Civil Monetary Penalty Inflation Adjustments for 2023

AGENCY: Office of the Secretary, USDA.
ACTION: Final rule.

SUMMARY: This final rule amends the U.S. Department of Agriculture’s civil monetary penalty regulations by making inflation adjustments as mandated by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015.

DATES: Effective May 10, 2023.

FOR FURTHER INFORMATION CONTACT: Mr. Stephen O’Neill, Office of Budget and Program Analysis, USDA, 1400 Independence Avenue SW, Washington, DC 20250–1400, (202) 720–0038.

SUPPLEMENTARY INFORMATION:

I. Background

On November 2, 2015, the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the 2015 Act), which further amended the Federal Civil Penalties Inflation Adjustment Act of 1990, was signed into law to improve the effectiveness of civil monetary penalties and to maintain their deterrent effect. The 2015 Act requires agencies to adjust for inflation annually.

This rule amends 7 CFR part 3 to update the amount of civil monetary penalties that may be levied by U.S. Department of Agriculture (USDA) agencies to reflect inflationary adjustments for 2023 in accordance with the 2015 Act. As required by the 2015 Act, the annual adjustment was made for inflation based on the Consumer Price Index for the month of October 2022 and rounded to the nearest dollar

after an initial adjustment. The civil monetary penalties are listed according to the applicable administering agency.

II. Notice and Comment Not Required

This rule is required by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, with no issue of policy discretion. Accordingly, pursuant to the administrative procedure provisions in 5 U.S.C. 553, we find upon good cause that prior notice and other public procedure with respect to this action are not necessary. We also find good cause for making this action effective less than 30 days after publication in the **Federal Register**.

III. Procedural Requirements

Executive Order 12866

The Office of Management and Budget (OMB) has determined that this regulatory action does not meet the criteria for significant regulatory action pursuant to Executive Order 12866, Regulatory Planning and Review.

This rule contains inflation adjustments in compliance with the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015. The great majority of individuals, organizations, and entities participating in the programs affected by this regulation do not engage in prohibited activities and practices that would result in civil monetary penalties being incurred. Accordingly, we believe that any aggregate economic impact of this revised regulation will be minimal, affecting only the limited number of program participants that may engage in prohibited behavior in violation of the statutes.

Regulatory Flexibility Act

The provisions of the Regulatory Flexibility Act relating to an initial and final regulatory flexibility analysis (5 U.S.C. 603, 604) are not applicable to this final rule because USDA was not required to publish notice of proposed rulemaking under 5 U.S.C. 553 or any other law. Accordingly, a regulatory flexibility analysis is not required.

Paperwork Reduction Act

This final rule imposes no new reporting or recordkeeping requirements necessitating clearance by OMB.
