

Metropolitan Area Transit Authority (WMATA or the Authority), which includes but is not limited to the collection of data from Rail, Bus, Information Technology, and Command Center personnel. This data collection effort supports a multi-year program focused on improving the Authority in its entirety, by collecting and analyzing data and information on close calls and other unsafe occurrences within WMATA. The program is co-sponsored by WMATA and labor leadership including: the President/Business Agent of the Amalgamated Transit Union (ATU) Local 689, the International Brotherhood of Teamsters (IBT) Local 922 and Office & Professional Employees International Union (OPEIU) Local 2. This information collection is necessary for systematically analyzing data to identify root causes of potentially unsafe events. On January 23, 2023, BTS published **Federal Register** notice, allowing for a 60-day comment period on the ICR. The comment period closed on March 24, 2023. The agency received no comments. The purpose of this notice is to allow 30 days for public comment to OMB on this collection from all interested individuals and organizations.
