

clearance and settlement of securities transactions.⁷ NSCC believes the proposed rule change is consistent with the Section 17A(b)(3)(F) of the Act.

As described above, the proposed rule change would update (i) the NSCC Certificate of Incorporation to change NSCC's registered agent for serving process on NSCC and (ii) Rule 45 to provide an email address for sending a copy of notices to NSCC's General Counsel's Office.

The proposed changes are intended to update information on NSCC's process agent and how to send notices to NSCC. With these changes, NSCC believes its members and the public would be better informed on how best to serve NSCC, which could help promote the prompt and accurate clearance and settlement of securities transactions of those members and the public, consistent with the requirements of the Act, in particular Section 17A(b)(3)(F) of the Act, cited above.

(B) Clearing Agency's Statement on Burden on Competition

NSCC does not believe that the proposed rule change would have any impact or impose any burden on competition because, as described above, the proposed rule change simply updates certain process and notice information and should not have any competitive impact on members or their use of NSCC services.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NSCC has not received or solicited any written comments relating to this proposal. If any written comments are received, NSCC will amend this filing to publicly file such comments as an Exhibit 2 to this filing, as required by Form 19b-4 and the General Instructions thereto.

Persons submitting written comments are cautioned that, according to Section IV (Solicitation of Comments) of the Exhibit 1A in the General Instructions to Form 19b-4, the Commission does not edit personal identifying information from comment submissions.

Commenters should submit only information that they wish to make available publicly, including their name, email address, and any other identifying information.

NSCC reserves the right to not respond to any comments received.

III. Date of Effectiveness of the Proposed Rule Change, and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁸ of the Act and paragraph (f)⁹ of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change⁵ would (i) revise FICC's Restated Certificate of Incorporation⁶ to update FICC's registered agent upon whom process against FICC may be served and (ii) update the Rules to remove an option for sending notices by facsimile and provide an email address for sending a copy of any notices to FICC, as described in greater detail below.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change would (i) revise FICC's Restated Certificate of Incorporation to update FICC's registered agent upon whom process against FICC may be served and (ii) update the Rules to remove an option for sending notices by facsimile and provide an email address for sending a copy of any notices to FICC, as described in greater detail below.

Proposed Updates to FICC's Restated Certificate of Incorporation

FICC's Restated Certificate of Incorporation currently states that the Secretary of State is FICC's designated agent for service of process, and that copies of any process against FICC shall be mailed to FICC at 55 Water Street, New York, NY 10041 ("55 Water").

⁵ Capitalized terms not otherwise defined herein are defined in the FICC Government Securities Division Rulebook ("GSD Rules"), the FICC Mortgage-Backed Securities Division Clearing Rules ("MBSD Rules"), and the FICC Mortgage-Backed Securities Division EPN Rules ("EPN Rules," and together with the GSD Rules and the MBSD Rules, the "Rules"), as applicable, available at <http://www.dtcc.com/legal/rules-and-procedures>.

⁶ FICC's Restated Certificate of Incorporation is available at <http://www.dtcc.com/legal/rules-and-procedures>.

With FICC's upcoming departure from 55 Water, FICC would amend its Restated Certificate of Incorporation to appoint C T Corporation System as its registered agent upon whom process against FICC may be served, and provide C T Corporation System's address.

Proposed Updates to the Rules

FICC proposes to revise its Rules with respect to how an Interested Person may serve notice on FICC. The Rules currently provide an option for service via facsimile. FICC would revise the Rules to remove the facsimile option and provide for a copy of notices to be sent to FICC's General Counsel's Office via email.

2. Statutory Basis

Section 17A(b)(3)(F) of the Act requires that the rules of the clearing agency be designed, *inter alia*, to promote the prompt and accurate clearance and settlement of securities transactions.⁷ FICC believes the proposed rule change is consistent with the Section 17A(b)(3)(F) of the Act.

As described above, the proposed rule change would update (i) FICC's Restated Certificate of Incorporation to change FICC's registered agent for serving process on FICC and (ii) the Rules to remove an option to send notices to FICC via facsimile and provide an email address for sending a copy of notices to FICC's General Counsel's Office.

The proposed changes are intended to update information on FICC's process agent and how to send notices to FICC. With these changes, FICC believes its members and the public would be better informed on how best to serve FICC, which could help promote the prompt and accurate clearance and settlement of securities transactions of those members and the public, consistent with the requirements of the Act, in particular Section 17A(b)(3)(F) of the Act, cited above.

(B) Clearing Agency's Statement on Burden on Competition

FICC does not believe that the proposed rule change would have any impact or impose any burden on competition because, as described above, the proposed rule change simply updates certain process and notice information and should not have any competitive impact on members or their use of FICC services.

⁷ 15 U.S.C. 78q-1(b)(3)(F).

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

FICC has not received or solicited any written comments relating to this proposal. If any written comments are received, FICC will amend this filing to publicly file such comments as an Exhibit 2 to this filing, as required by Form 19b-4 and the General Instructions thereto.

Persons submitting written comments are cautioned that, according to Section IV (Solicitation of Comments) of the Exhibit 1A in the General Instructions to Form 19b-4, the Securities and Exchange Commission ("Commission") does not edit personal identifying information from comment submissions. Commenters should submit only information that they wish to make available publicly, including their name, email address, and any other identifying information.

All prospective commenters should follow the Commission's instructions on *How to Submit Comments*, available at <https://www.sec.gov/regulatory-actions/how-to-submit-comments>. General questions regarding the rule filing process or logistical questions regarding this filing should be directed to the Main Office of the Commission's Division of Trading and Markets at tradingandmarkets@sec.gov or 202-551-5777.

FICC reserves the right to not respond to any comments received.

III. Date of Effectiveness of the Proposed Rule Change, and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁸ of the Act and paragraph (f)⁹ of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend IEX Rules 9.132, 9.133, 9.135, 9.146, 9.321, 9.341, 9.349, 9.351, 9.522, 9.524, 9.525, 9.559 and 9.630 to permit, and in some instances require, electronic service and filing of documents in disciplinary and other proceedings and appeals in conformity with recent changes by FINRA.⁷

Background

In 2020, following the outbreak of the Coronavirus Disease ("COVID-19"), FINRA temporarily amended certain of its rules, including rules related to the method of service and filing in disciplinary proceedings before the Office of Hearing Officers ("OHO") and appeals before the National Adjudicatory Council, among other types of administrative proceedings (the "temporary amendments").⁸ The temporary amendments allowed, and in some instances required, FINRA to serve certain documents on parties by electronic mail ("email") and required parties to file or serve documents by

⁷ See Securities Exchange Act Release Nos. 94654 (April 8, 2022), 87 FR 22264 (April 14, 2022) (SR-FINRA-2022-009) ("Electronic Service Amendments Filing").

⁸ See Securities Exchange Act Release No. 88917 (May 20, 2020), 85 FR 31832 (May 27, 2020) (SR-FINRA-2020-015) (Notice and immediate effectiveness of filing to temporarily amend certain timing, method of service and other procedural requirements in FINRA Rules during the outbreak of COVID-19). FINRA extended the temporary amendments several times before filing to make certain of the aforementioned amendments permanent. The temporary amendments included rule changes to permit the conduct of virtual hearings (*i.e.*, FINRA Rules 9261 and 9830), which rule changes are not being included in this proposal. Rather, the Exchange is solely copying a subset of rules covered by the temporary amendments as discussed herein.
