SUPPLEMENTARY INFORMATION: The decision to approve the revised Plan for the Ashley National Forest and the Regional Forester's list of species of conservation concern for the Ashley National Forest will be subject to the objection process identified in 36 CFR part 219 Subpart B (219.50 to 219.62). Per 36 CFR 219.53 only individuals and entities who have submitted substantive formal comments related to a plan revision during the opportunities for public comment that are attributable to the objector may file an objection unless the objection concerns an issue that arose after the opportunities for formal comment.

How To File an Objection

Objections must be submitted to the Reviewing Officer at the address shown in the **ADDRESSES** section of this notice. An objection must include the following (36 CFR 219.54(c)):

(1) The objector's name and address along with a telephone number or email address if available. In cases where no identifiable name is attached to an objection, the Forest Service will attempt to verify the identity of the objector to confirm objection eligibility;

(2) Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection);

(3) Identification of the lead objector when multiple names are listed on an objection. The Forest Service will communicate to all parties to an objection through the lead objector. Verification of the identity of the lead objector must also be provided if requested;

(4) The name of the plan revision being objected to and the name and title of the responsible official;

(5) A statement of the issues and/or parts of the plan revision to which the objection applies;

(6) A concise statement explaining the objection and suggesting how the proposed plan decision may be improved. If the objector believes that the plan revision is inconsistent with law, regulation, or policy, an explanation should be included;

(7) A statement that demonstrates the link between the objector's prior substantive formal comments and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment; and

(8) All documents referenced in the objection (a bibliography is not sufficient), except the following need not be provided:

a. All or any part of a Federal law or regulation,

b. Forest Service Directive System documents and land management plans or other published Forest Service documents,

c. Documents referenced by the Forest Service in the planning documentation related to the proposal subject to objection, and

d. Formal comments previously provided to the Forest Service by the objector during the proposed plan, plan amendment, or plan revision comment period.

It is the responsibility of the objector to ensure that the Objection Reviewing Officer receives the objection in a timely manner. The regulations generally prohibit extending the length of the objection filing period (36 CFR 219.56(d)). However, when the time period expires on a Saturday, Sunday, or a Federal holiday, the time is extended to the end of the next Federal working day (11:59 p.m. for objections filed by electronic means such as email or facsimile machine) (36 CFR 219.56).

Responsible Official: The responsible official who will approve the ROD for the Ashley National Forest revised Plan is Susan Eickhoff, Forest Supervisor for the Ashley National Forest, 350 North Vernal Ave., Vernal, UT 84078, (435) 781–5101. The responsible official for the identification of the species of conservation concern for the Ashley National Forest is Mary Farnsworth, Intermountain Region Regional Forester, 324 25th Street, Ogden, UT 84401.

The Regional Forester is the reviewing officer for the revised Plan since the Forest Supervisor is the deciding official (36 CFR 219.56(e)). Objection review of the list of species of conservation concern will be subject to a separate objection process from the Plan revision. The Chief of the Forest Service is the reviewing officer for the list of species of conservation concern as the Regional Forester is the responsible official (36 CFR 219.56(e)(2)). This authority may be delegated to an individual Deputy Chief or Associate Deputy Chief for National Forest System, consistent with delegations of authority provided in the Forest Service Manual at sections 1235.4 and 1235.5.

Dated: April 7, 2023.

Jacqueline Emanuel,

Associate Deputy Chief, National Forest System.

DEPARTMENT OF COMMERCE

Bureau of Industry and Security

Technical Advisory Committees; Notice of Recruitment of Members

The Bureau of Industry and Security (BIS), Department of Commerce is announcing its recruitment of candidates to serve on one of its six Technical Advisory Committees ("TACs" or "Committees"). TAC members advise the Department of Commerce on the technical parameters for export controls applicable to dual-use items (commodities, software, and technology) and on the administration of those controls. The TACs are composed of representatives from industry, academia, and the U.S. Government and reflect diverse points of view on the concerns of the exporting community. Industry representatives are selected from firms producing a broad range of items currently controlled for national security, non-proliferation, foreign policy, and short supply reasons or that are proposed for such controls. Representation from the private sector is balanced to the extent possible among large and small firms.

Six TACs are responsible for advising the Department of Commerce on the technical parameters for export controls and the administration of those controls within specified areas: Information Systems TAC: Control List Categories 3 (electronics), 4 (computers), and 5 (telecommunications and information security); Materials and Equipment TAC: Control List Categories 1 (materials, chemicals, microorganisms, and toxins) and 2 (materials processing); Sensors and Instrumentation TAC: Control List Category 6 (sensors and lasers); Transportation and Related Equipment TAC: Control List Categories 7 (navigation and avionics), 8 (marine), and 9 (propulsion systems, space vehicles, and related equipment); and the Emerging Technology TAC (identification of emerging and foundational technologies that may be developed over a period of five to ten years with potential dual-use applications). The sixth TAC, the Regulations and Procedures TAC, focuses on the Export Administration Regulations (EAR) and procedures for implementing the EAR.

TAC members are appointed by the Secretary of Commerce and serve terms of not more than four consecutive years. TAC members must obtain secret-level clearances prior to their appointment. These clearances are necessary so that members may be permitted access to classified information that may be needed to formulate recommendations to the Department of Commerce. Applicants are strongly encouraged to review materials and information on each Committee website, including the Committee's charter, to gain an understanding of each Committee's responsibilities, matters on which the Committee will provide recommendations, and expectations for members. Members of any of the six TACs may not be registered as foreign agents under the Foreign Agents Registration Act. No TAC member may represent a company that is majority owned or controlled by a foreign government entity (or foreign government entities). TAC members will not be compensated for their services or reimbursed for their travel expenses.

If you are interested in becoming a TAC member, please provide the following information: 1. Name of applicant; 2. affirmation of U.S. citizenship; 3. organizational affiliation and title, as appropriate; 4. mailing address; 5. work telephone number; 6. email address; 7. summary of qualifications for membership; 8. An affirmative statement that the candidate will be able to meet the expected commitments of Committee work.

Committee work includes: (a) attending in-person/teleconference Committee meetings roughly four times per year (lasting 1-2 days each); (b) undertaking additional work outside of full Committee meetings including subcommittee conference calls or meetings as needed, and (c) frequently drafting, preparing or commenting on proposed recommendations to be evaluated at Committee meetings. Finally, candidates must provide an affirmative statement that they meet all Committee eligibility requirements.

The Department of Commerce is committed to equal opportunity in the workplace and seeks diverse Advisory Committee membership.

To respond to this recruitment notice, please send a copy of your resume to Ms. Yvette Springer at Yvette.Springer@bis.doc.gov.

Deadline: This Notice of Recruitment will be open for 60 days from its date of publication in the **Federal Register**.

For further information contact, Ms. Yvette Springer via email.

Yvette Springer,

Committee Liaison Officer.
