The Bears Ears MAC was established pursuant to Presidential Proclamation 9558, "Establishment of the Bears Ears

National Monument" (Monument) (December 28, 2016); Presidential Proclamation 10285, "Bears Ears National Monument" (October 8, 2021); the Forest and Rangeland Renewable Resources Planning Act of 1974 (16 U.S.C. 1600); Section 14 of the National Forest Management Act of 1976 (16 U.S.C. 472a); and the Wilderness Act (16 U.S.C. 1131). The fifteen-member citizen-based MAC provides advice and recommendations regarding the development of the management plan and, as appropriate, management of the Monument to the Secretary of the Interior, through the Director of the BLM, and to the Secretary of Agriculture, through the Chief of the U.S. Department of Agriculture Forest Service. The Bears Ears National Monument, co-managed by the BLM Monticello Field Office, the Manti La Sal National Forest, and the five Tribes of the Bears Ears Commission, holds special meaning to a wide variety of users. This area's rich cultural heritage is held sacred by many Native American Tribes, who continue to rely on the lands for traditional and ceremonial uses. The natural resources contained in the Monument are regularly used by local communities for firewood gathering and livestock grazing, and the area is used for numerous recreation activities, including hiking, backpacking, rock climbing, river rafting, and riding off highway vehicles.

The Bears Ears MAC is seeking nominations in the following categories:

- (1) An elected official from local government within San Juan County representing the county;
- (2) A representative with paleontological expertise;
- (3) A representative of private landowners;
- (4) A representative of local business owners; and
- (5) A representative of the public at large.

The individual selected to serve with paleontological expertise will be appointed as a special Government Employees (SGE). Individuals selected from the other categories will be appointed as representative members. Please be aware that members selected to serve as SGEs will be required, prior to appointment, to file a Confidential Financial Disclosure Report in order to avoid involvement in real or apparent conflicts of interest. You may find a copy of the Confidential Financial Disclosure Report at the following website: <https://www.doi.gov/ethics/special-government-employees/financial-disclosure>. Additionally, after appointment, members appointed as SGEs will be required to meet

applicable financial disclosure and ethics training requirements. Please contact 202-208-7960 or [DOI\\_Ethics@sol.doi.gov](mailto:DOI_Ethics@sol.doi.gov) with any questions about the ethics requirements for members appointed as SGEs.

The SRS Council was established under title I, subpart A, section 1223 of the John D. Dingell, Jr. Conservation, Management, and Recreation Act of March 12, 2019, which directed the Secretary of the Interior to establish a seven-member citizen-based advisory council to provide advice and recommendations to the Secretary through the BLM with respect to the preparation and implementation of the management plan for the San Rafael Swell Recreation Area. Congress created the San Rafael Swell Recreation Area to provide for the protection, conservation, and enhancement of the recreational, cultural, natural, scenic, wildlife, ecological, historical, and educational resources of the area. The San Rafael Swell Recreation Area features magnificent badlands of brightly colored and wildly eroded sandstone formations, deep canyons, and giant plates of stone tilted upright through massive geologic upheaval, and features numerous recreational experiences including hiking, biking, four-wheel driving, horseback, canyoneering, and river running.

The SRS Council is seeking nominations in the following categories:

- (1) A representative of grazing allotment permittees within the recreation area or wilderness areas designated;
- (2) A representative with expertise in the historical uses of the recreation area; and
- (3) A representative of conservation organizations.

Individuals selected from these categories will be appointed as representative members.

The Utah RAC was established as a statutory advisory committee and, pursuant to section 804(d)(1)(D) of the Federal Lands Recreation Enhancement Act (16 U.S.C. 6803(d)(1)(D)), the RAC is authorized to make recommendations on BLM and U.S. Department of Agriculture Forest Service recreation fee proposals. The 15-member citizen-based RAC provides advice and recommendations to the Secretary through the BLM concerning the issues relating to land use planning or the management of the public land resources located within the State of Utah. BLM manages nearly 22.8 million acres of public lands in Utah, representing about 42 percent of the State. These lands are varied, ranging from high alpine peaks, to rolling

uplands and sprawling desert lowlands that feature some of the most spectacular scenery in the world, from the snow-capped peaks of remote mountain ranges to colorful red-rock canyons and deserts that offer opportunities to experience solitude and enjoy outdoor recreation. The BLM also provides opportunities for responsible mineral and energy development and grazing in Utah, which are important aspects of our multiple use mission.

The Utah RAC is seeking nominations in the following two membership categories:

(1) One nomination in *Category Two*—Representatives of nationally or regionally recognized environmental organizations; dispersed recreational activities; archaeological and historical interests; or nationally or regionally recognized wild horse and burro interest groups.

(2) Two nominations in *Category Three*—Hold State, county, or local elected office; are employed by a State agency responsible for the management of natural resources, land, or water; represent Indian Tribes within or adjacent to the area for which the RAC is organized; are employed as academicians in natural resource management or the natural sciences; or represent the affected public at large.

Individuals selected from these categories will be appointed as representative members. Simultaneous with this notice, the BLM will issue a press releases providing additional information for submitting nominations. (Authority: 43 CFR 1784.4–1.)
