Government fees and processing expenses to obtain such a visa are not included in the participation fee. However, the DOC will provide instructions to each participant on the procedures required to obtain business visas.

Trade mission members participate in trade missions and undertake mission-related travel at their own risk. The nature of the security situation in a given foreign market at a given time cannot be guaranteed. Any questions regarding insurance coverage must be resolved by the participant and its insurer of choice.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the DOC trade mission calendar (<http://export.gov/trademissions>), and notices by industry trade associations and other multiplier groups. Recruitment for the mission will begin immediately and conclude no later than July 21, 2023. The DOC will evaluate applications and

inform applicants of selection decisions on a rolling basis until the maximum number of participants has been selected. Applications received after July 21, 2023, will be considered only if space and scheduling constraints permit.
