Proposed Collection; 60-Day Comment Request; ABCD Study[®] Data Use Certification (National Institute on Drug Abuse)

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement of the Paperwork Reduction Act of 1995 to provide opportunity for public comment on proposed data collection projects, the National Institute on Drug Abuse (NIDA) will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval. DATES: Comments regarding this information collection are best assured of having their full effect if received within 60 days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments, submit

comments in writing, or request more information on the proposed project, contact: Dr. Elizabeth A. Hoffman, Senior Scientific Program Manager, Division of Extramural Research, National Institute on Drug Abuse, 3WFN Room 09C75 MSC 6021, Gaithersburg, MD 20877, or call non-toll-free number (301) 594–2265 or Email your request, including your address to: *elizabeth.hoffman@nih.gov.* Formal requests for additional plans and instruments must be requested in writing.

SUPPLEMENTARY INFORMATION: Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 requires: written comments and/or suggestions from the public and affected agencies are invited to address one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

ESTIMATED ANNUALIZED BURDEN HOURS

Proposed Collection Title: ABCD Study[®] Data Use Certification, 0925– NEW, exp., date XX/XX/XXXX, National Institute on Drug Abuse (NIDA), National Institutes of Health (NIH).

Need and Use of Information *Collection:* The purpose of this proposal is to inform data requestors about terms and conditions for using data generated by the Adolescent Brain Cognitive Development^(SM) (ABCD) Study and to obtain signed agreements from requestors and their institutional officials attesting to their commitment to abide by the data use terms and conditions. These include using data for research purposes; adhering to human subjects research requirements; not distributing the data to non-authorized users; minimizing risk of participant identifiability; using data ethically and responsibly; and keeping the data secure. Users must include a brief description of their research project and submit their signed data use agreements to the data repository to gain access to the ABCD Study® data. Users who plan to conduct research studies specifically on American Indian/Alaska Native (AI/ AN) populations must submit an additional signed data use certification.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 2,000.

Type of respondent	Number of respondents	Number of responses per respondent	Average time per response (in hours)	Total annual burden hour
Individuals (standard DUC form) Individuals (additional Al/AN DUC form when needed)	1800 200	1	1	1800 200

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2023 Notice of Supplemental Funding Opportunity

AGENCY: Substance Abuse and Mental Health Services Administration, Department of Health and Human Services (HHS).

ACTION: Notice of intent to award supplemental funding.

SUMMARY: This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA) is supporting an administrative supplement of up to \$900,000 for one grant recipient funded in FY 2019 under the National Center of Excellence for Infant and Early Childhood Mental Health Consultation, Notice of Funding Opportunity (NOFO) SM-19-010, with a project end date of April 29, 2024. The supplemental funding is to support Project LAUNCH and Infant and Early Childhood Mental Health grant recipients by: provide training and technical assistance via individual/grantee-level technical assistance, ECHO style learning communities, peer-to-peer learning, expert presentations, and development of resources on advancing best practices; assist grant recipients in

working with state-level systems and leaders to integrate innovations into ongoing initiatives, policies, and sustainable funding streams: assist grant recipients with the development of new early childhood efforts (e.g., statewide mental health consultation systems, infant mental health associations, offices of early childhood mental health); support grant recipients with sharing best practices and advances in infant and early childhood mental health with the early childhood field through webinars, presentations at conferences, and/or development of materials about specific grant programs that can be shared with local, tribal, and state stakeholders; and, conduct a virtual grantee meeting or policy academy to engage all grant recipients in peer learning and technical assistance.

FOR FURTHER INFORMATION CONTACT:

Brooke Sims, Government Project Officer, Substance Abuse and Mental Health Services Administration, 5600 Fishers Lane, Rockville, MD 20857, telephone 240–276–1861; *brooke.sims@ samhsa.hhs.gov.*

SUPPLEMENTARY INFORMATION:

Funding Opportunity Title: FY 2019 National Center of Excellence for Infant and Early Childhood Mental Health Consultation SM–19–010.

Assistance Listing Number: 93.243. Authority: Section 520A of the Public Health Service Act, as amended.

Justification: Eligibility for this supplemental funding is limited to Georgetown University, which was funded in FY 2019 under the National Center of Excellence for Infant and Early Childhood Mental Health Consultation grant program, NOFO SM-18-010. The recipient has special expertise in providing training and technical assistance to support Project LAUNCH and IECMH grant recipients in improving outcomes for children through service provision to children and families, mental health consultation to early childhood programs, and training early childhood providers and clinicians.

This is not a formal request for application. Assistance will only be provided to the COE–IECMHC grant recipient based on the receipt of a satisfactory application and associated budget that is approved by a review group.
