AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily

determines that the sole mandatory respondent under review made sales of difluoromethane (R-32) from the People's Republic of China (China) below normal value (NV) during the period of review (POR). Additionally, we are rescinding this review with respect to Huantai Dongyue International Trade Co., Ltd. (Huantai Dongyue) and preliminarily rescinding this review with respect to Zhejiang Sanmei Chemical Ind. Co., Ltd. (Zhejiang Sanmei). Interested parties are invited to comment on these preliminary results of review.

SUPPLEMENTARY INFORMATION:

Background

On May 13, 2022, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on R-32 from China.¹ The POR is August 27, 2020, through February 28, 2022. On November 2, 2022, we extended the preliminary results of this review to no later than March 31, 2023.² For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.³

Scope of the Order

The merchandise covered by the Order is difluoromethane (R-32), or its chemical equivalent, regardless of form, type, or purity level.⁴ R-32 is classified under Harmonized Tariff Schedule of the United States (HTSUS) subheading 2903.39.2035. Other merchandise subject to the scope may be classified under 2903.39.2045 and 3824.78.0020. While HTSUS subheadings are provided

for convenience and customs purposes, the written description of the subject merchandise is dispositive.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. On July 20, 2022, Huantai Dongyue timely withdrew its request for an administrative review.⁵ Because no other party requested a review of Huantai Dongyue, we are rescinding the administrative review for this company in accordance with 19 CFR 351.213(d)(1).

Preliminary Intent To Rescind, in Part

It is Commerce's practice to rescind an administrative review pursuant to 19 CFR 351.213(d)(3) when there are no reviewable entries of subject merchandise during the POR subject to the antidumping duty order and for which liquidation is suspended.⁶ At the end of an administrative review, suspended entries are liquidated at the assessment rate computed for the review period.⁷ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate.

While Zhejiang Sanmei requested an administrative review of itself,⁸ the U.S. Customs and Border Protection Data (CBP) data on the record of this review show no evidence that Zhejiang Sanmei had suspended entries of subject merchandise during the POR,⁹ and we received confirmation of this from CBP.¹⁰ As the record contains no evidence of reviewable entries for Zhejiang Sanmei, we are preliminarily

rescinding the review with respect to Zhejiang Sanmei in accordance with 19 CFR 351.213(d)(3).¹¹

Preliminary Affiliation and Single Entity Determination

Based on record evidence in this review, Commerce preliminarily finds that the following companies are affiliated, pursuant to section 771(33)(F) of the Tariff Act of 1930, as amended (the Act): Taizhou Qingsong Refrigerant New Material Co., Ltd. (Taizhou Qingsong), Taixing Meilan New Materials Co., Ltd. (Taixing Meilan), and Jiangsu Meilan Chemical Co., Ltd. Furthermore, pursuant to 19 CFR 351.401(f)(1)–(2), we find that Taizhou Qingsong and Taixing Meilan should be treated as a single entity (collectively, Qingsong). For additional information, see the Affiliation and Collapsing Memorandum.¹²

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

Preliminary Results of the Review

We preliminarily determine that the following weighted-average dumping margin exists for the period August 27, 2020, through February 28, 2022:

¹¹ For additional information regarding this preliminary intent to rescind, see the Preliminary Decision Memorandum.

¹² See Memorandum, "Affiliation and Single Entity Status—Taizhou Qingsong Refrigerant New Materials Co., Ltd. and Taixing Meilan New Materials Co., Ltd.," dated concurrently with this memorandum (Affiliation and Collapsing Memorandum).

Taizhou Qingsong Refrigerant New Material Co., Ltd.; Taixing Meilan New Materials Co., Ltd	160.65

Assessment Rates

Upon issuing the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹³

Pursuant to 19 CFR 351.212(b)(1), Commerce calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those sales. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁴

Pursuant to Commerce's assessment practice,¹⁵ for entries that were not reported in the U.S. sales data submitted by Qingsong, we will instruct CBP to liquidate such entries at the China-wide rate. For Zhejiang Sanmei, if Commerce rescinds the review for this company in the final results, then antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i).

Finally, for Huantai Dongyue, the respondent for which we are rescinding the review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i).

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the review and for future deposits of

estimated antidumping duties, where applicable.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on, or after, the publication date of the final results of review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Qingsong will be equal to the weighted-average dumping margin established in the final results of this review (except, if the dumping margin is zero or *de minimis*, then the cash deposit rate will be zero); (2) for a previously investigated or reviewed exporter of subject merchandise not listed in the final results of review that has a separate rate, the cash deposit rate will continue to be the exporter's existing cash deposit rate; (3) for all Chinese exporters of subject merchandise that do not have a separate rate, the cash deposit rate will be the cash deposit rate established for the China-wide entity, 221.06 percent;¹⁶ and (4) for all exporters of subject merchandise that are not located in China and that are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the China exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.¹⁷
