SUPPLEMENTARY INFORMATION:

Title: FERC-153, *Generic Clearance for the Collection of Qualitative Feedback on Commission Service Delivery*.

OMB Control No.: 1902-0293.

Type of Request: Generic information collection.

Abstract: This information collection provides a means to garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. By qualitative feedback, we mean data that provides useful insights on perceptions and opinions but are not statistical surveys that yield quantitative results that can be generalized to the population of study. The feedback provides insights into customer or stakeholder perceptions, experiences, and expectations. The feedback provides an early warning of service issues and helps focus attention on areas where communication, training, or changes in operations might improve delivery of products or services. This collection allows for ongoing, collaborative and actionable
