AGENCY: U.S. Army Corps of Engineers, Department of the Army, DOD.

ACTION: Notice of request for nominations.

SUMMARY: The Department of the Army is publishing this notice to request nominations to serve as representatives on the Inland Waterways Users Board (“the Board”), sponsored by the U.S. Army Corps of Engineers. The Board provides independent advice and recommendations to the Secretary of the Army and the Congress. The Secretary of the Army recommends its 11 (eleven) representative organizations to the Secretary of Defense for approval. This notice is to solicit nominations for seven (7) appointments or more for terms that will begin by January 31, 2024. For additional information about the Board, please visit the committee’s website at <http://www.iwr.usace.army.mil/Missions/Navigation/Inland-Waterways-Users-Board/>.

ADDRESSES: Institute for Water Resources, U.S. Army Corps of Engineers, ATTN: Mr. Mark R. Pointon, Designated Federal Officer (DFO) for the Inland Waterways Users Board, CEIWR–NDC, 7701 Telegraph Road, Casey Building, Alexandria, Virginia 22315–3868; by telephone at 703–428–6438; and by email at Mark.Pointon@usace.army.mil.

FOR FURTHER INFORMATION CONTACT:

Alternatively, contact Mr. Steven D. Riley, the Alternate Designated Federal Officer (ADFO), in writing at the Institute for Water Resources, U.S. Army Corps of Engineers, ATTN: CEIWR–GW, 7701 Telegraph Road, Casey Building, Alexandria, VA 22315–3868; by telephone at 703–659–3097; and by email at Steven.D.Riley@usace.army.mil.

SUPPLEMENTARY INFORMATION: The selection, service, and appointment of representative organizations to the Board are covered by provisions of section 302 of Public Law 99–662. The

substance of those provisions is as follows:

a. Selection. Representative organizations are to be selected from the spectrum of commercial carriers and shippers using the inland and intracoastal waterways, to represent geographical regions, and to be representative of waterborne commerce as determined by commodity ton-miles and tonnage statistics.

b. Service. The Board is required to meet at least semi-annually to develop and make recommendations to the Secretary of the Army on waterways construction and major rehabilitation priorities and spending levels for commercial navigation improvements and report its recommendations annually to the Secretary and Congress.

c. Appointment. The operation of the Board and appointment of representative organizations are subject to chapter 10, 5 U.S.C. (commonly known as the Federal Advisory Committee Act) and departmental implementing regulations. Individuals invited or appointed to serve on the Board, or its subcommittees, must be U.S. citizens and are appointed pursuant to 33 U.S.C. 2251(f)(2), the members of the Board serve as representative members and shall be appointed pursuant to 41 CFR 102–3.130(a), and in accordance with DoD policy and procedures. Representative organizations serve without compensation but their expenses due to Board activities are reimbursable. The considerations specified in section 302 for the selection of representative organizations to the Board, and certain terms used therein, have been interpreted, supplemented, or otherwise clarified as follows:

(1) *Carriers and Shippers.* The law uses the terms “primary users and shippers.” Primary users have been interpreted to mean the providers of transportation services on inland waterways such as barge or towboat operators. Shippers have been interpreted to mean the purchasers of such services for the movement of commodities they own or control. Representative companies are appointed to the Board, and they must be either a carrier or shipper or both. For that purpose a trade or regional association is neither a shipper nor primary user.

(2) *Geographical Representation.* The law specifies “various” regions. For the purposes of the Board, the waterways subjected to fuel taxes and described in Public Law 95–502, as amended, have been aggregated into six regions. They are (1) the Upper Mississippi River and its tributaries above the mouth of the Ohio; (2) the Lower Mississippi River
