

4, 2023, to be considered by the DACODAI membership prior to its May 11-12, 2023 meeting.

Dated: April 18, 2023.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

[FR Doc. 2023-08517 Filed 4-21-23; 8:45 am]

BILLING CODE 5001-06-P

**DEPARTMENT OF DEFENSE**

**Office of the Secretary**

[Transmittal No. 20-0I]

**Arms Sales Notification**

**AGENCY:** Defense Security Cooperation Agency, Department of Defense (DoD).

**ACTION:** Arms sales notice.

**SUMMARY:** The DoD is publishing the unclassified text of an arms sales notification.

**FOR FURTHER INFORMATION CONTACT:** Neil Hedlund at *neil.g.hedlund.civ@mail.mil* or (703) 697-9214.

**SUPPLEMENTARY INFORMATION:** This 36(b)(5)(C) arms sales notification is published to fulfill the requirements of section 155 of Public Law 104-164 dated July 21, 1996. The following is a copy of a letter to the Speaker of the House of Representatives with attached Transmittal 20-0I.

Dated: April 19, 2023.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001-06-P

**DEFENSE SECURITY COOPERATION AGENCY  
201 12<sup>TH</sup> STREET SOUTH, SUITE 101  
ARLINGTON, VA 22202-5408**

DEC 08 2021

The Honorable Nancy Pelosi  
Speaker of the House  
U.S. House of Representatives  
H-209, The Capitol  
Washington, DC 20515

Dear Madam Speaker:

Pursuant to the reporting requirements of Section 36(b)(5)(C) of the Arms Export Control Act (AECA), as amended, we are forwarding Transmittal No. 20-0I. This notification relates to enhancements or upgrades from the level of sensitivity of technology or capability described in the Section 36(b)(1) AECA certification 16-58 of November 17, 2016.

Sincerely,

Jedidiah P. Royal  
Acting Director

Enclosures:

- 1. Transmittal
- 2. Regional Balance (Classified document provided under separate cover)

BILLING CODE 5001-06-C

Transmittal No. 20-01

*REPORT OF ENHANCEMENT OR UPGRADE OF SENSITIVITY OF TECHNOLOGY OR CAPABILITY (SEC. 36(B)(5)(C), AECA)*(i) (U) *Prospective Purchaser:*

Government of Qatar

(ii) (U) Sec. 36(b)(1), AECA

Transmittal No.: 16-58

Date: November 17, 2016

Military Department: Air Force

(U) *Description:* On November 17, 2016, Congress was notified by Congressional certification transmittal number 16-58 of the possible sale under Section 36(b)(1) of the Arms Export Control Act of weapons, equipment, and support for: seventy-two (72) F-15QA aircraft, one hundred forty-four (144) F-110-GE-129 aircraft engines, eighty (80) Advanced Display Core Processor II (ADCP II), eighty (80) Digital Electronic Warfare Suites (DEWS), eighty (80) M61A "Vulcan" gun systems, eighty (80) Link-16 systems, one hundred sixty (160) Joint Helmet Mounted Cueing Systems (JHMCS), three hundred twelve (312) LAU-128 missile launchers, eighty (80) AN/APG-82(V)1 Active Electronically Scanned Array (AESA) radars, one hundred sixty (160) Embedded OPS/Inertial Navigation Systems (INS) (EGI), eighty (80) AN/AAQ-13 LANTIRN navigation pods w/ containers, eighty (80) AN/AAQ-33 SNIPER Advanced Targeting Pods w/ containers, eighty (80) AN/AAS-42 Infrared Search and Track Systems (IRST), two hundred (200) AIM-9X Sidewinder missiles, seventy (70) AIM-9X Captive Air Training Missiles (CATM), eight (8) AIM-9X special training missiles, twenty (20) CATM AIM-9X missile guidance units, twenty (20) AIM-9X tactical guidance kits, two hundred fifty (250) AIM-120C7 Advanced Medium Range Air-to-Air Missiles (AMRAAM), five (5) AIM-120C7 spare guidance kits, one hundred (100) AGM-88 High Speed Anti-Radiation Missiles (HARM), forty (40) AGM-88 HARM CATMs, two hundred (200) AGM-154 Joint Standoff Weapons (JSOW), eighty (80) AGM-84L-1 Standoff Strike anti-ship missiles (Harpoon), ten (10) Harpoon exercise missiles, two hundred (200) AGM-65G2 (Maverick) missiles, five hundred (500) GBU-38 Joint Direct Attack Munitions (JDAM) guidance kits, five hundred (500) GBU-31(VI) JDAM guidance kits, two hundred fifty (250) GBU-54 Laser JDAM guidance kits, two hundred fifty (250) GBU-56 Laser JDAM guidance kits, five hundred (500) BLU-117B bombs, five hundred (500) BLU-117B

