DEPARTMENT OF THE INTERIOR

Bureau of Ocean Energy Management

[Docket No. BOEM-2023-0011]

Notice of Availability of a Draft Environmental Impact Statement for SouthCoast Wind Energy, LLC's (Formerly Mayflower Wind Energy, LLC) Proposed Wind Energy Facility Offshore Massachusetts; Extension of Comment Period

AGENCY: Bureau of Ocean Energy Management (BOEM), Interior.

ACTION: Draft environmental impact statement (DEIS); extension of comment period.

SUMMARY: On February 17, 2023, BOEM published a notice of availability (NOA) in the **Federal Register** announcing a public comment period regarding the DEIS for SouthCoast Wind Energy, LLC's (SouthCoast Wind) construction and operations plan (COP) for a proposed wind energy facility offshore Massachusetts. BOEM is extending the comment period on the DEIS. This notice announces a 15-day extension of the public comment period from April 3, 2023, to April 18, 2023. After BOEM addresses comments provided, BOEM will publish a final environmental impact statement (FEIS). The FEIS will inform BOEM's decision whether to approve, approve with modifications, or disapprove the COP.

DATES: Comments must be received no later than April 18, 2023.

ADDRESSES: The DEIS and detailed information about SouthCoast Wind's project, including the COP, can be found on BOEM's website at <https://www.boem.gov/renewable-energy/state-activities/southcoast-wind>. Comments can be submitted in any of the following ways:

- In written form by mail, enclosed in an envelope labeled, "SouthCoast Wind COP DEIS" and addressed to Program Manager, Office of Renewable Energy Programs, Bureau of Ocean Energy Management, 45600 Woodland Road, Sterling, VA 20166.

- Through the [regulations.gov](https://www.regulations.gov) web portal: Navigate to <http://www.regulations.gov> and search for Docket No. BOEM-2023-0011. Click on the "Comment" button below the document link. Enter your information and comment, then click "Submit Comment."

SUPPLEMENTARY INFORMATION: BOEM is extending the comment period for the SouthCoast Wind DEIS because the revised version of the COP used to prepare the DEIS was recently posted on BOEM's website at <https://www.boem.gov/renewable-energy/state-activities/southcoast-wind-formerly-mayflower-wind/>. The DEIS analyzed the effects from the revised COP, not the original COP, and reflects the applicant's most current proposal. Comments already submitted in response to the February 17, 2023, NOA do not need to be resubmitted. BOEM discourages anonymous comments. Please include your name and address as part of your comment. BOEM makes all comments in their entirety, including your name and address, available for public review online and during regular business hours. You may request that BOEM withhold your name, address, or any other personal identifiable information (PII) included in your comment from the public record. However, BOEM cannot guarantee that it will be able to do so. If you wish your name, address, or other PII to be withheld, you must state your request prominently in a cover letter and explain the harm that you fear from its disclosure such as unwarranted privacy invasion, embarrassment, or injury. All submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or businesses will be made available for public inspection in their entirety.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-565 and 731-TA-1341 (Review)]

Hardwood Plywood From China; Scheduling of Expedited Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the antidumping duty and countervailing duty orders on hardwood plywood from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: March 6, 2023.

FOR FURTHER INFORMATION CONTACT: (Stamen Borisson (202) 205–3125), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On March 6, 2023, the Commission determined that the domestic interested party group response to its notice of institution (87 FR 73792, December 1, 2022) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the

subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on April 19, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in § 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before April 27, 2023 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by April 27, 2023. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

³ The Commission has found the domestic interested party responses submitted on behalf of the Coalition for Fair Trade in Hardwood Plywood and its individual members, Columbia Forest Products, Commonwealth Plywood Co., Ltd., Manthei Wood Products, States Industries LLC, and Timber Products Company, and respondent interested party responses submitted on behalf of Canusa Wood Products Limited, Hardwoods Specialty Products USLP, Holland Southwest International, Inc., McCorry & Company Limited, Medallion Forest Products, Northwest Hardwoods, Inc., Richmond International Forest Products, LLC, and Taraca Pacific, Inc., to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission’s rules.

By order of the Commission.

Issued: March 30, 2023.

Lisa Barton,

Secretary to the Commission.
