A Federal branch or agency that provides the OCC with the information specified in SEC Rule 12g3-2(b) need not incorporate that information by reference into the offering document. However, the Federal branch or agency must make that information available to the potential purchasers upon request.

### Section 16.7 Nonpublic Offerings

Offers and sales of national bank or Federal savings association issued securities that meet certain requirements will be exempt from the registration and prospectus requirements of part 16 if, among other things, the securities are offered and sold in a transaction that satisfies the requirements of SEC Regulation D (17 CFR part 230, Regulation D—Rules Governing the Limited Offer and Sale of Securities Without Registration Under the Securities Act of 1933) and all subsequent sales of national bank or Federal savings association issued securities subject to the limitations on resale of SEC Regulation D (17 CFR part 230, Regulation D—Rules Governing the Limited Offer and Sale of Securities Without Registration Under the Securities Act of 1933) must be made pursuant to SEC Rule 144 (17 CFR 230.144), SEC Rule 144A (17 CFR 230.144A), another exemption from registration under the Securities Act referenced in § 16.5, or in accordance with the registration and prospectus requirements of § 16.3.

### Section 16.15 Form and Content

Any registration statement filed pursuant to part 16 must be on the form for registration (17 CFR part 239) that the national bank or Federal savings association would be eligible to use were it required to register the securities under the Securities Act and must meet the requirements of the SEC regulations referred to in the applicable form for registration. Any registration statement or amendment filed pursuant to part 16 must comply with the requirements of SEC Regulation C (17 CFR part 230, Regulation C—Registration), except to the extent those requirements conflict with specific requirements of part 16. The registration statement for securities

issued by a national bank or Federal savings association that is not in compliance with the regulatory capital requirements set forth in 12 CFR part 3, as applicable, must be on the Form S-1 (17 CFR part 239) registration statement under the Securities Act. A national bank or Federal savings association in organization pursuant to 12 CFR 5.20 is not required to include audited financial statements as part of its registration statement for the offer and sale of its securities, or as part of its offering statement for the offer and sale of its securities pursuant to 12 CFR 16.8, unless the OCC determines that factors particular to the proposal indicate that inclusion of such statements would be in the interest of investors or would further the safe and sound operation of a national bank or Federal savings association.

### Section 16.17 Filing Requirements and Inspection of Documents

In every instance where part 16 refers to a section of the Securities Act or the Exchange Act or an SEC rule that requires the filing of a notice or other document with the SEC, national banks and Federal savings associations must file that notice or other document with the OCC. Any filing of amendments or revisions under part 16 must include two copies, one of which must be marked to indicate, clearly and precisely, by underlining or in some other appropriate manner, the changes made.