bombs, six (6) MK-82 Inert bombs, and one thousand (1,000) FMU-152 Joint programmable fuzes. Also included were ACMI (P5) Training Pods, Reece Pods (DB-110), Conformal Fuel Tanks (CFTs), Identification Friend/Foe (IFF) system, AN/AVS-9 Night Vision Goggles (NVG), ARC-210 UHF/UVF radios, LAU-118(v)1/A, LAU-117-AV2A, associated ground support, training materials, mission critical resources and maintenance support equipment, the procurement for various weapon support and test equipment spares, technical publications, personnel training, simulators, and other training equipment, U.S. Government and contractor engineering, technical and logistics support services; and other related elements of logistical and program support. The estimated total cost was \$21.1 billion. Major Defense Equipment (MDE) constituted \$11.5 billion of this total.

On January 5, 2018, Congress was notified by Congressional certification transmittal number 0C-17 for the replacement of the previously notified two hundred (200) AGM-65H/K (Maverick) missiles (MDE), with two hundred (200) AGM-65G (Maverick) missiles (MDE); the inclusion of eighty (80) AAR-57A Common Missile Warning Systems (MDE), which were included in the total value of the DEWS systems previously notified, but not enumerated as MDE in the original notification; the replacement of five hundred (500) BLU-111B bombs, five hundred (500) BLU-117B bombs, and six (6) MK-82 Inert bombs (all MDE), with five hundred (500) BLU-111B or MK-82 (500lbs) bombs, five hundred (500) BLU-117B or MK-84 (2,000lbs) bombs, and six (6) MK-82 Inert bombs (all MDE); and the inclusion of the following sub-components of JDAM and Laser JDAM guidance kits. The MDE sub-components were included in the total value previously notified, but not enumerated in the original notification:

a. Two hundred fifty (250) GBU-38 JDAMs with KMU-572 Air Foil Groups (AFG) (MDE).

b. Two hundred fifty (250) GBU-31 JDAMs with KMU-557 AFG (MDE),

c. Two hundred fifty (250) GBU-54 Laser JDAMs with KMU-572 AFG (MDE) and DSU-38 Laser Seeker, and

d. Two hundred fifty (250) GBU-56 Laser JDAMs with KMU-557 AFG (MDE) and DSU-40 Laser Seeker

The replacement or upgrading of the equipment to MDE did not result in a change to the estimated cost of MDE of \$11.5 billion. The total estimated case value remained \$21.1 billion.

On November 28, 2018, Congress was notified by Congressional certification

transmittal number 0L-18 reported the inclusion of additional training assets as MDE to support the previously notified AGM-65 (Maverick) missiles: five (5) TGM-65 Maverick-Missile Aircrew Trainer; one (1) TGM-65 Maverick-Missile Load Trainer; and one (1) TGM-65 Maverick-Missile Maintenance Trainer. The estimated value of the additional MDE items was \$3.5 million but its addition did not result in a net increase in the MDE value notified. The total estimated case value remained \$21.1 billion.

