

Federal accounting requirements. Consistent with R&M's previous analyses, Cotton also determined that the most appropriate indirect allocation method continues to be the Direct Labor Cost Base for all three DARRP component organizations. The Direct Labor Cost Base is computed by allocating total indirect cost over the sum of direct labor dollars, plus the application of NOAA's leave surcharge and benefits rates to direct labor. Direct labor costs for contractors from ERT, Inc. (ERT), Freestone Environmental Services, Inc. (Freestone), and Genwest Systems, Inc. (Genwest) were included in the direct labor base because Cotton determined that these costs have the same relationship to the indirect cost pool as NOAA direct labor costs. ERT, Freestone, and Genwest provided on-site support to the DARRP in the areas of injury assessment, natural resource economics, restoration planning and implementation, and policy analysis. Subsequent notices have been published in the **Federal Register** as follows:

- FY 2002, published on October 6, 2003 (68 FR 57672)
- FY 2003, published on May 20, 2005 (70 FR 29280)
- FY 2004, published on March 16, 2006 (71 FR 13356)
- FY 2005, published on February 9, 2007 (72 FR 6221)
- FY 2006, published on June 3, 2008 (73 FR 31679)
- FY 2007 and FY 2008, published on November 16, 2009 (74 FR 58948)
- FY 2009 and FY 2010, published on October 20, 2011 (76 FR 65182)
- FY 2011, published on September 17, 2012 (77 FR 57074)
- FY 2012, published on August 29, 2013 (78 FR 53425)
- FY 2013, published on October 14, 2014 (79 FR 61617)
- FY 2014, published on December 17, 2015 (80 FR 78718)
- FY 2015, published on August 22, 2016 (81 FR 56580)

Empirical Concepts developed the DARRP indirect rates for FY 2016 through FY 2019. Empirical reaffirmed that the Direct Labor Cost Base is the most appropriate indirect allocation method for the development of the FY 2016, 2017, 2018, and 2019 indirect cost rates. The **Federal Register** notice for these rates can be found at the following:

- FY 2016 and FY 2017, published on October 16, 2019 (84 FR 55283)
- FY 2018, published on August 5, 2020 (85 FR 47358)
- FY 2019, published on August 24, 2021 (86 FR 47300)

Empirical Concepts developed the DARRP indirect rates for FY 2020 and

reaffirmed the Direct Labor Cost Base as the most appropriate indirect allocation for the development of the FY 2020 indirect cost rates.

The DARRP's Indirect Cost Rates and Policies

The DARRP will apply the indirect cost rates for FY 2020 as recommended by Empirical Concepts for each of the DARRP component organizations as provided in the following table:

DARRP component organization	FY 2020 indirect rate (%)
Office of Response and Restoration (ORR)	128.19
Restoration Center (RC)	77.13
General Counsel Natural Resources Section (GCNRS)	42.98

The FY 2020 rates will be applied to all damage assessment and restoration case costs incurred between October 1, 2019 and September 30, 2020 effective May 1, 2023. DARRP will use the FY 2020 indirect cost rates for future fiscal years, beginning with FY 2021, until subsequent year-specific rates can be developed.

For cases that have settled and for cost claims paid prior to the effective date of the fiscal year in question, the DARRP will not re-open any resolved matters for the purpose of applying the revised rates in this policy for these fiscal years. For cases not settled and cost claims not paid prior to the effective date of the fiscal year in question, costs will be recalculated using the revised rates in this policy for these fiscal years. Where a responsible party has agreed to pay costs using previous year's indirect rates, but has not yet made the payment because the settlement documents are not finalized, the costs will not be recalculated.

Scott Lundgren,

Director, Office of Response and Restoration, National Ocean Service, National Oceanic and Atmospheric Administration.

National Oceanic and Atmospheric Administration

[RTID 0648-XC909]

Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting.

SUMMARY: The Pacific Fishery Management Council's (Pacific Council) Ad Hoc Ecosystem Workgroup (EWG) is holding an online meeting, which is open to the public.

DATES: The online meeting will be held Monday, May 15, 2023, from 10 a.m. to 2:30 p.m. and Wednesday, May 17, 2023, from 9 a.m. to 12 p.m.

ADDRESSES: This meeting will be held online. Specific meeting information, including directions on how to join the meeting and system requirements will be provided in the meeting announcement on the Pacific Council's website (see www.pcouncil.org). You may send an email to Mr. Kris Kleinschmidt (kris.kleinschmidt@noaa.gov) or contact him at (503) 820-2412 for technical assistance.

Council address: Pacific Fishery Management Council, 7700 NE Ambassador Place, Suite 101, Portland, OR 97220-1384.

FOR FURTHER INFORMATION CONTACT: Kit Dahl, Staff Officer, Pacific Council; telephone: (503) 820-2422.

