

Committee will then divide into two subcommittees to discuss the issue regarding prospective applicants for FSIS inspection and existing small and very small establishments currently receiving FSIS inspection, respectively. Each subcommittee will provide a report of their comments and recommendations to the full Committee before the meeting concludes on June 22, 2023. FSIS will finalize the agenda on or before the meeting dates and post it on the FSIS website at: <https://www.fsis.usda.gov/news-events/events-meetings>.

Registration and Meeting Materials

There is no fee to register for the public meeting, but pre-registration is mandatory for participants attending. All attendees must register online at <https://www.fsis.usda.gov/news-events/events-meetings>.

Public Comments and Participation in Meetings

Stakeholders will have an opportunity to provide oral comments during the public meeting. Stakeholders must notify FSIS during registration of their wish to speak at the meeting. Stakeholders who do not notify FSIS during registration of their wish to speak will not have the opportunity to comment on the day of the public meeting. Due to the anticipated high level of interest in the opportunity to make public comments and the limited time available to do so, FSIS will do its best to accommodate all persons who registered and requested to provide oral comments and will limit all speakers to three minutes. FSIS encourages persons and groups who have similar interests to consolidate their information for presentation by a single representative.

Transcripts

As soon as the meeting transcripts are available, they will be accessible on the FSIS website at: <https://www.fsis.usda.gov/policy/advisory-committees/national-advisory-committee-meat-and-poultry-inspection-nacmpi>. The transcripts may also be viewed at the FSIS Docket Room at the address listed above.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS web page located at: <https://www.fsis.usda.gov/federal-register>.

FSIS will also announce and provide a link to this **Federal Register** publication through the FSIS

Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The *Constituent Update* is available on the FSIS web page. Through the web page, FSIS can provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <https://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves and have the option to password protect their accounts.
