

parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before November 20, 2023, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C.1675(c)(5)(B).

*Authority:* These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: April 13, 2023.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The ESODIS customer satisfaction survey is performed each year (2023 is the 20th collection) under the auspices of NASA HQ as one of their metrics reported to OMB as a part of the Reduction of Paperwork Act. In this survey, the public users of the EOSDIS system (through the 12 Distributed Active Archive Centers—DAACs) are encouraged to answer specific questions that aid NASA discern the overall user satisfaction of its Earth data system. NASA through DOI/FCG contracts the management of this survey to a private survey entity (CFI) so that the respondents are assured the survey and its results are collected in an unbiased manner. The survey has two portions, a general section of questions to understand aspects of the data system the user has engaged with, and a second section that is created by each of the 12 DAACs so that these centers can address

specific types of questions for that science domain community.

##### II. Methods of Collection

The collection of data from our respondents to wholly performed using an on-line, internet-based system that is developed and hosted by CFI.
