

Ltd. (Yantai Jintai).<sup>10</sup> Commerce also requested information in a circumvention questionnaire from Zhengzhou Mingtai Aluminum Industry Co., Ltd. and Henan Mingtai Aluminum Industry Co., Ltd. (collectively, Mingtai),<sup>11</sup> the producer/exporter that accounted for the substantial majority of entries of inquiry merchandise during the relevant period. In the Q&V questionnaire and circumvention questionnaire,<sup>12</sup> Commerce explained that failure to respond may result in the presumption that the company failed to cooperate by not acting to the best of its ability to comply with the request for information, and Commerce may use an inference that is adverse to the company's interests in selecting from the facts otherwise available, in accordance with section 776(b) of the Act. Chalco Ruimin, Chalco-Swa Cold Rolling, Jiangsu Alcha, Nanjie Resources, and Yantai Jintai failed to respond to Commerce's quantity and value questionnaire, and Mingtai failed to respond to Commerce's circumvention questionnaire.

Therefore, we preliminarily find that necessary information is not available on the record and that Chalco Ruimin, Chalco-Swa Cold Rolling, Jiangsu Alcha, Nanjie Resources, Yantai Jintai, and Mingtai failed to provide requested information by the deadline or in the form and manner requested, and significantly impeded this inquiry pursuant to sections 776(a)(1) and (2)(A)–(C) of the Act. Moreover, we find that these companies failed to cooperate by not acting to the best of their ability to provide the requested information because they did not provide a timely response to Commerce's questionnaires. Consequently, for this preliminary determination we are relying on adverse inferences with respect to Chalco Ruimin, Chalco-Swa Cold Rolling, Jiangsu Alcha, Nanjie Resources, Yantai Jintai, and Mingtai in selecting from among the facts otherwise available on the record, pursuant to section 776(b) of the Act.

For details regarding the adverse facts available used in this preliminary determination, see the Preliminary Decision Memorandum.

<sup>10</sup> See Memorandum, "Notification of Issuance of Quantity and Value Questionnaires to Certain Chinese Companies," dated September 28, 2022 (Notification of Q&V Memorandum).

<sup>11</sup> Mingtai was the sole mandatory respondent selected for individual examination; see Memorandum, "Respondent Selection," dated December 1, 2022.

<sup>12</sup> See Notification of Q&V Memorandum at Attachment 1; see also Commerce's Letter, "Circumvention Inquiry," dated January 19, 2023, at 3.