This transmittal reports the inclusion of up to five hundred (500) GBU-39/B Small Diameter Bombs Increment I (SDB I) (MDE); one (1) GBU-39 A/B Focused Lethality Munition (FLM) practice bomb (MDE); one (1) GBU-39 B/B Laser SDB practice bomb (MDE); four (4) MS-110 Reconnaissance Pod Retrofit Kits (non-MDE); two (2) Transportable Ground Station Upgrades (non-MDE); one (1) Fixed Ground Station Upgrade (non-MDE); and associated spares; systems/materiel; support; and services. These additional MDE and non-MDE items are valued at \$35 million in MDE and \$220 million in non-MDE. However, the total estimated case value will remain \$21.1 billion.

(iii) (U) *Significance:* This notification is being provided to report the inclusion of MDE that were not enumerated at the time of the original notification. Inclusion of these items of MDE/non-MDE results in an increase in capability over what was originally notified. This equipment will support the requested weapon system, support the capabilities of Qatar's F-15QA fleet, and contribute to interoperability with the United States.

(iv) (U) *Justification:* This proposed sale will support the foreign policy and national security objectives of the United States. Qatar is an important force for political stability and economic progress in the Arabian Gulf region. The procurement of SDBs, MS-110 Retrofit Kits, and associated materiel/services will significantly improve Qatar's defense capabilities to meet current and future threats and deter regional aggression.

(v) (U) *Sensitivity of Technology:*

1. The GBU-39/B Small Diameter Bomb Increment I (SDB I) is a 250-pound weapon designed as a small, all weather, autonomous, conventional, air-to-ground, precision glide weapon able to strike fixed and stationary re-locatable targets from standoff range. The SDB I weapon system consists of the weapons, the BRU-61/A (4- place pneumatic carriage system), shipping and handling containers for a single weapon and the BRU-61/A either empty

or loaded, and a weapon planning module. It has integrated diamond-back type wings that deploy after release, which increase the glide time and therefore maximum range. The SDB I Anti-Jam Global Positioning System aided Inertial Navigation System (AJGPS/INS) provides guidance to the coordinates of a stationary target. The payload/warhead is a very effective multipurpose penetrating and blast fragmentation warhead couples with a cockpit selectable electronic fuze. Its size and accuracy allow for an effective munition with less collateral damage. A proximity sensor provides height of burst capability.

2. An MS-110 Retrofit kit converts a DB-110 into an MS-110. The MS-110 is a Non-Program of Record tactical reconnaissance pod with long range, day/night, multi-spectral sensor technology. The multi-spectral sensor lets the end user see color and better distinguish subtle features that a DB-110's dual band imagery cannot. The pod can transmit imagery via a datalink to ground-stations for near-real time analysis and exploitation. The pod is designed for carriage on fighter jets. There are no advanced technologies in the system, subsystems, equipment or technical manuals that could be exploited by a technologically-advanced adversary.

(vi) (U) *Date Report Delivered to Congress*: December 8, 2021

BILLING CODE 5001-06-P

## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### Reserve Forces Policy Board; Notice of Federal Advisory Committee Meeting

**AGENCY:** Under Secretary of Defense for Personnel and Readiness, Department of Defense (DoD).

**ACTION:** Notice of Federal Advisory Committee meeting.

**SUMMARY:** The DoD is publishing this notice to announce that the following Federal Advisory Committee meeting of the Reserve Forces Policy Board (RFPB) will take place.

**DATES:** The RFPB will hold a two-day open meeting to the public on Tuesday, May 9, 2023, from 8:30 a.m. to 5:30 p.m. at the U.S. Capitol Visitor Center, Washington, DC, and on Wednesday, May 10, 2023, from 8:45 a.m. to 4 p.m. at the American Legion, Washington, DC.

**ADDRESSES:** The RFPB meeting address is the Capitol Visitor Center, First Street SE, Washington, DC, on May 9, 2023, and the American Legion Headquarters, 1608 K Street NW, Washington, DC, on May 10, 2023.

