

Cultural Affiliation

The cultural items in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: archeological, geographical, historical, other information, and expert opinion.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the U.S. Army Corps of Engineers, Mobile District has determined that:

- The 42 cultural items described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual.
- There is a relationship of shared group identity that can be reasonably traced between the cultural items and The Chickasaw Nation.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the

evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after May 26, 2023. If competing requests for repatriation are received, the U.S. Army Corps of Engineers, Mobile District must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The U.S. Army Corps of Engineers, Mobile District is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

Notice of Inventory Completion Amendment: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.

ACTION: Notice; amendment.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the

Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has amended a Notice of Inventory Completion Amendment published in the **Federal Register** on September 15, 2022. This notice amends the number of associated funerary objects in a collection removed from Marion County, TN.

DATES: Disposition of the human remains and associated funerary objects in this notice may occur on or after May 26, 2023.

ADDRESSES: Patricia Capone, PMAE, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496-3702, email *pcapone@fas.harvard.edu*.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of PMAE. The National Park Service is not responsible for the determinations in this notice. Additional information on the amendments and determinations in this notice, including the results of consultation, can be found in the inventory or related records held by PMAE.

Amendment

This notice amends the determinations published in a Notice of Inventory Completion and Notice of Inventory Completion Amendment in the **Federal Register** (83 FR 65733-65734, December 21, 2018 and 87 FR 56697-56698, September 15, 2022). Disposition of the items in the original and Amended Notice of Inventory Completion notices has not occurred. This notice amends the count of the number of associated funerary objects.

ASSOCIATED FUNERARY OBJECTS

Site	Original No.	Amended No.	Amended description
Cave near Jasper in Marion County, TN.	33	27	26 faunal bone fragments and one ground stone.
Holloway Mounds in Marion County, TN.	59	57	one biface, 14 projectile points, one broken projectile point, one quartz discoidal, 39 shell beads, and one box of shell beads.

Determinations (As Amended)

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes, PMAE has determined that:

- The human remains represent the physical remains of 23 individuals of Native American ancestry.

• The 84 objects are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

• No relationship of shared group identity can be reasonably traced between the human remains and associated funerary objects and any Indian Tribe.

• The human remains and associated funerary objects were removed from the aboriginal land of the Cherokee Nation; Eastern Band of Cherokee Indians; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

Requests for Disposition

Written requests for disposition of the human remains and associated funerary

objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for disposition may be submitted by:

1. Any one or more of the Indian Tribes identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization, or who shows that the requestor is an aboriginal land Indian Tribe.

Disposition of the human remains and associated funerary objects in this notice to a requestor may occur on or after May 26, 2023. If competing requests for disposition are received, PMAE must determine the most appropriate requestor prior to disposition. Requests for joint disposition of the human remains and associated funerary objects are considered a single request and not competing requests. PMAE is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, 10.11, and 10.13.

Dated: April 19, 2023.

Bureau of Ocean Energy Management

[Docket No. BOEM-2023-0025]

Commercial Leasing for Wind Power Development on the Gulf of Maine Outer Continental Shelf (OCS)—Call for Information and Nominations

AGENCY: Bureau of Ocean Energy Management (BOEM or we), Interior.

ACTION: Call for information and nominations; request for comments.

SUMMARY: This call for information and nominations (Call or notice) invites public comment on, and assesses interest in, possible commercial wind energy leasing on the U.S. OCS in the Gulf of Maine. On August 19, 2022, BOEM initiated the competitive leasing process by issuing a request for interest (RFI) to solicit indications of interest and other information for BOEM to determine whether competitive interest existed for scheduling lease sales. This

Call represents the next step in the competitive leasing process. The Call area is identified and described in section 6 below. Those interested in providing comments or information regarding site conditions, resources, and multiple uses in close proximity to or within the Call area should provide the information requested in section 7, “Requested Information from Interested or Affected Parties,” under the “Supplementary Information” heading of this Call. Those interested in leasing within the Call area for a commercial wind energy project should provide the information described in section 8, “Required Nomination Information,” under “Supplementary Information.” BOEM may or may not offer a lease for a commercial offshore wind energy project within the Call area after further government consultations, public participation, and environmental analyses.

DATES: Your interest in or comments on commercial leasing within the Call area must be received by BOEM no later than June 12, 2023. Late submissions may not be considered.

ADDRESSES: Please submit nomination information for commercial leasing as discussed in section 8 entitled “Required Nomination Information” electronically via email to renewableenergy@boem.gov or hard copy by mail to the following address: Zachary Jylkka, Bureau of Ocean Energy Management, Office of Renewable Energy Programs, 45600 Woodland Road, Mailstop: VAM-OREP, Sterling, VA 20166. If you elect to mail a hard copy, also include an electronic copy on a portable storage device. Do not submit nominations via the Federal eRulemaking Portal. BOEM will list the qualified parties that submitted nominations and the aggregated locations of nominated areas on its website after review of the nominations.

Please submit all other comments and information by either of the following two methods:

1. *Federal eRulemaking Portal:* <http://www.regulations.gov>. In the search box at the top of the web page, enter BOEM-2023-0025 and then click “search.” Follow the instructions to submit public comments and to view supporting and related materials.

2. *By mail to the following address:* Bureau of Ocean Energy Management, Office of Renewable Energy Programs, 45600 Woodland Road, Mailstop: VAM-OREP, Sterling, VA 20166.

Treatment of confidential information is addressed in section 9 of this notice entitled “Protection of Privileged, Personal, or Confidential Information.”

BOEM will post all comments received on [regulations.gov](https://www.regulations.gov) unless labeled as confidential.

FOR FURTHER INFORMATION CONTACT: Zachary Jylkka, Bureau of Ocean Energy Management, Office of Renewable Energy Programs, 45600 Woodland Road (VAM-OREP), Sterling, Virginia 20166. (978) 491-7732 or Zachary.Jylkka@boem.gov.

For information regarding qualification requirements to hold an OCS wind energy lease, contact Gina Best, BOEM Office of Renewable Energy Programs, at Gina.Best@boem.gov or (703) 787-1341.

SUPPLEMENTARY INFORMATION:

1. Authority

This Call is published under subsection 8(p)(3) of the Outer Continental Shelf Lands Act (OCSLA), 43 U.S.C. 1337(p)(3), and its implementing regulations at 30 CFR 585.210 and 585.211.

2. Purpose

The OCSLA requires BOEM to award leases competitively unless BOEM determines that there is no competitive interest (43 U.S.C. 1337(p)(3)). The primary purpose of this Call is to collect further information and feedback on industry interest, site conditions, resources, and ocean uses within, and surrounding, the Call area.

An essential part of BOEM’s renewable energy leasing process is working closely with Federal agencies, Tribes, State and local governments, industry, and ocean users to identify areas that may be suitable for potential offshore wind development to power the Nation. BOEM has not yet determined which areas, if any, within the Call area may be offered for lease. Your input is essential and will help BOEM determine areas that may be suitable for offshore wind development. There will be multiple opportunities to provide feedback throughout the renewable energy planning and leasing process, including if BOEM receives any project proposals in the future. A detailed description of the Call area may be found below in section 6, “Description of Call Area.” For more information about BOEM’s competitive and noncompetitive leasing processes, please see section 4, “BOEM’s Planning and Leasing Process.”

3. Background

The Energy Policy Act of 2005 amended OCSLA by adding subsection 8(p)(1)(C), which authorizes the Secretary of the Interior (Secretary) to grant leases, easements, and rights-of-
