federal Register** publication rate for three columns, plus one hour of noncontract hourly rate from § 800.71(a) Table 1 of Schedule A. The fee covers FGIS personnel costs, administrative expenses, and **Federal Register** publication costs. The **Federal Register** publication rate \$151 per column and the Schedule A non-contract hourly rate is \$69.50. FGIS calculates the fee will be \$522.50 for calendar year 2023. The fee will be published on the agency's public website after **Federal Register** publication.

Authority: 7 U.S.C. 71–87k.

Melissa Bailey,

Associate Administrator, Agricultural Marketing Service.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by April 28, 2023 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Rural Housing Service

Title: 7 CFR 3550—Direct Single Family Housing Loan and Grant Program, HB–1–3550, HB–2–3550.

OMB Control Number: 0575–0172.

Summary of Collection: USDA Rural Development (RD) is committed to helping improve the economy and quality of life in rural America. RD's Rural Housing Service (RHS or Agency) offers a variety of programs to build or improve housing and essential community facilities in rural areas.

The Housing Act of 1949 provides the authority for the RHS's direct single

family housing loan and grant programs. The programs provide eligible applicants with financial assistance to own adequate but modest homes in rural areas. 7 CFR part 3550 sets forth the programs' policies and the programs' procedures can be found in its accompanying handbooks (Handbook-1–3550 and Handbook-2–3550). To originate and service direct loans and grants that comply with the programs' statute, policies, and procedures, RHS must collect information from low- and very low-income applicants, third parties associated with or working on behalf of the applicants, borrowers, and third parties associated with or working on behalf of the borrowers.

Need and Use of the Information: Information needed for origination purposes is largely collected by RD field staff from applicants and third parties associated with or working on behalf of the applicants. Information needed for servicing purposes is largely collected by the Servicing and Asset Management Office (Servicing Center) from borrowers and third parties associated with or working on behalf of the borrowers. The party collecting the information provides the respondent with the needed form(s) and/or non-form(s) along with submission instructions. While submission instructions may vary, the Agency utilizes secure electronic means of submission when possible (e.g., eForms and password protected emails).

Description of Respondents: Individuals or households; Business or other for-profit; Not-for-profit institutions.

Number of Respondents: 248,919.

Frequency of Responses: Reporting: On occasion; Annually.

Total Burden Hours: 310,496.

Levi S. Harrell,

Departmental Information Collection Clearance Officer.

BILLING CODE 3410–XV–P

DEPARTMENT OF AGRICULTURE

Animal and Plant Health Inspection Service

[Docket No. APHIS–2023–0008]

Notice of Request for Extension of Approval of an Information Collection; Highly Pathogenic Avian Influenza, All Subtypes, and Newcastle Disease; Additional Restrictions (Pet, Performing, and Research Birds; Bird Carcasses)

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Extension of approval of an information collection; comment request.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Animal and Plant Health Inspection Service's intention to request an extension of approval of an information collection associated with the regulations to prevent the introduction of highly pathogenic avian influenza, all subtypes, and Newcastle disease into the United States through the importation of pet, performing, and research birds and poultry, and unprocessed bird and poultry products, mainly bird carcasses.

DATES: We will consider all comments that we receive on or before May 30, 2023.

ADDRESSES: You may submit comments by either of the following methods:

- *Federal eRulemaking Portal:* Go to www.regulations.gov. Enter APHIS–2023–0008 in the Search field. Select the Documents tab, then select the Comment button in the list of documents.
- *Postal Mail/Commercial Delivery:* Send your comment to Docket No. APHIS–2023–0008, Regulatory Analysis and Development, PPD, APHIS, Station 3A–03.8, 4700 River Road, Unit 118, Riverdale, MD 20737–1238.

Supporting documents and any comments we receive on this docket may be viewed at regulations.gov or in our reading room, which is located in Room 1620 of the USDA South Building, 14th Street and Independence Avenue SW, Washington, DC. Normal reading room hours are 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. To be sure someone is there to help you, please call (202) 799–7039 before coming.

