Final Directives That Have Been Issued Since January 1, 2023

Final FSH 2209.13, Grazing Permit Administration Handbook, chapter 80, Grazing Fees (chapter 80), has been issued since January 1, 2023. Chapter 80 is the first of 16 other chapters being updated and yet to be issued to provide greater management flexibility and improve the clarity of policies and procedures guiding responsible and consistent management of grazing on National Forest System lands. Chapters in FSM 2200, Rangeland Management, FSH 2209.13, Grazing Permit Administration Handbook, and FSH 2209.16, Allotment Management Handbook, are being reviewed and will be published later.

Final chapter 80 incorporates the final rule on excess and unauthorized grazing that became effective in August 2022. The final rule allows responsible officials to waive excess and unauthorized grazing fees when certain conditions are met. Final chapter 80 merely incorporates this regulation without revision. In addition, final chapter 80 incorporates current direction regarding excess and unauthorized use penalty rates. In final chapter 80, excess and unauthorized use penalty rates were revised to reflect current market value rather than the market value from the 1960s. The 60-

day comment period for the proposed directive began December 18, 2020, closed February 16, 2021, and was extended for 60 days to April 17, 2021.
