You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: FEMA proposes to collect information from parties who apply for compensation under FEMA-established fire claims programs stemming from its role providing financial assistance and direct services to individuals applying for disaster assistance benefits in the event of a federally declared disaster as specified by The Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), Public Law 93-288, as amended (42 U.S.C. 5121-5207). On September 30, 2022, President Biden signed into law the Hermit's Peak/Calf Canyon Fire Assistance Act ("Act") Public Law 117-180, division G—Hermit's Peak/Calf Canyon Fire Assistance Act. Congress passed the Act to compensate those parties who suffered injury and loss of property from the Hermit's Peak/Calf Canyon Fire. Such a generic clearance will minimize delays in FEMA's ability to respond to future fire incidents resulting in the establishment of claims offices.
