SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–97398; File No. SR–FINRA–2023–007]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of a Proposed Rule Change To Adopt Supplementary Material .18 (Remote Inspections Pilot Program) Under FINRA Rule 3110 (Supervision)

April 28, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on April 14, 2023, the Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend FINRA Rule 3110 (Supervision) to adopt a voluntary, three-year remote inspections pilot program to allow member firms to elect to fulfill their obligation under paragraph (1) to Rule 3110(c) (Internal Inspections) by conducting inspections of some or all branch offices and locations remotely without an on-site visit to such office or location, subject to specified terms. As detailed below, the key terms would include, among others: (1) a requirement for a firm to conduct and document a risk assessment for inspecting an office or location remotely and providing a non-exhaustive list of factors to consider for this risk assessment; (2) criteria that would make a member firm ineligible to participate in the program; (3) conditions a member firm must satisfy before becoming a pilot program participant relating to the firm’s recordkeeping system, and surveillance and technology tools; (4) criteria that would make ineligible for remote inspection certain member firm offices or locations; (5) conditions a member firm’s office or location must satisfy to be able to undergo a remote inspection relating to electronic communications, correspondence, and books and records; (6) a requirement that a participating firm provide FINRA specified data and

information on a quarterly basis; and (7) authorization for FINRA to determine in the public interest that a firm is no longer eligible to participate in the proposed program.

The proposed Remote Inspections Pilot Program would not change the current requirements under Rule 3110(c). Instead, the proposed program would provide firms the flexibility to satisfy their Rule 3110(c)(1) inspection obligation with or without an on-site visit to the office or location, subject to the proposed terms described herein. FINRA believes that proposed Rule 3110.18, on balance, preserves investor protection objectives through the proposed safeguards while also providing FINRA the opportunity to gauge the effectiveness of remote inspections as part of a modernized, reasonably designed supervisory system that reflects the current work environment and availability of technologies that did not exist when the on-site inspection originally was conceived.

Subject to further clarifications to proposed Rule 3110.18 as described below, the terms of the proposed rule change herein are largely similar to File No. SR–FINRA–2022–021 filed in July 2022,³ then amended in December 2022⁴ (together, the “2022 Remote Inspections Pilot Program Rule Filing”). FINRA withdrew File No. SR–FINRA–2022–021 on April 11, 2023 to consider whether more safeguards and clarifications to the filing would be appropriate in response to concerns raised by commenters.⁵ This proposed rule change is organized in five sections: (1) the background, which provides a historical overview of Rule 3110(c), and discusses the environmental changes that have occurred over the years relating to technology and the workplace; (2) FINRA’s observations of evolving inspection practices; (3) the emergence of remote inspections as a new approach to evaluation under Rule 3110(c)(1); (4) a description of the terms of the proposed rule change; and (5) an overview of FINRA’s monitoring and compliance with proposed Rule 3110.18.