FOR FURTHER INFORMATION CONTACT: For information on the regulations to prevent the introduction of highly pathogenic avian influenza and Newcastle disease, contact Dr. Bettina Helm, Senior Staff Veterinary Medical Officer, Live Animal Imports, Strategy & Policy, VS, APHIS, 4700 River Road, Unit 40, Riverdale, MD 20737; (301) 851–3300; bettina.helm@usda.gov. For information on the information collection reporting process, contact Mr. Joseph Moxey, APHIS' Paperwork Reduction Act Coordinator, at (301) 851–2483; joseph.moxey@usda.gov.

SUPPLEMENTARY INFORMATION:

Title: Highly Pathogenic Avian Influenza, All Subtypes, and Newcastle Disease; Additional Restrictions (Pet, Performing, and Research Birds; Bird Carcasses).

OMB Control Number: 0579–0245.

Type of Request: Extension of approval of an information collection.

Abstract: Under the Animal Health Protection Act (7 U.S.C. 8301 *et seq.*), the Animal and Plant Health Inspection Service (APHIS) of the U.S. Department of Agriculture (USDA) is authorized, among other things, to prohibit or restrict the importation and interstate movement of animals and animal products to prevent the introduction into and dissemination within the United States of livestock diseases and pests. To carry out this mission, APHIS regulates the importation of animals and animal products into the United States. The regulations for the importation of animals and animal products are contained in 9 CFR parts 92 through 98.

The regulations in parts 93, 94, and 95 govern the importation of specified animals and animal products and byproducts to prevent the introduction of various animal diseases, including highly pathogenic avian influenza (HPAI), all subtypes, and Newcastle disease.

HPAI, as defined in § 94.0, is an infectious and fatal disease of poultry. HPAI can strike poultry quickly without any warning signs of infection, and once established, can spread rapidly from flock to flock. HPAI viruses can be spread by manure, equipment, vehicles, egg flats, crates, and people whose clothing or shoes have come in contact with the viruses. In addition, HPAI viruses can remain viable at moderate temperatures for long periods in the environment and can survive indefinitely in frozen material. One gram of contaminated manure can contain enough virus to infect 1 million poultry.

Newcastle disease is a contagious disease of birds and poultry caused by a paramyxovirus. Newcastle disease, as defined in § 94.0, is one of most infectious diseases of poultry in the world. A death rate of almost 100 percent can occur in unvaccinated poultry flocks. Newcastle disease can also infect and cause death even in vaccinated birds and poultry.

APHIS' regulations prohibit or restrict the importation of unprocessed bird and poultry products and byproducts from regions that have reported the presence of HPAI or Newcastle disease and contain permit and quarantine requirements for U.S. origin pet birds and performing or theatrical birds and poultry returning to the United States. In addition, there are also restrictions concerning importation of live poultry and birds that have been vaccinated for certain types of avian influenza or that have moved through or originate from

regions where HPAI or Newcastle disease is considered to exist. These regulations require the use of several information collection activities, including various APHIS forms, application of seals, agreements, notarized declarations or affirmations, notification of signs of disease in a recently imported bird, cooperative service agreements, and recordkeeping by processing establishments.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities, as described, for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; *e.g.*, permitting electronic submission of responses.

Estimate of burden: The public burden for this collection of information is estimated to average 0.529 hours per response.

Respondents: Foreign federal government officials and owners of U.S.-origin pet birds and performing or theatrical birds or poultry returning to the United States, and U.S. importers of bird and poultry carcasses, parts, products and byproducts of birds and poultry and eggs (other than hatching eggs) from certain regions.

Estimated annual number of respondents: 936.

Estimated annual number of responses per respondent: 4.

Estimated annual number of responses: 3,429.

Estimated total annual burden on respondents: 1,814 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 23rd day of March 2023.

Michael Watson,

Acting Administrator, Animal and Plant Health Inspection Service.

BILLING CODE 3410-34-P

DEPARTMENT OF AGRICULTURE

Natural Resources Conservation Service

[Docket ID: NRCS-2023-0006]

Urban Agriculture and Innovative Production Advisory Committee Meeting

AGENCY: Natural Resources Conservation Service (NRCS), United States Department of Agriculture (USDA).

ACTION: Notice of public and virtual meeting.

