The agency is seeking suggestions on how it can improve its outreach and training efforts in the Whistleblower Protection program. Please note that the agency does not have the authority to change the statutory language and requirements of the laws it enforces. In particular, the agency invites input on the following:

1. What can the agency do to improve the Whistleblower Protection Program's website, www.whistleblowers.gov?
2. What additional materials would be beneficial for the agency to make publicly available on its website?
3. What types of whistleblower training videos or presentations would be useful for the public to better understand the whistleblower laws enforced by OSHA?
4. How can OSHA better engage with complainants and respondents?

B. Request for Comments

Regardless of attendance at the public meeting, interested persons may submit written or electronic comments (see **ADDRESSES** above). Electronic comments include recorded oral comments. Comments may be submitted in any language. To permit time for interested persons to submit data, information, or views on the issues in the "Scope of Meeting" section of this notice, please submit comments by May 24, 2023, and include Docket No. OSHA-2018-0005.