**FOR FURTHER INFORMATION CONTACT:** Colonel Rich Sudder, Designated Federal Officer (DFO) at [richard.m.sudder.mil@mail.mil](mailto:richard.m.sudder.mil@mail.mil) or (571) 236-7991. Mailing address: Reserve Forces Policy Board, 5109 Leesburg Pike, Suite 501, Falls Church, VA 22041. Website: <https://rfpb.defense.gov/>. The most up-to-date changes to the meeting agenda can be found on the website.

**SUPPLEMENTARY INFORMATION:** This meeting is being held under the provisions of chapter 10 of title 5, U.S.C. (commonly known as the "Federal Advisory Committee Act" or "FACA"), section 552b of title 5, U.S.C. (commonly known as the "Government in the Sunshine Act"), and 41 CFR 102-3.140 and 102-3.150.

**Purpose of the Meeting:** The purpose of the meeting is to obtain, review, and evaluate information related to strategies, policies, and practices designed to improve and enhance the capabilities, efficiency, and effectiveness of the Reserve Components.

**Agenda:** The RFPB will hold a two-day open meeting to the public on Tuesday, May 9, 2023, from 8:30 a.m. to 5:30 p.m., and Wednesday, May 10, 2023, from 8:45 a.m. to 4 p.m. The May 9 meeting at the Capitol Visitor Center will focus on discussions with: the Secretary of Defense (invited), or designee, will address key National Defense Strategy challenges facing our Nation, and the priorities for the Total Force integrating the Reserve Component; representatives from the Reserve Organization of America will provide an update on their priorities involving the Reserve Component, families, and veterans; National Guard Association of the United States representatives will discuss priorities to improve the relevance, readiness, and modernization of the National Guard, to include quality of life initiatives; a representative of the Blue Star Families will discuss their priorities to strengthen military families and programs to solve the unique challenges of military family life; a representative from Women in Military Service will present on military women and their service, courage, patriotism, and leadership; National Guard and Reserve Component representatives will provide updates on the status of current legislative proposals and their impacts

to the Reserve Components; the RFPB subcommittee break-out sessions with the Subcommittee for Integration of Total Force Personnel Policy, the Subcommittee for the Reserve Components' Role in Homeland Defense and Support to Civil Authorities, and the Subcommittee for Total Force Integration will conduct discussions on their subcommittees' priorities and focus areas received from this meeting's discussions and other areas where the Board can best provide support to the taskings of the Secretary of Defense and the sponsor, the Under Secretary of Defense for Personnel and Readiness (USD(P&R)); key representatives from the Senate Armed Services Committee's (SASC) Personnel Subcommittee and Airland Subcommittee, the Senate Committee on Homeland Security and Governmental Affairs, the House Armed Services Committee's (HASC) Military Personnel Subcommittee and Tactical Air and Land Forces Subcommittee, the House Committee on Homeland Security, the Guard and Reserve Components Caucus, and the For Country Caucus, will discuss their respective committee and subcommittee initiatives, policies, and programs directly related to the National Guard and Reserve Components; and lastly, end of day remarks by the RFPB Chair.

The May 10 meeting at the American Legion, Washington, DC, will focus on discussions with: key representatives from the Office of Secretary of Defense (OSD) and the Military Services will discuss recruiting initiatives, marketing strategies, and projections from each Service's end-strength goals; key representatives from the Office for Diversity, Equity, and Inclusion, Office of the USD(P&R), will discuss Department of Defense's initiatives and priorities to ensure a diverse workforce; the RFPB subcommittee break-out sessions with the Subcommittee for Integration of Total Force Personnel Policy, the Subcommittee for the Reserve Components' Role in Homeland Defense and Support to Civil Authorities, and the Subcommittee for Total Force Integration will conduct discussions on their subcommittees' priorities and focus areas received from this meeting's discussions and other areas where the Board can provide support to the taskings of the Secretary of Defense and the sponsor, USD(P&R), involving the Reserve Component; Major General Anne Gunter, Special Assistant to the Chief, Air Force Reserve for Reserve Space Personnel Policy and Integration, will provide updates on the status of the Space Force legislative proposals and consideration for the
