

337(g)(1), it finds that such relief should not issue.

Having examined the record of this investigation, including the parties' submissions in response to the Remedy Notice, the Commission has determined pursuant to subsection 337(g)(1) that the appropriate remedy in this investigation is: (1) an LEO prohibiting the unlicensed entry of certain refrigerator water filtration devices and components thereof that are imported by or on behalf of the Defaulting Respondents and that infringe the Asserted Claims; and (2) CDOs against all of the Defaulting Respondents except Jiangsu. The Commission has also determined that the public interest factors enumerated in subsection 337(g)(1) do not preclude the issuance of the LEO and CDOs. The Commission has further determined that the bond during the period of Presidential review pursuant to section 337(j) (19 U.S.C. 1337(j)) shall be in the amount of one hundred percent (100%) of the entered value of the infringing articles.<sup>1</sup> See *Certain Centrifuge Utility Platform & Falling Film Evaporator Sys. & Components Thereof*, Inv. No. 337-TA-1311, Comm'n Notice at 4-5 (Mar. 23, 2023). The investigation is terminated.

The Commission's vote for this determination took place on April 11, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

While temporary remote operating procedures are in place in response to COVID-19, the Office of the Secretary is not able to serve parties that have not retained counsel or otherwise provided a point of contact for electronic service. Accordingly, pursuant to Commission Rules 201.16(a) and 210.7(a)(1) (19 CFR 201.16(a), 210.7(a)(1)), the Commission orders that the Complainant(s) complete service for any party/parties without a method of electronic service noted on the attached Certificate of Service and shall file proof of service on the Electronic Document Information System (EDIS).

<sup>1</sup> Commissioner Schmidlein finds that section 337 does not authorize respondents subject to remedial relief under subsection 337(g)(1) to import infringing products under bond during the Presidential review period for the reasons explained in *Certain Centrifuge Utility Platform and Falling Film Evaporator Systems and Components Thereof*, Inv. No. 337-TA-1311, Comm'n Notice at 5, n.5 (March 23, 2023). She therefore would not permit the Defaulting Respondents to import infringing products under bond during the Presidential review period.

By order of the Commission.

Issued: April 11, 2023.

## INTERNATIONAL TRADE COMMISSION

### Agency Information Collection Activities; Submission for OMB Review; Renewal of Generic Clearance; Comment Request

**AGENCY:** International Trade Commission.

**ACTION:** Notice and comment request.

**SUMMARY:** Consistent with the Paperwork Reduction Act of 1995 the

U.S. International Trade Commission (Commission) has submitted a proposal for the collection of information to the Office of Management and Budget (OMB) for approval. The proposed information collection is a three-year extension of the current generic clearance (approved by OMB under Control No. 3117-0016) under which the Commission can issue information collections for import injury investigations and reviews that it is required to conduct under the Tariff Act of 1930, the Trade Act of 1974, and other trade remedy statutes that require or authorize the Commission to make findings or determinations. These investigations and reviews include: antidumping duty, countervailing duty, safeguards, other import competition, market disruption, interference with programs of the U.S. Department of Agriculture, and cross-border long-haul trucking. A full list of all the investigations and reviews associated with this generic clearance and their associated statutory authorities is available in the Commission's supporting statement to this **Federal Register** notice. Any comments submitted to OMB on the proposed information collection should be specific, indicating which part of the questionnaires or study plan are objectionable, describing the issue in detail, and including specific revisions or language changes. The Commission did not receive any comments in response to the 60-day notice that it published in the **Federal Register** on January 5, 2023.

**DATES:** Comments solicited under this notice must be submitted on or before May 15, 2023.

**Comments:** Comments about the proposal should be provided to the Office of Management and Budget, Office of Information and Regulatory Affairs through the Information Collection Review Dashboard at <https://www.reginfo.gov>. All comments should be specific, indicating which part of the renewal request is objectionable, describing the concern in detail, and including specific suggested revisions or language changes. Provide copies of any comments that you submit to OMB to Nancy Snyder, Director, Office of Analysis and Research Services, U.S. International Trade Commission at [Nancy.Snyder@usitc.gov](mailto:Nancy.Snyder@usitc.gov) and Nannette Christ, Director, Office of Investigations, U.S. International Trade Commission at [Nannette.Christ@usitc.gov](mailto:Nannette.Christ@usitc.gov).

**FOR FURTHER INFORMATION CONTACT:** You may obtain copies of the proposed collection of information and supporting documentation from Stamen