SUMMARY: The Natural Resources Conservation Service (NRCS) will hold a public meeting of the Urban Agriculture and Innovative Production Advisory Committee (UAIPAC). UAIPAC will reconvene to continue the discussion of the interim recommendations for the Secretary of Agriculture on the development of policies and outreach relating to urban, indoor, and other emerging agriculture production practices. UAIPAC is authorized under the Agriculture Improvement Act of 2018 (2018 Farm Bill) and operates in compliance with the Federal Advisory Committee Act, as amended.

DATES:

Meeting: The UAIPAC meeting will be held on Tuesday, April 18, 2023, from 3 p.m. to 5 p.m. Eastern Daylight Time (EDT).

Written Comments: Written comments will be accepted until 11:59 p.m. EDT on Tuesday, May 2, 2023.

ADDRESSES:

Meeting Location: The meeting will be held virtually via Zoom Webinar. Pre-registration is required to attend the UAIPAC meeting and access information will be provided to registered individuals via email. Registration details can be found at: <https://www.usda.gov/partnerships/federal-advisory-committee-urban-ag>.

Written Comments: We invite you to send comments in response to this notice. Go to <https://www.regulations.gov> and search for Docket ID NRCS-2023-0006. Follow the instructions for submitting comments. All written comments received will be

publicly available on www.regulations.gov.

FOR FURTHER INFORMATION CONTACT:

Brian Guse; Designated Federal Officer; telephone: (202) 205-9723; email: UrbanAgricultureFederalAdvisoryCommittee@usda.gov.

Individuals who require alternative means for communication may contact the USDA TARGET Center at (202) 720-2600 (voice and text telephone (TTY)) or dial 711 for Telecommunications Relay service (both voice and text telephone users can initiate this call from any telephone).

SUPPLEMENTARY INFORMATION:

UAIPAC Purpose

The Federal Advisory Committee for Urban Agriculture and Innovative Production is one of several ways that USDA is extending support and building frameworks to support urban agriculture, including issues of equity and food and nutrition access. Section 222 of the Department of Agriculture Reorganization Act of 1994, as amended by section 12302 of the 2018 Farm Bill (7 U.S.C. 6923; Pub. L. 115-334) directed the Secretary to establish an "Urban Agriculture and Innovative Production Advisory Committee" to advise the Secretary of Agriculture on any aspect of section 222, including the development of policies and outreach relating to urban, indoor, and other emerging agricultural production practices as well as identify any barriers to urban agriculture. UAIPAC will host public meetings to deliberate on recommendations for the Secretary of Agriculture. These recommendations provide advice to the Secretary on supporting urban agriculture and innovative production through USDA's programs and services.

Meeting Agenda

The agenda items may include, but are not limited to, welcome and introductions; administrative matters; presentations from the UAIPAC or USDA staff; and deliberations for proposed recommendations and plans. The USDA UAIPAC website (<https://www.usda.gov/partnerships/federal-advisory-committee-urban-ag>) will be updated with the final agenda at least 24 hours prior to the meeting.

Written Comments

Comments should address specific topics pertaining to urban agriculture and innovative production. Written comments will be accepted until 11:59 p.m. EDT on Tuesday, May 2, 2023. General questions and comments are also accepted at any time via email:

UrbanAgricultureFederalAdvisoryCommittee@usda.gov.

Meeting Materials

All written comments received by May 2, 2023, will be compiled for UAIPAC review and will be included in the meeting minutes. Duplicate comments from multiple individuals will appear as one comment, with a notation that multiple copies of the comment were received. Please visit <https://www.usda.gov/partnerships/federal-advisory-committee-urban-ag> to view the agenda and minutes from the meeting.

Meeting Accommodations

If you require reasonable accommodation, please make requests in advance for sign language interpretation, assistive listening devices, or other reasonable accommodation, to the person listed under the **FOR FURTHER INFORMATION CONTACT** section. Determinations for reasonable accommodation will be made on a case-by-case basis.

USDA Non-Discrimination Policy

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family or parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Individuals who require alternative means of communication for program information (for example, braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA TARGET Center at (202) 720-2600 (voice and text telephone (TTY)) or dial 711 for Telecommunications Relay Service (both voice and text telephone users can initiate this call from any phone). Additionally, program information may be made available in languages other than English.

Equal opportunity practices in accordance with USDA's policies will be followed in all appointments to the FACA Committee: UAIPAC. To ensure that the recommendations of UAIPAC