SUPPLEMENTARY INFORMATION: The EWG presented a proposed workplan for the Fishery Ecosystem Plan Ecosystem and Climate Information Initiative (Initiative 4), which the Council endorsed. Under this initiative, in the near term the EWG will develop risk tables and related methodologies to integrate ecosystem and climate information into Council decision-making on harvest specifications for petrale sole and possibly other species. In addition to petrale sole, the Council also asked the EWG to consider development of related methodologies for sablefish, Pacific sardine, and Chinook salmon. The EWG will present draft risk tables and related methodologies to the Council at its September meeting. Risk tables are a structured approach to integrate ecosystem and climate information into the decision-making process. At its meeting the EWG will begin developing risk tables and related methodologies for selected species in consultation with members of the Council's Groundfish Management Team. The EWG also may discuss and begin planning potential initiative-related activities following the September Council meeting.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this

document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt (kris.kleinschmidt@noaa.gov; (503) 820-2412) at least 10 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 24, 2023.

Rey Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[RTID 0648-XC951]

Gulf of Mexico Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting; virtual only.

SUMMARY: The Gulf of Mexico Fishery Management Council will hold a half-day virtual only meeting of its Shrimp Advisory Panel (AP).

DATES: The meeting will convene Thursday, May 18, 2023, from 8:30 a.m. to 12 p.m., EDT. For agenda details, see **SUPPLEMENTARY INFORMATION**.

ADDRESSES: The meeting will convene via webinar only. Registration and log-on information will be available on the Council's website by visiting www.gulfcouncil.org and clicking on the Shrimp AP meeting on the calendar.

Council address: Gulf of Mexico Fishery Management Council, 4107 W Spruce Street, Suite 200, Tampa, FL 33607; telephone: (813) 348-1630.

FOR FURTHER INFORMATION CONTACT: Dr. Matt Freeman, Economist, Gulf of Mexico Fishery Management Council; matt.freeman@gulfcouncil.org, telephone: (813) 348-1630.

SUPPLEMENTARY INFORMATION: The following items are on the agenda, though agenda items may be addressed

out of order (changes will be noted on the Council's website, when possible).

Thursday, May 18, 2023; 8:30 a.m.–12 p.m. EDT (7:30 a.m.–11 a.m. CDT)

Meeting will begin with Adoption of Agenda and Scope of Work. The AP will hold a discussion on the National Marine Fisheries Services' (NMFS) Draft Budget Proposal for Congressional Funds for *Shrimp* Vessel Position Data Reporting.

The AP will receive any public testimony.

Meeting Adjourns—

The meeting will be held via webinar only. You may register by visiting www.gulfcouncil.org and clicking on the Shrimp Advisory Panel meeting on the calendar.

The Agenda is subject to change, and the latest version along with other meeting materials will be posted on www.gulfcouncil.org as they become available.

Although other non-emergency issues not on the agenda may come before the Advisory Panel for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), those issues may not be the subject of formal action during this meeting. Actions will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take action to address the emergency at least 5 working days prior to the meeting.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid or accommodations should be directed to Kathy Pereira, kathy.pereira@gulfcouncil.org, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 24, 2023.

Rey Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

South Atlantic Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The South Atlantic Fishery Management Council (Council) will hold a meeting of its Habitat Protection and Ecosystem-Based Management Advisory Panel (Habitat AP) in Charleston, SC.

DATES: The Habitat AP will meet on Tuesday, May 16, 2023, from 1 p.m. until 4 p.m.; Wednesday, May 17, 2023, from 9 a.m. to 4 p.m.; and Thursday, May 18, 2023, from 9 a.m. to 12 p.m.

ADDRESSES:

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

Meeting address: The meeting will be held at the Town and Country Inn, 2008 Savannah Highway, Charleston, SC 29407; phone: (843) 571-1000.

The meeting is open to the public and will also be available via webinar. Registration is required. Webinar registration, an online public comment form, and briefing book materials will be available two weeks prior to the meeting at: <https://safmc.net/advisory-council-meetings/>.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer, SAFMC; phone: (843) 571-4366 or toll free: (866) SAFMC-10; fax: (843) 769-4520; email: kim.iverson@safmc.net.

SUPPLEMENTARY INFORMATION: The Habitat AP meeting agenda includes the following: NOAA Fisheries South Atlantic Climate Vulnerability Assessment; NOAA Fisheries Habitat Conservation Division's Essential Fish Habitat (EFH) 5-Year Review including EFH Designation History and the EFH User Guide; Research Needs for EFH Review and Council Research Plan Update; review and input on revisions to the Council's Beach Dredge and Fill and Large-Scale Coastal Engineering Policy Statement; and an overview of the East Coast Climate Change Scenario Planning Initiative.

The AP will also receive updates on the following: Renewable Energy (Offshore Wind) Development in the South Atlantic; Development of a
