

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after June 8, 2023.

ADDRESSES: William B. Turner, Alabama Department of Transportation, 1409 Coliseum Boulevard, Montgomery, AL 36110, telephone (334) 242-6144, email turnerw@dot.state.al.us.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Alabama Department of Transportation. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the Alabama Department of Transportation.

Description

In 2002, human remains representing, at minimum, six individuals were removed from the Madison Park Site, 1Mt318, in Montgomery County, AL, by University of South Alabama Center for Archaeological Studies archeologists under contract with ALDOT. The human remains were removed during Phase III Data Recovery excavations prior to road widening and bridge replacement of US 231. Based on analysis of material cultural remains recovered from 1Mt318, the site is considered a Late Woodland Village occupied during the Dead River (A.D. 500–700), Hope Hull (A.D. 700–900), and Autauga (A.D. 800–1100) Phases. These human remains, together with the associated funerary objects are stored at the University of Alabama Office of Archaeological Research (OAR) at Moundville, AL. No known individuals were identified. The 10 associated funerary objects are six lots of burial fill, two large animal teeth, and two freshwater mussel shells.

Cultural Affiliation

The human remains and associated funerary objects in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following type of information was used to reasonably trace the relationship: geographical.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the Alabama Department of Transportation has determined that:

- The human remains described in this notice represent the physical remains of six individuals of Native American ancestry.
- The 10 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and The Muscogee (Creek) Nation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in

ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after June 8, 2023. If competing requests for repatriation are received, the Alabama Department of Transportation must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Alabama Department of Transportation is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, 10.10, and 10.14.

Dated: May 3, 2023.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (PRA; 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we provide the general public and other

Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on November 28, 2023 (87 FR 73035). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

DEPARTMENT OF JUSTICE

[OMB Number 1123–0014]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Extension of a Previously Approved Collection; Application for Certificates of Pardon for the Offense of Simple Possession of Marijuana—E.O.

AGENCY: Office of Pardon Attorney, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), The Office of the Pardon Attorney, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until July 10, 2023.

FOR FURTHER INFORMATION CONTACT: If you have additional comments

especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Kira Gillespie, Deputy Pardon Attorney, Office of the Pardon Attorney, 950 Pennsylvania Avenue NW, Main Justice—RFK Building, Washington, DC 20530; kira.gillespie@usdoj.gov; (202) 616–6073.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: The purpose of this collection is to gather information necessary to enable the Office of the Pardon Attorney, U.S. Department of Justice to expeditiously administer the provisions of the Executive Order 10467, a proclamation granting pardons to individuals charged or convicted of simple possession of marijuana. The collection will enable individuals to apply for certificates of pardon, restoring political, civil, and other rights by implementing a process to provide certificates of pardon as provided by the order.

Overview of this information collection:

1. **Type of Information Collection:** Extension of a currently approved collection.

2. **The Title of the Form/Collection:** Application for Certificates of Pardon for the Offense of Simple Possession of Marijuana.
